## Newton Forum Selects Interesting Speakers For Season of 1940-41

Meeting To Start on Sunday, November 3

The steering committee of the Newton Community Forum has been active this spring in lining up an unusually interesting group of speakers for the 1940-1941 season. This will be the sixth season of the Forum, and it is felt that in no previous year has the potential value to the citizens of Newton of such a series of public discussions been comparable to that of the coming year. The committee has considered the names of a wide variety of persons prominent in our national life and has made an earnest attempt to choose eight who are recognized as competent authorities on varied aspects of the contemporary scene. Moreover, the committee has, in general, chosen persons who have been actually heard by one or more of its members and who are thereby known to be excellent speakers who can present their material in an interesting and stimulating way.

The Forum meetings have been popular and notably successful from the very start, but the committee realizes that there are intelligent citizens of Newton who never come to the meetings and perhaps have never even heard of the Forum. Many of these persons should be and would be tremendously interested if they could be induced to come once or twice. The cost should be no obstacle, as season tickets are priced at only \$2.00. These may be obtained by addressing Mr. Walter M. Taylor, Newton High School. Moreover, free seats are available at each lecture for those who feel they cannot pay the regular price.

The speakers will be:

Nov. 3—"The Real Issues in America," James T. Williams, Jr. Mr. Williams is a former resident of Newton and was editor-in-chief of the Boston Transcript for twenty years before becoming Washington Correspondent for the Chicago Daily News. Non-partisan, non-sectarian, holder of Federal offices under two presidents, confidential adviser to four Presidents.

## Newton Students Receive Large Scholarships

High Standing Shown In Competitive Exams

The high standing on the College Board Scholarship Examinations gave four members of the graduating class of the Newton High School scholarships amounting to \$7800 at four colleges:

Sarah Britt, 83 Church st., Newton, a national scholarship to Swarthmore College, valued at \$2000.

Elizabeth M. Dulac 4 Highland terrace, Newtonville, the All New England Scholarship to Western Reserve University of \$2,000.

Paul H. Ellicker, 78 Greylock rd., Newtonville, was awarded a regional scholarship by Yale University of \$1800.

Mavis E. Hayden 68 Brooks ave., Newtonville, received a regional scholarship to Barnard College of \$2,000.

Others of the graduating class who received competitive scholarships of smaller amounts were:

Hollis J. Wyman, 18 West Pine st., Auburndale, a Tufts Scholarship. Elizabeth J. Brady 26 Greylock rd., Newtonville at New England Conservatory of Music.

Edward A. Teschner Jr., 37 Thaxter rd., Newtonville, Wesleyan University.

Elizabeth Southworth, 66 Highland ave., Newtonville, Centenary Junior College.

The total of \$11,175 awarded by colleges to Newton High School students is an all time record of any class.

## Seek Permits For Gasoline Stations

Hearings on two petitions which seek permits for gasoline filling stations, were held before the Board of Aldermen on Monday night. The first was on the petition of Albert and Mary Elchorn asking for a permit for a gasoline station at 122 Lagrange st., Ward 5, near the West Roxbury line. They desire a permit for two tanks, of 2000 capacity and two pumps.

Frederick Elchorn, a brother of the petitioners appeared for them. He

## Newton Red Cross Bending Efforts For War Victims

The organization of the Newton Chapter of Red Cross and its many loyal friends in this city and surrounding localities are bending every effort to succor the people in the war zone who have suffered such terrible experiences. The wounded, the ill, the destitute driven from their homes and countries without belongings, must be supplied with food, clothing, shelter and care. The National Organization of the American Red Cross is sending by ship and plane hospital supplies, food, garments and every means of comfort for these stricken people. They alone can enter the zones where the need is so great. The means for supplying these necessities must be provided by a generous American public. The quota which at first had been set at ten million dollars now has been doubled, with the invasion of France and Belgium added to former invasions, and its refugee thousands added to the numbers already in need.

Newton's quota, also is, therefore, necessarily doubled, and the \$24,000 asked of this city can well be swelled even more to assist the cause. Individuals, organizations, schools, colleges are raising group funds; and even the children are aroused with the spirit of generous sympathy. But to raise this quota Newton still has far to go, and contributions will be gratefully received at Headquarters, 12 Austin st., Newtonville.

But Newton's efforts do not stop here. Organization goes forward to make ready the warm clothing so dreadfully needed overseas. The women of Newton are asked to give of their time this summer in making these garments. Before September first there must be ready a new quota for which the National Organization has appealed: 50 men's sweaters; 50 women's sweaters or black shawls; 100 children's sweaters; 50 women's dresses; 100 girls' dresses; 50 layettes; 50 hospital bed shirts 50 convalescent robes; and 25 operating gowns. In order that this work may

## 18th Season of Popular Camp for Newton Girls

With Miss Kathleen Twombly as director for the second year, Camp Mary Day opens on July first for its eighteenth consecutive season. Improvements, are being made this spring in the waterfront and on the roads; new equipment goes into the cabins and the kitchen; and extensive tree work is being done to clear up the damage resulting from the ice storm in February.

In 1922 the tract of land in Natick was presented to the Newton Local Council Girl Scouts, Inc., by Mrs. Frank A. Day of Sargent st., for many years Commissioner, and at present Honorary Commissioner. By August the building of the camp was completed, and in the summer of 1923 it opened with Miss Caroline Freeman as director. For many years Miss Freeman directed the Council and the camp, later serving on the camping committee. In recognition of her devotion to Girl Scouting in Newton she has recently been appointed Honorary Deputy Commissioner of the Local Council. Serving with her at present on the committee are Mrs. Walton S. Redfield, chairman, Mrs. Theron B. Walker, Mrs. Edward Pendergast, who is managing the Day Camp for Girl Scouts at the Riverside Recreation Grounds, Mrs. James B. Melcher, Mrs. Arthur Soule, Mrs. Craig Pattengill, Mrs. John W. Young and Mrs. Herbert C. Hardy.

The staff includes many popular members who are returning from former seasons one of the few newcomers to the camp being Miss Corinne Diller, who is known, however, to every Girl Scout in the city as their Field Captain. She will assist Miss Twombly and will be leader of the Pine Ridge Unit. The other two Unit Leaders will be "old timers," of the Cedars, Miss Roberta Annon of Merrimac, and of the Birches, Miss Margaret Robinson of Concord. Their assistants will be Miss Florence Capobianco of Newton Upper Falls, Miss June Krueger of Auburndale, and Miss Mary Elizabeth Sheehan of Newton Centre. Miss Leona Angell of Hyde Park will direct the waterfront, Miss Myra Gregg of Cincinnati, Ohio, the nature program, and Miss Roberta Haas of Kalamazoo Michigan, the arts

## Will Pay Brokers To Sell City Land

Following a request from Newton realtors that the city dispose of numerous lots of land which have been acquired by seizure as a result of non-payment of taxes, the Board of Aldermen at its meeting last Monday night voted to authorize the payment of regular commissions to real estate brokers who accept the sale of such lots at prices acceptable to the city. This policy was established when the Board voted to pay a commission to the firm of John T. Burns & Sons for the sale of a lot of land at Canterbury rd., Newton Highlands, to Eleanor Colony for \$750. The offer of the purchase is contingent on the waiver of a set-back. Alderman Donald McKay, chairman of the Finance Committee, commented that he hoped by establishing this precedent, real estate brokers will give more attention to the sale of city-owned lots.

Alderman Temperley asked what the area of the lot in question is, and no one could tell him. Temperley suggested that in the future the Aldermen know the area of a lot to be sold before they authorize the sale of it. Other offers for city-owned land

## Mayor Wants Employees In Legion Parade

The following letter was issued from Mayor Goddard's office on Tuesday:

On September 24th, 1940, the National Convention Parade of the American Legion will be held in Boston.

In view of conditions in the world today and without further comment on my part, I respectfully request as Mayor of the City of Newton that all members of the Newton Post of the American Legion and members of the Legion having a 1940 membership card who are working for the City of Newton participate in the parade on that day.

Such participation by the City of Newton at this time will reaffirm our obligation to our State and Nation.

PAUL M. GODDARD, Mayor.

## Supreme Court Dismisses One Cullen Petition

One of the two petitions presented to the State Supreme Court by Bart Cullen, former sergeant-mechanic of the Newton police department, was dismissed on Tuesday by Judge Charles H. Donahue. This petition alleged that when the Newton Board of Aldermen abolished the position of Sergeant-Mechanic, Cullen should have been assigned to duty as a regular sergeant. It had been contended that Cullen was entitled to remain in the department under his civil service rating.

A second petition which was entered by Francis X. Hurley, attorney for Cullen, is still being considered by the Supreme Court. This asks for a recommitment of the report of Alexander Lincoln, who served as auditor.

Approximately seven hundred and sixty members of the senior class will receive their diplomas at the annual Graduation Day exercises of the Newton High School on Saturday evening, June 8, at 7:00 p. m. in the Dickinson Stadium on the school grounds.

Dr. Allen A. Stockdale, a noted lecturer, will give the chief address. The diplomas will be presented to the class by Harold W. Knowlton, chairman, Newton School Committee, and Mayor Paul M. Goddard. Others who will participate in the program are Rev. C. Gordon Brownville, Tremont Temple Baptist Church, Boston; Frank Forest Davidson, Newton High School alumnus; Julius E. Warren, Superintendent of Schools; and Paul E. Ellicker, principal of the Newton High School.

In case of inclement weather on Saturday evening, the exercises will be held at the same hour on Sunday. About 5,000 parents and friends of the graduates will attend the exercises on the beautiful grounds of the Newton High School.

The officers of the class are: Brooks Nye Heath, president; Kit-tredge Franklin Fisher, first vice president; Cynthia Carlisle, second vice president; Edith Marjorie Alexander, secretary; and Edward Augustus Teschner, Jr., treasurer.

## THEIR FUTURE RESPONSIBILITY

Another commencement season is at hand. Tomorrow evening nearly eight hundred Newton young people will receive their diplomas signifying their completion of a high school education. Many of these will continue their search for greater education in institutions of higher learning. Many will go out into the world seeking to establish themselves among the more numerous masses and classes which go to make up our citizenry. Either course is worthy of that ultimate goal of making an honest living and finding the meaning of life in a world that oftentimes seems to be topsy-turvy.

No one knows what tomorrow may bring to these young people. No one knows whether it will be the tragic course of war which will envelop these youths of today or whether the gradual lifting of the dark clouds is to be their better fortune. One thing is certain. The present and the approaching future for these young people entails a real responsibility. We can only hope and pray that we have handed down to them the desire to uphold democracy—the last and only barrier between a higher civilization and a world empire far more vast, far more dominating, and far more cruel and unendurable than the old Roman Empire of the Dark Ages. From their numbers will come the leaders of tomorrow. May they have the courage and vision to carry on.

## Newton Police Memorial Service

In common with police departments of other cities, the Newton Police Memorial Association held a memorial mass for its deceased members at Sacred Heart Church, Newton Centre, last Sunday morning. Bishop Richard Cushing officiated, assisted by Rev. Bernard Winn. Following the service a breakfast was held at the Sacred Heart school hall. In behalf of the association, President Robert Turner gave Chief Hughes \$25 as a contribution to the Red Cross fund. Gold-plated miniature police badges were presented to Bishop Cushing, Judge Donald Mayberry, Clerk of Court James P. Gallagher and Probation Officer M. John Enegess.

Last week the Newton Chapter shipped three cases of garments to Washington, exceeding the quota requested for June first; sending 25 layettes; and 384 knitted garments. As yet, the National Organization has not requested the Newton Chapter to collect used clothing to be sent overseas, and accordingly, instructions as to this are awaited. This week a shipment of dresses made by Newton women who have given so generously of their time will be shipped to Washington.

## Powers' Paragraphs

At the meeting of the Board of Aldermen on Monday night a new and commendable policy was adopted in an effort to sell some of the many parcels of land owned by the city. Most of these lots of land were seized for non-payment of taxes. The precedent was established of paying a commission to any real estate broker who will effect the sale of a city owned parcel of land. This should result in more efforts by realtors to sell such land.

An interesting sidelight on the land under discussion Monday night was the fact that the Board of Aldermen, although voting to sell the lot for \$750, did not know its area. Alderman Temperley asked for his essential information and no one present could tell him. He suggested that in the future, the size of any city owned land be specified before the sale will be approved by the Board of Aldermen.

This was just another instance of the common sense and practicality manifested by Alderman Temperley during the more than twelve years he has been an Alderman. And yet Temperley has been regarded as a "light weight" member of the Board, and has not received during his long term of office committee appointments consistent with the practice observed over a long period of years by various Boards of Aldermen. It has been the custom to assign new members of the Board to the License Committee and then to promote them to the Public Works Committee and the Claims & Rules Committee, and eventually to the Finance Committee. Years ago Temperley's seniority entitled him to advancement to the Claims & Rules and Finance Committees. But he never was assigned to these two committees. For about 40 years John Temperley has attended nearly all meetings of the Board of Aldermen, either as a newspaper man or an Alderman, and his knowledge of city affairs, in the opinion of the writer easily transcends that of any other citizen of Newton. But, because Temperley has been unassuming, humble in dress and manner, and because he had sufficient moral courage to vote frequently in the negative and quite in the minority he was labelled by some as narrow, old-fashioned and unqualified to deal with the bigger matters incumbent upon members of the Board of Aldermen. He is not infallible, and had not always displayed correct judgment. But, in most cases involving financial expenditures by the city where Temperley voted in the minority, time proved that he was right.

John Temperley has been the consistent object of ridicule by a few smug persons in this city (not Aldermen or former Aldermen), because he has not voted 100 per cent as they desired. He and other former Aldermen, have been scoffed at as incompetent and eccentric by certain materialistic minded residents of this city, but John still enjoys the confidence of the majority of the people of Newton.

The Newton Board of Aldermen should not delay in amending the zoning ordinance so that very undesirable exploitation of this city by a certain type of real estate developers shall continue. In a number of sections of this city, especially in Ward 6, old houses have recently been razed and the land on which they were located has been subdivided into small lots, on which cheaply built houses have been crowded in close proximity. Such real estate development rapidly lessens the value of all other properties in a neighborhood and will soon topple Newton from its proud status as one of the best residential communities in this country, unless it is stopped.

The writer agrees with those objectors to the proposed zoning amendment who contend that in certain areas a 15,000 square feet minimum would work hardship to property owners and that careful judgment should be exercised in designating the Class A and Class B residence zones. But, the writer also agrees with those who demand that there shall be some districts in the city where a 15,000 foot minimum shall be established. Districts where the majority of residence now have large lots, and where the majority of property owners desire to have such a restriction placed.

One of the most interesting, and certainly the most carefully prepared arguments offered at the three public hearings held before the Committee on Claims & Rules, and the Planning Board on the proposed zoning amendments to establish minimum sizes for house lots was that of Arnold Hartmann, developer of Oak Hill Village. Mr. Hartmann told how he started 16 years ago to develop Oak Hill as an exceptionally attractive residential community, and how he laid out 58 lots with a minimum frontage of 100 feet, and a minimum area of 15,000 square feet. He met with slow progress in selling these large lots. Several years later Mr. Hartmann divided certain of his large holdings at Oak Hill into lots averaging around 10,000 square feet in area, and this type of development sold more quickly. Last year he took a tract of about 20 acres near Brookline st. and developed it into lots about 7500 square feet in area. The smaller houses which have been erected there have sold quickly. He now advocates a 7500 foot restriction for Newton house lots, instead of 10,000 or 15,000.

As Mr. Hartmann stated, he has had 16 years of bitter experience in developing land and building houses at Oak Hill. He has won deserved praise for the sacrifices he has made and the courage he has shown in attempting to adhere to the idealistic

development he originally planned for that section. If time has shown that he must modify his original plans, he is entitled to all reasonable consideration. But, we do not believe that this means that in all sections of this city that a restriction no larger than 7500 square feet shall be placed on any house lot. Mr. Hartmann told of the number of prospective home owners who cannot maintain a 15,000-foot lot because it entails the employment of a part-time gardener. On the other hand there were many excellent persons who became residents of Newton in past years because it was the "Garden City," and there will be many persons in future years who would become residents of Newton if it will continue to be a "Garden City."

But, if Newton evolves into a community of small homes and small house lots, its character will rapidly change and it will become just another Boston suburb with a much larger population, a greatly increased school enrollment with resulting increased expenses, and a considerably higher tax rate. The question is—shall Newton continue to be an outstandingly attractive residential community, or shall it decline into a commonplace suburb. If all real estate developers were of the calibre of Mr. Hartmann, Newton would be assured of as good a type of development in the future as could be reasonably expected. Unfortunately there have been too many real estate developers or speculators in recent years, who have taken advantage of this city's past attractiveness and high standing to use it as a medium for profit only. These persons have no sentiment for Newton. They know little of its past and care less for its future. They should be cured.

The amazing rapidity with which the mechanized Nazi forces have over come one country after another in Europe, including their latest victories over the French and British armies, is causing the world to stand aghast. The efficiency of the Germans was amply proved during the World War. With only Austria as an ally, the Teutons quickly overcame Russia and for four years withstood the combined might of Britain, France, Italy and Belgium, and were it not for the entrance of the United States into that war in 1917, Germany would have undoubtedly won it. The mission from Britain, France and Italy, which came to this country begging for our assistance, asserted that Germany would win the World War unless the U. S. A. entered the fray against it. But, after the Argonne drive in 1918, and after the armistice, the British and French scoffed at the assistance the U. S. A. had rendered, and said the war was won before we entered it. If you don't believe this, ask almost any member of the A. E. F. who went overseas in 1917 or 1918.

Those of the A. E. F. who were in the Army of Occupation, who were billeted in German homes from December, 1918, and the early months of 1919, better understand German psychology than do most citizens of the U. S. A. We who lived with them know that while they were defeated, they were not cowed, and in their hearts surged the desire some day for revenge against France and England. The French knew this and the British knew it. Yet, Britain and France since 1933 stood supinely and permitted Adolf Hitler to lead a malevolently inspired and marvelously efficient rearmament of Germany which has made the armed forces of that country capable of riding in terrifically destructive machines in the air and on the ground to rout the best armies possessed by the allies. And despite the fact that Germany and his government and the French leaders in 1938, realizing Germany's great superiority in airplanes and other instruments of modern warfare, permitted the Nazis to seize Czechoslovakia, they still fanatically hoped to cope with the Nazis in armed strife.

There has been a certain voluble minority in this country yapping for the U. S. A. to again enter war on the side of Britain and France, as it did in the World War in 1917, despite the ingratitude manifested by those countries after that war. And this minority includes some of the alleged great minds of this country—and New England. Intellectuals who did not risk their precious lives overseas in 1917 and 1918 and who would not go to the front in this war, although they are still younger than many thousands of men now in armies in Europe. This country has not the trained men or weapons to go to the assistance of the sorely pressed British and French even though it had the inclination to do so.

It will take a year for us to train an army of any size. It will take about two years to manufacture a sufficient quantity of airplanes, tanks, artillery and other war equipment to be properly prepared. Assuming that Hitler and Mussolini simply over come France and Britain, it is logical to suppose that they will obligingly wait a year or two to give the U. S. A. a chance to get ready? Or do those who clamor for our immediate entrance into the war expect the soldiers of the U. S. A. to battle with golf sticks, baseball bats and tennis rackets?

Winston Churchill the other day, candidly stated that Britain, if overcome in its home island, will continue the fight for preservation overseas, in its Canadian dominion, and with the expectation that the countries of the new world (the Western Hemisphere) will fight with it. Instead of the U. S. A. sending armed forces overseas to help, Mr. Churchill realizes the possibility that Britain may have

If the Newton Street Railway keeps its promises it has just one week to complete preparations and have the cars running on Memorial Day.

The police signal boxes have been installed at Upper Falls.

Joseph Williams, driver of Hose 5, Auburndale, met with a serious accident last Friday morning while exercising the hose wagon horse on horseback. While riding down Centre st. near the Methodist Church at a lively pace, the horse jumped to one side to avoid a barking dog, and hurled himself and the rider against a lamp post with such force as to break it. Mr. Williams was hurled to the ground and found a few minutes later in a semi-conscious condition. He was taken home and Dr. Parker found he had a dislocated shoulder and severe bruises.

The annual meeting of the Newton Women's Suffrage League was held at the Unitarian Church in West Newton on Tuesday evening. After the election of officers the president introduced Mrs. Louise Ormiston Chant of England who delivered an address on "The Social Life of Today." Among other things she said that we are nearer women's suffrage in England today than you are in this country, as we have less complicated processes to go through when laws are to be passed, and less obstacles to overcome.

Councilman George Richardson of Newton Centre has refused an offer of \$400 for the horse recently purchased by him in Maine.

Messrs. Louis Vachon, William and Al Geyer of Newton Centre, took a bicycle ride of about 40 miles one

day this week, visiting the historical places at Concord and Lexington.

Rev. Lawrence O'Toole, pastor of St. Bernard's Church, West Newton, will sail for Ireland on June 7. It will be his 15th trip across the Atlantic.

Samuel Adams, a colored man, rescued a boy named Ryan from drowning in Bullock's Pond last Saturday afternoon. The boy fell off a raft and had gone down twice when Adams plunged in with all his clothes on.

and crafts. The camp secretary will be Miss Doris Conington of Auburndale and the dietitian, Miss Jean Knapp of New York. The three Junior Counselors, all of this city, are to be Nancy Chase, Lillian Nardone and Thada Thornton.

The girls live in small screened cabins, divided into three groups in which the campers are placed according to age, experience and interests. With their counselors they plan their own program, which includes trips of exploration, outdoor cooking, and housekeeping, dramatics folk dancing and singing, sketching painting, photography, crafts, hiking, simple pioneering, swimming, boating and canoeing and nature.

Among the girls registered for the first period are: Roberta Krueger, Auburndale; Rhoda Markson, Dorothy Schounmaker, Hannan Jean Shipley, Nancy Blaisdell, Joan Horrikan, Marilyn Tilton, Newton; Anne Reuter, Jean Vandenberg, Peggy McCormick, Mary Jane McCormick, Gloria Goddard, Mary C. Jenney, Gilda Pearlman, Newton Centre; Eleanor Guzzi, Marilyn Morency, West Newton; Nancy Wellman, Barbara Wellman, Waban; Mary Jean Carter, Newtonville; Jean Van Rye, Jean Allison, Wellesley; Lois Colleary, Leone Lawless, Weston.

Registered for the second period are: Roberta Krueger, Auburndale; Lois Colleary, Weston; Rhoda Markson, Anne Scott, Nancy Blaisdell, Newton; Patricia Pettit, Anne Reuter, Rosemary Lane, Jean Vandenberg, Mary Jane McCormick, Peggy McCormick, Patricia Linnehan, Theresa Sheehan, Lucille Kincare, Gilda Pearlman, Mildred Hall, Newton Centre; Vivianne Williams, Betty Naylor, Nancy Nichols, West Newton; Nancy Wellman, Barbara Wellman, Waban; Ginny Rood, Nancy Tisdale, Jean Van Rye, Wellesley; Nita Jean Grossman, Weston.

## Eligible For Fire Department

Chief Randlett has received from the Civil Service Commission the names of three men eligible for appointment to the Newton Fire Department. They are Harold DeDonning, 18 Cliff rd., Upper Falls; James A. Walsh, 344 Centre st., Newton; Francis N. Dwyer, 346 Cherry st., West Newton.

DeDonning was appointed to the department on Monday to succeed Frank Turner who recently resigned to accept an appointment to the police department. The new fireman was assigned to Engine 1.

## —Forum Speakers

(Continued from page 1)

tial candidates, a news analyst, Mr. Williams is assigned to evaluate the real issues behind the current presidential campaign, and to look ahead to the real issues to be settled by the new Congress.

Nov. 17—"What Next in Europe?" Vera Micheles Dean, Mrs. Dean is Director of the Foreign Policy Association's Research Department and Editor of its publications. Russian born, American educated (Radcliffe, Yale), Mrs. Dean is attested to be one of the best interpreters of foreign affairs available in the country. She has written much, including "Europe's Diplomatic Tug-of-War," "Italy's African Claims Against France," "Europe in Retreat," and is an exceptional platform personality.

Dec. 1—"What Youth Wants," Jack R. McMichael, Jr. Mr. McMichael is a student at Union Theological Seminary and is chairman of the American Youth Congress, which Mrs. Roosevelt patronizes, which rebuffed President Roosevelt when he rebuffed it, which the Dies Committee "investigated" and which, as a result is sometimes thought to be "communistic," a charge which Mr. McMichael vehemently denies. He has proved his point to some people. This meeting may well turn out to be the prize of the season. Though young, he is an exceptionally able speaker.

Dec. 15—"Fallacies in Socialized Medicine," Dr. Morris Fishbein. Dr. Fishbein carries the reputation of being a keen, devastating, humorous speaker. He has been in the thick of every fight over socialized medicine, and as Editor of the Journal of the American Medical Association has written and spoken strong words on the subject. He also edits Hygeia, the health magazine. It is planned to have four prominent Massachusetts doctors on the platform who will ask Dr. Fishbein some interesting and pertinent questions.

Jan. 5—"The Job Confronting Congress," Bruce Bliven. By vote of our 1938-1939 patrons, Bruce Bliven was one of the best speakers ever to come before the Newton Forum. His appearance in a 1939 blizzard will be remembered for its penetrating analysis, its scintillating wit, and Mr. Bliven's remarkable use of the King's English. He is the fearless Editor of "The New Republic" and New York correspondent of "The Manchester Guardian." Formerly he edited "The New York Globe." He is a director of the Foreign Policy Association of the Twentieth Century Fund, and has a host of other liberal and cultural connections.

Jan. 19—"Is There an American Philosophy?" Dr. Will Durant. Dr. Durant is well known as a lecturer on philosophy, ancient and modern, and as a writer of both history and philosophy. His best known work is "The Story of Philosophy," and he is author of the recently published "History of Greece."

Feb. 2—"What Business Aids of Government," H. W. Prentiss. Mr. Prentiss has been engaged as a bonafide spokesman of Business. He is president of the Armstrong Cork Company, but he was asked to speak because he is president of the National Association of Manufacturers and is, therefore, in a position to know just how forward-looking or how reactionary big business is.

Feb. 16—"Can There be a Lasting Peace?" Elmer Davis. Mr. Davis, Chief of the News Staff of CBS, a veteran newspaper correspondent, author of many books and articles, is too well known for the clarity and intelligence of his analyses of the news to require extended comment here. It would be hard to think of one better qualified to discuss this vital topic.

were received; one of \$225 from Peter DeGenero for land on Manham rd., West Newton, and \$100 from the Merchants Co-operative Bank for a lot on Westland ave., West Newton. Many offers have been received in past years for city-owned land, but most of them have been so far below the actual value of the land that they have been refused. When Sinclair Weeks was Mayor, he recommended that parcels of city-owned land be advertised for sale so that bids might be received, and reasonable prices obtained.

An offer of \$10,000 for city-owned land on Cherry st., West Newton, was received from Bennet Rockman. This land is now used for parking purposes.

## Sunbeam Chats

June is seven days old now but on the very first day when I woke up mother hugged me and said, "What is so rare as a day in June?—My precious baby." Gee, how could I help loving a mother like that—and Daddy, too. I'm going to try to do everything just the way I know they want me to and be as kind as I can be to other folks and animals in 'preciation. Little children aren't really bad as some folks think sometimes—they just don't have folks around them that are good and kind.

(Sunbeam Chats are sponsored by the Newton District Nursing Association.)

## Annual Meeting of The First Church of Christ, Scientist

An appeal for calm and more faith in the omnipotence of God in the face of present world turmoil, featured the gathering in Boston on Monday of thousands of Christian Scientists from all over the world for the annual meeting of The First Church of Christ, Scientist.

"Trusting in the omnipotence of God," said Harry C. Browne, First Reader of The Mother Church in reading a message from The Christian Science Board of Directors, "enables one, through demonstration, to enjoy the freedom of thought resulting from the unfolding of the characteristics of divine Mind as expressed by Christ Jesus."

"Becoming cognizant of the true idea about anything, exposes its suppositional opposite as a lie. Therefore, when the true idea of man's relation to God is universally expressed, misunderstanding between men and nations will vanish."

"The divine Mind is in reality the only power; therefore nothing can resist the manifestation of righteousness. With due regard for the necessary

human footsteps, which our Leader, Mary Baker Eddy, says are indispensable in meeting problems, it is also imperative to look to the divine Mind for guidance and wisdom to supply the impetus to do all things in a right way and at the right time."

### Church Officers

Mrs. Margaret Murney Glenn Maters, C. S. B., of New York, daughter of the late Major General Edwin F. Glenn, of the United States Army, was elected President of The Mother Church to succeed George Shaw Cook, C. S. B., of Brookline, Mass. Edward L. Ripley of Brookline and Ezra W. Palmer of Marshfield were re-elected Treasurer and Clerk, respectively. The chief duty of the President is to serve as presiding officer at the Annual Meeting.

### Unity Divine Might

Commenting on the turbulent international situation, the incoming President said that "Christian Science reveals the power of individual man to meet and overcome the hordes of mesmeric suggestions and subtle influences claiming to induce discouragement and apathy. It enables the Christian Scientist to overcome the belief that war can be of permanent advantage, or that it is to be feared. It destroys the desire for an unrighteous, unjust, and enslaving peace; and it sets right that wrong sense of values which would prefer this so-called peace to that active warfare between the flesh and spirit which The Mother Church typifies, and which ultimately in the victory of spirituality and Love."

In a parallel vein, George Shaw Cook, the retiring President, pointed out that "the effort of one individual or nation to dominate others, or to exploit them, by means of force, or coercion, dishonesty, or deception, may appear temporarily to succeed, but it cannot permanently prosper for the simple reason that evil has no divine Principle. Its nature is self-destructive."

"The ultimate triumph of good is not merely a question of hope or even of faith. All that is good in human experience is upheld by divine or spiritual law. And this law is able to assert itself and enforce itself, in spite of the effort of misguided mortals to in-

terfere with or to prevent its operation."

### Treasurer's Report

The report of the Treasurer for the fiscal year ended April 30, 1940, showed as usual that the funds of The Mother Church were in a sound, healthy condition, and that there was no indebtedness at the close of the year.

Ezra W. Palmer, Clerk, reported "a goodly number of new members augmenting our membership list, which continues to grow normally and naturally. To accommodate the Clerk's records and provide adequate office facilities, it became necessary recently to add 38 per cent additional floor space to the Clerk's office."

The Trustees Under the Will of Mary Baker Eddy reported Mrs. Amea H. Harris, Secretary, assisted many branches of The Mother Church in carrying on various church activities including contributions toward the cost of church property. A number of churches to receive aid in the past have voluntarily made repayments to the trust fund.

A. Warren Norton, Manager of The Christian Science Publishing Society, declared that "The Publishing House is becoming widely known as a place of interest. Over 100,000 people visit it annually, including groups from well-known educational institutions and individuals from all parts of the world."

William W. Davis, Executive Supervisor of the charitable institutions, expressed gratitude for the many demonstrations of healing at the Christian Science Sanatoriums, also to the graduates and undergraduates of the nurses' training courses. "Taught by experienced instructors," he said, "they are bringing healing, comfort, and love to the performance of the duties of their chosen profession."

The report of The Christian Science Board of Lectureship, read by Miss Lucia C. Coulson, Chairman, told of lectures delivered throughout the world during the past year, mentioning the unusual success of the Australasian tour and of the Far East tour where well attended lectures were given in Hong Kong, the Philippine Islands, Straits Settlements, Netherlands Indies, India, Ceylon, Egypt and Palestine.

## Report Burglaries In The Newtons

Last Thursday it was discovered that the residence of Dr. Hugh Robinson at 136 Hancock st., Auburndale, had been entered and ransacked. The family had gone on a trip to the preceding Wednesday. The burglary was discovered by Patrolman Joseph Carroll when he was patrolling that street.

Monday night as Mr. and Mrs. Herbert Clark of 315 Crafts st., Newtonville, returned to their home about 10:15, they surprised two young burglars who ran out of the cellar of the house and escaped in the direction of California st. The house had been ransacked, but the burglars dropped most of their loot including clothing, near the front door and in the cellar, when they were surprised by the return of the owners.

During the absence of the family of Charles Trefrey from the residence at 65 Solon st., Newton Highlands, between May 29 and June 2, a watch valued at \$50 was stolen from a bureau at the house, and a strong box broken open. The box was empty. Entrance was effected by means of an unlocked window.

Dewey Morrell of 69 Faxon st., Newton, reported to the police last Friday that a chest of silverware valued at \$60 had been stolen from a bureau drawer at his home some time during the past six weeks. Mrs. James Currie of 70 Jefferson st., Newton, reported to the police that someone had stolen a pocketbook containing \$6 from the table in the kitchen of her home on Friday.

Lieut. Crowley and Sergeant Ban non investigated the theft and arrested Thomas Prendergast, 22 of 42 Thornton st., Newton, a brother of Mrs. Morrell. In the Newton court on Wednesday Prendergast pleaded guilty to charges of stealing the silverware, and also a wrist watch which was the property of another sister, Miss Winifred Prendergast of 69 Faxon st. Judge Mayberry gave him a suspended sentence of 3 months on each charge, and placed him on probation. The police recovered the stolen articles in a Boston pawnshop.

## Telephone Office At Newtonville

The business office of the Telephone Company has moved from its former location at the corner of Washington and Peabody sts., Newton, to the new telephone building on Washington st., Newtonville. Newton subscribers of the company may make payments at the office of the Edison Company at the Newton Corner, as well as at the new office, Eugene Campbell, manager of the Newton district, James O'Connell, public relations representative, and the office staff of ten moved last Saturday to their new quarters. The interior of the business office is attractively decorated in rose color and fluorescent lighting is used.

The operating division of the local exchanges will be moved to the new building next November, at which time the dial system will be placed in operation.

## Testimonial For James B. Newell

A testimonial dinner was tendered to James B. Newell of Watertown at West Newton, at Seller's Ten Acres, Wayland, on Tuesday night. It was arranged by his associates in the Newton Public Buildings Department and was attended by 100 city employees and friends of the honored guest. Mr. Newell will retire in September on a pension after having been employed by the city for 11 years as superintendent of maintenance of the public buildings of Newton. In behalf of those present Mayor Goddard presented Mr. Newell with \$135 in cash and two travelling bags. Mrs. Newell was presented with a bouquet of roses.

Mr. Newell was born at Newton Corner and is a descendant of old Newton families. He and his wife plan to make a tour of the country following his retirement. They plan then to spend their winters in Florida and to live summers in Maine.

## NEWTON CHAPTER ORDER OF DE MOLAY

At a public installation at Masonic Temple last Saturday evening, E. Richard Berry was inducted as master councillor of Newton Chapter, Order of De Molay. Edwin O. Childs, chairman of the advisory council, spoke briefly and Frank M. Simmons, chapter adviser, presented a past master councillor's jewel to Lyman Hutchins. The newly installed master councillor presented his mother with a bouquet of flowers. He was presented with a gavel by Mr. Simmons on behalf of his father and mother.

Charles Smith, past master councillor and member of the advisory council, headed the installing suite which included Russell Taylor, Harrison Blake, Kenneth Fletcher, Robert Ferguson and Lyman Hutchins.

Other officers installed were Kenneth H. Wood, senior councillor; Charles B. Brackett, junior councillor; Donald J. Smith, senior deacon; Curtis Drury, junior deacon; Ralph Andrews, senior steward; Daniel L. Willis, junior steward; Frank C. Brimblecom, marshal; Haig J. Nargesian, chaplain; Norman H. Kellher, scribe; Robert J. Ferguson, treasurer; James Stewart, almoner; John Peterson, sentinel; Sterling Colcord, standard bearer; Donald Ferguson, Robert Gower, Prescott Smith, Stewart Stoney, George R. Lovell and Richard Chapman, preceptors; Edwin Lang, electrician, and George R. Loud, organist.

## Powers' Paragraphs

(Continued from Page 2)

to send what remains of its armed forces westerly across the Atlantic to make a last stand in Canada. We admire Mr. Churchill's dogged courage. We sympathize with him for the terrific responsibility thrust upon him because of the stupidity of those who preceded him as leaders of the British government, and who disregarded his repeated warnings. If Mr. Churchill believes that the U. S. A. will join Britain in the war against Germany (and probably Italy and Japan) he should realize that if this country does become engaged in the war, it will do so solely to preserve its own liberty. It will not do so to assure a continuity of the British empire with its world wide possessions.

Some of our best friends are men of the Italian race. Italians have a heritage of which they may be well proud. There are arguments which can be logically offered to support the Italian demand for a restoration of Corsica. Although this island has been under French domination for about two centuries, its people are essentially of the Italian race. The Italians also have some reason to demand a greater share in the control of the Mediterranean, now dominated by Britain and France at the Suez Canal. But the memory of the abandonment by the Italians of their alliance with Germany and Austria in 1914 and their subsequent entrance into the World War against their former allies, impressed many (even those who were anti-German) as having been poor sportsmanship and untrustworthy. The attitude of Mussolini and his Fascist government in the present war also is not inspiring. Granting that Italy may be right in its assertion that it did not get a square deal from Britain and France after the World War, and granting that Mussolini and Hitler several years ago entered into an alliance, many cannot but help believing that have delayed in taking active participation in this war until it seems assured that Hitler and his Nazis are certainly winning. And this, in the opinion of many, is rather wolflike. But, according to history (or legend) Remulus and Remus were suckled by a she-wolf. Those with sporting blood favor the underdog, and so are sympathetic toward France, attacked on one side by a foe superior in numbers and equipment, and apparently about to be attacked on the other side by a foe also superior in numbers and in the air. The odds, however, seem overwhelmingly against France.

THIS IS BUICK'S BIGGEST YEAR

**Imagine You—in our all-time best-seller!**

**YES** sir, what you're looking at is the biggest-selling Buick of all time—which, in times like these, is certain proof that here's the best-built Buick of all time.

But why just look at it? *Why not try it?*

Why not go find out what this car's got that has made more people buy Buick this year than even back in the easy-money days of the twenties?

See what there is about that big, hundred-plus horsepower Dynaflex straight-eight that gets people—what it's like to have plenty-room all around and style that has the highway eyeing you.

You ought to know about the BuCoil Springing ride—it's not only gentle and easy, but these soft steel coils

eliminate a lot of fuss and care about lubrication.

And you ought to have the straight dope about *prices*—prices that make this Buick the yardstick of up-to-the-minute car values.

This much will give you an idea: Current prices† begin at \$895 for the business coupe, delivered at Flint, Mich.

\*Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories are to be added.

What the total amounts to is a surprisingly low figure—one your local Buick dealer will be tickled to show you.

## Average American Family Cannot Afford New Home

Most American housing is sold in a second-hand market and today 85 per cent of the homes being planned and erected are so costly that only one family in ten can afford to buy a house that is new, the research staff of International Correspondence schools says.

A study by the staff indicates that the home building plan or program today is missing its primary market of more than 500,000 families with incomes of from \$1,000 to \$2,000 a year. Most families in this group are forced to live in rented second-hand homes in congested areas, the study found. If they attempt to avoid tenancy and purchase homes, most of them are compelled to buy houses that are badly in need of improvements and maintenance.

America to keep abreast of its need for 700,000 new houses and 200,000 replacements, each year is building on an inverted scale, or a scale that answers the need of one family in ten. The other nine families must continue living in what they regard temporary quarters until they can acquire the means with which to buy a second-hand property.

Housing costs, it is pointed out in the research reports, seem to be on a 1929 scale, for not even a 20 per cent reduction in both labor and materials would enable more than 15 per cent of the families to purchase new homes. One out of every four families was satisfied or could acquire a suitable new house in the twenties.

Some construction authorities believe that large scale building projects will solve the problem, especially in heavily populated centers. Others pin their hopes on the prefabricated house. Still others recommend partly finished homes to which the owners can add modern conveniences as incomes will permit.

## World's Nitrate Supply Is Obtained From Chile

Chile has a population of 4,600,000, or approximately that of Massachusetts, on an area more than 34 times that of Massachusetts. It supplies all the world's natural nitrate, as well as 90 per cent of the iodine, almost half the borax and 18 per cent of the world's copper.

It borders the southern Pacific coast of South America running almost north and south for 2,627 miles, and varies in width from 105 to 223 miles. Inland it is bounded by the lofty crest of the Andes, the background of all Chilean panoramas and source of vast waterpower.

If Chile occupied the same latitude in the northern hemisphere it would extend from the latitude of Jamaica through Cuba, Florida, the rest of the United States and Canada to the southern shores of Hudson bay, says the National Geographic society. With the varied climate thus afforded, Chile has widely diversified scenery and economic interests.

Frequent dust storms, mirages and often frost at night feature the hot, arid section of northern Chile, which for many years has furnished most of the country's revenue.

The nitrate fields stretch for several hundreds of miles along the western rim of the upland plains, the deposits being not more than 20 to 30 feet below the surface. Chile's mineral exports account for more than 75 per cent of the total, the United States taking one-fourth, including practically all the iron ore.

## Special Driving Tests Reduce Accident Cases

In a special automobile driving test based on psychological lines given by a group of the 97 of California's worst traffic violators, the result showed a drop of 63 per cent in major and 40.6 per cent in minor violations for the group.

A similar select group of chronic and dangerous violators remained untested. These untested drivers experienced a rise in violations after the testing date. For the two years after the tests the untested group had 557 convictions for traffic law violations as against 164 convictions for the tested drivers.

Similar tests were made on a group of good drivers, represented by the track drivers of a certain corporation. Variations in their driving efficiency were measured in terms of accident frequency before and after testing. Following the administration of special tests, the records of the tested drivers improved even more. A group of untested drivers from the same company, used as a control, experienced more accidents after the testing dates; although all of the drivers concerned, both tested and untested, were considered safe, cautious and capable.

The only conclusion that can be drawn, according to the authors of the tests, were that the tests in question made better drivers out of good ones and materially improved both the driving technique and the caution of the poor drivers.

## Auto's Silence Is Important

One of the most appealing features of a new car is its silence. Keeping it noiseless is a matter of correct maintenance right from the start for it is a fact that body bolts are inclined to loosen most rapidly when the car is new. They should be tightened at the end of the first 500 miles and again at 1,500. The task requires but a few minutes and costs little enough to justify having it done.

## Reign of King Charles V Recalled by Landmarks

King Charles V, the monarch known as Charles the Wise, constructed many of the most famous landmarks in Paris.

The Louvre museum, whose marble halls are known to visitors; the Chateau de Vincennes, just outside Paris; the Palais de Justice, or town hall; and the Place de la Bastille, where the famous prison once stood, are among the landmarks in Paris whose origin dates back to the days of Charles V. Even the French National library, the Bibliotheque Nationale, which is known to thousands of foreign students attending the Sorbonne and other Paris universities, had its start with a donation from Charles V of more than 1,000 historic manuscripts.

Charles V did not actually construct the palace which later became the Louvre, but he ordered the original structure to be enlarged and renovated. The famous Palace de Justice was built following the instruction of this French monarch—but six centuries ago it was known as St. Paul's palace.

The prison of the Bastille, which was destroyed by mobs during the French revolution, was built by Charles the Wise "to keep Parisians in order," according to a history of that epoch. The Chateau de Vincennes, the palace where the king was born, was enlarged and redecorated during his reign.

Other significant events in his rule, which were celebrated with fitting ceremonies in Paris, were the establishment of a French merchant marine, the placing of France's taxation system on a business basis, and the expulsion of the English from French soil.

## Writer of "God Save the King" an Open Question

There is room for debate among British patriots and musicians as to who wrote "God Save the King," as several persons have claimed the honor of writing both melody and words. However, notes a writer in the Cleveland Plain Dealer, in Dr. John Julian's dictionary of hymnology, credit for writing the melody is given Dr. John Bull, who is said to have played it on the organ in the Merchant Taylor's hall in London in 1607, when James I dined there as a guest of the guild.

The Henry Carey is often accepted as the author of both words and music, and the air is said to have been sung by him at a dinner in 1740 to celebrate the victory of Portobello. Carey's son repeated his claim in 1759, hoping to get a pension for his father's patriotic effort, but he did not get it.

What is certain is that George II was the first king to be mentioned by name in the song, and that it became suddenly and widely popular after having been sung in the Drury Lane theater in London in 1745, soon after the proclamation of the Pretender at Edinburgh. It was sung at Covent Garden and other theaters immediately after and soon everybody was singing: "God bless our noble king; God save great George our king."

## Uncrowned Rulers

The fact that a king has not been crowned does not mean that his rule is unacknowledged. Whitaker's Almanac says that from the time of King Henry the Eighth it has been a recognized principle that immediately upon the death of a monarch his heir becomes his already constituted successor. The solemn and elaborate ceremony of coronation is the formal public ratification of an event which is already of binding force. Listed among English kings are two rulers who never were crowned: Edward V and Jane (Lady Jane Grey). Edward V reigned only a few months and Lady Jane Grey only a few days.

## Italics in the Bible

In several early English translations of the Bible many words not intended to be emphasized are printed in italics. This is because the translators of the Scriptures were unable to find English words equivalent to some of the words in the Hebrew, Greek and Latin texts. Whenever they were compelled to insert extra words to make the translation intelligible to English readers they put these additional words in italics to indicate the insertion. In later translations italics were used for emphasis.

## Duck Hawk Kin of Falcon

The duck hawk is a close relative of the European falcon which was trained to sit blind-folded on the gantlet of king or noble until released to capture game fowl while hunters watched the thrilling chase. Like its European relative, the American peregrine falcon attains staggering speeds, sometimes as high as 70 miles an hour. This speed has earned for it the popular name of "bullet hawk."

## East Indian Influence

Much of British Guiana's colorful character is traceable to the East Indian influence. There are more than 136,000 Hindus in the colony, mostly the descendants of indentured laborers brought from India in the Nineteenth century, when the freeing of slave labor made it imperative to find a new source of cheap man power to operate the plantations.

## National Roads Survey Aids Highway Planning

Surveys to guide the planning of future highway improvements are progressing rapidly in 46 states and the District of Columbia, according to the annual report of the U. S. public roads administration. These surveys, jointly financed and conducted by the road administration and the state highway departments, include complete inventories of all rural roads and detailed studies of highway traffic, and highway finance.

The report states that one of the most generally useful products of the planning surveys is a series of large-scale state and county maps. The county maps, generally on a scale of one inch to one mile or greater, show, in addition to transportation facilities, all physical features and man-made improvements, and will form the first up-to-date and comprehensive series of county maps ever made. Other series of maps to be drafted on the base maps show highway and other transportation systems, bus and truck routes, postal routes, school-bus routes, and traffic volume.

The 1940 federal census will be more complete because of this mapping work, according to the report. For the first time the boundary limits around the settled areas of unincorporated urban communities of 800 or more population have been established in 29 states, making possible census reports for such communities.

Field surveys, which form the basis of the map work, and also an inventory of the present extent and condition of all rural roads, have been completed in 43 states, covering an aggregate of 2,748,853 miles, the report states.

In co-operation with the Association of American Railroads pertinent facts relating to rural and urban grade crossings are being supplied. This information will be combined with data from a field inventory of the crossings and with traffic counts to develop new improvement programs in which first attention will be given to the most dangerous crossings.

Field work on the traffic surveys has been completed in all but nine states, according to the report. At 3,237 stations the weights of trucks, commodities carried, and other data trucks and truck-trailer combinations. Information on the weights and dimensions of buses and number of passengers carried was also obtained.

## Human Eye Is Revealed To Be Electrical Organ

There is the same difference between the electricity in the eye and the electrical waves in the brain and there is between direct current and alternating current. The electricity in the brain is always pulsating, but the charge on the eye remains constant and manifests itself only when the eye moves.

The lens part of the eyeball has a positive potential, and the rear part, where the retina is situated, has a negative potential, according to a professor of psychology who has measured the potential in many persons and found that the lens part has a positive potential of about one millivolt, or one one-thousandth of a volt, with an equal and opposite potential on the back part.

The eye connects directly with the brain through a relatively large nerve that enters the base of the brain and has internal connections in the cerebral hemispheres to the visual centers that are situated on the surface of each lobe in its central portion. The electric currents that are picked up on the surface of the brain, however, do not travel along the optic nerves and manifest at the eyeball.

The nature of the physiological activity within the eyeball that creates this potential appears to remain in constant operation, varying only slightly in successive measurements. It maintains the charge on the eye against the moist, saline, short-circuiting tissues that surround the eyeball.

The lens, with highest potential, acts as a sort of searchlight beam that projects its electrical charge into the surrounding tissues as the eye is moved. There is a zero potential around the electrical equator of the eyeball, which extends around it in a vertical plane. At the other pole is the negative potential. The surrounding tissues are at the same electrical potential as the part of the eyeball with which they are in contact.

## Saved by a Mirror

Saved by a mirror. That is the report of a barber and a customer after an irate bull invaded a barber shop in Varese, Italy, while on its way to market. When the snorting and bellowing animal appeared the barber was shaving the customer and both men fled. Seeing its reflection in the mirror, the bull lowered its horns and charged. The entire shop was wrecked before the dazed and angry beast was captured.

## Refinishing Home Floors

The first thing to be done to wood floors that are to be refinished is to clean them thoroughly with a solution of lye. Then any ridges or rough places should be scraped down and a stain applied. If the flooring is edge grained, the stain should be combined with a filler, and after that the wax may be applied direct. Generally about three coats are necessary, as it is quickly absorbed by the wood. Shellac or floor varnish may be used before the wax, if desired.

## Mayor Asks That Employment Comm. Be Organized

Mr. Lyscom A. Bruce, Jr., Executive Director, Newton Community Council, 93 Union Street, Newton Centre, Massachusetts, Dear Mr. Bruce:

You will remember that an informal conference was held at this office on April 22nd relative to the unemployment and relief problems in the City of Newton. The Employment Committee of the Newton Community Council has been actively interested in these problems for some time, and Mr. Clarence C. McDavitt, chairman of your committee, was also made chairman of the committee which conferred in my office. The following men, representing Newton agencies, attended the conference and kindly consented to serve and carry on further investigation with the purpose of outlining a definite program: Clarence C. McDavitt, Vice Chairman of the Community Council and chairman of the Council Committee on Employment; Lyscom A. Bruce, Jr., Executive Director of the Community Chest and Council; Charles E. Jones, president and Charles E. Bailey, Executive Secretary of the Newton Taxpayers Association; James P. Reynolds, Director Department of Public Welfare; Harold F. Young, Sponsor's Agent WPA; and Rupert C. Thompson, Secretary of the Newton Chamber of Commerce.

This committee has already carried on a very effective investigation, and it is definitely felt that something can be done here in Newton with the cooperation of employers to at least help solve the unemployment problem, and consequently help the relief situation. If it meets with the approval of the Community Council, I respectfully request that the Council appoint a Community Employment Committee which would be an enlargement of the one already working, and to include representation of other organizations in our City which are interested in helping along these lines. It is my understanding that regular employment has been and will continue to be, the concern of this committee and I subscribe to this program as being the most valuable and effective method of dealing with the situation.

I shall appreciate hearing from you after the Council has had an opportunity to give this consideration. Very sincerely yours,  
PAUL M. GODDARD,  
Mayor.

## CHRISTIAN SCIENCE

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, June 9.

The Golden Text is: "Ah Lord God! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee" (Jeremiah 32:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God; which made heaven, and earth, the sea, and all that therein is: which keepeth truth for ever" (Psalms 146: 5, 6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Infinite Mind creates and governs all, from the mental molecule to infinity. This divine Principle of all expresses Science and art throughout His creation, and the immortality of man and the universe. Creation is ever appearing, and must ever continue to appear from the nature of its inexhaustible source" (p. 507).

### 'Horse of Troy' Tradition

#### Gets Scientific Approval

Quite often scientists prove some honored ancient tradition to be wrong, but there are times when they prove an honored ancient tradition to be right. For many a century, until science came along with its trained archeologists to prove that there really was something to the old tradition of Troy and Helen of Troy and the Trojan horse, scholars regarded it as an entertaining story, but no more. They even debated the question whether there ever was a Troy and they sometimes proved that there wasn't.

For the last seven years American archeologists have been doing a really complete job of excavation at the site of Troy and they have clearly established that the ancient city which stood for so long as a guardian of the Dardanelles existed through more than 40 datable periods. Nine communities were represented by the city mound, meaning that, time after time, the community at Troy was wiped out and later leveled off and rebuilt anew on top of the remains of the former cities. Troy had nine lives, in fact, writes Dr. Jotham Johnson, University of Pittsburgh archeologist, in the Scientific American. The expeditions at Troy were headed by Prof. Carl Blegen, of the University of Cincinnati.

First to be unearthed was a spacious hall with 10 columns, dating from 1900 to 1400 B. C. Evidence of destruction of the city by fire were found at several depths, in the form of a layer of ash and charred materials. Shattered stones at one level indicated earthquake destruction. Finally, the earliest occupation level of all was revealed, with a fortification wall and gates flanked by projecting towers, Troy before the beginning of the age of metals.

Science thus has given ample evidence for the existence of a real and actual Troy, so let lovers of the "Odyssey" and the "Iliad" rejoice.

### Good Care of Clothes

#### Will Cut Living Costs

There's a tidy amount of pin money to be picked up by thrifty wives right in Friend Husband's clothes closet. Not in the pockets of the suit he will wear tomorrow, however, but merely in the care of the same.

Since most of the nation's 31,400,000 wives take care of their husband's clothes anyhow, they might as well save from \$40 to \$100 a year on hubby's wardrobe yet keep him better groomed than ever by following a few simple rules, according to Tony Williams, a New York designer who creates wardrobes for a goodly section of the nation's best dressed men.

Suits last from 25 to 40 per cent longer and hold their creases better if they are always hung, preferably on shaped wooden hangers, he points out. Suits are made of wool not only because it is an exceptional insulator against both heat and cold but because it springs back into shape when allowed to hang, he explained.

Trousers should always be hung from the bottom, if possible. Their weight helps pull them back into perfect shape. It is also worth the trouble to brush the dust and dirt out of trouser cuffs before hanging, he declares.

A press will last longer if the suit is allowed to hang for a day after pressing, as this sets the crease firmly. Suits themselves will last longer if they get a day's rest between wearings, even if the Old Man has only two outfits.

When sending the Mister's shoes to be repaired, it is well to remember that rubber heels are not only more comfortable and longer wearing than leather, but hold shape and remain trimmer. A survey reveals that 85 per cent of the nation's males prefer them anyhow.

By keeping a sharp eye on Hubby's ties and occasionally pressing them and removing a spot, wives can help him always to have the fresh appearance of a man who is definitely on his way to success.

### Texas Flax Growing

Successful growth for three consecutive years, has convinced the growers that new varieties of flax from Argentina, Brazil and India are adaptable to the Texas Gulf Coast region. Incidentally, this will supply raw materials to cotton mills to replace the declining quantities of cottonseed. It is an important fact that the yield per acre in Texas is 17 bushels whereas that of Minnesota and the Dakotas—states long established in flax production—averages only six bushels. The prime value of flax seed is its oil content which, as linseed oil, is one of the main elements used in manufacturing paint.

### Ancient Egyptian Bread

In the Metropolitan museum of art in New York city, there is a basket containing the oldest bread in the world. This basket of bread was discovered in the tomb of an Egyptian woman by the name of Ra-Mose and her husband, Hat-Nufer, who lived about 3,500 years ago. This ancient bread is well preserved today. One loaf has a hard, glossy crust. Another seems to be a kind of fruitcake which may have been the wedding cake of this married pair. According to the religious beliefs of ancient Egypt, the soul after death required nourishment, just as in life. Thus, bread was often placed in the tombs.

### Aldermen Meet

Three residents of Arlington st., Newton, entered objections at the meeting of the Board of Aldermen on Monday night against the petition of the Edison and Telephone companies for joint pole locations for two poles on Arlington st. Minnie Lamber of 89 Arlington st. said there is now a pole and a hydrant in front of her house, and another pole would make the view hideous. She stated that a shade tree, which was in front of her property, was blown down in the 1938 hurricane, and no young tree placed there since, although requests have been made to the city. Alice Kees of 76 Arlington st. and Charlotte Simon of 52 Arlington st. both suggested that the proposed pole be located at the rear of the property instead of in front of the street.

A hearing scheduled to be held on the petition of Fred E. Wood for a permit to conduct a garage repair shop at the rear of 1383 Washington st., West Newton, was postponed because notices to abutters were not sent out in time. A letter of protest was received from Mary Mahan, 109 Adams st., Nonantum, against the petition of the Riverside Sand & Gravel Company for a permit to store 1000 gallons of gasoline at the rear of 417 Watertown st.

When the order for the laying out and acceptance of Palmer rd., Waban, under the general law was read, Alderman Temperley again repeated his oft-repeated protest against this type of street acceptance. A considerable number of such streets have been accepted by the city in recent years. Most of the streets laid out under the general law by contractors paid by real estate developers have only a gravel surface saturated by tarvia. Such streets quickly disintegrate and then have to be repaired at considerable expense to taxpayers. Streets laid out under the betterment law by the Street Department have a macadamized and tarred surface and do not need repairs for years. Temperley has argued that all streets should have this latter type of surface before being accepted.

An amendment to the Traffic Ordinance was adopted which prohibits parking on the North side of Newtonville ave. between Harvard and Walnut sts., and limits parking on the South side of Newtonville ave. to one hour. A hearing had been scheduled on this matter, but no one appeared to object.

On motion of Alderman McKay of the Finance Committee bonds authorized for two PWA projects were ordered cancelled as follows: Bond issue authorized Sept. 14, 1938, for water mains project, originally \$61,000; ordered cancelled, \$11,000 Newtonville

Public Library, \$66,000 authorized Sept. 22, 1938; not issued and cancelled \$4000. The reason for this action was—that the two projects cost less than estimated.

On recommendation of the Mayor the razing of the abandoned Lincoln School on Thornton st., Newton, and the Eliot School on Pearl st., Nonantum, was authorized.

A request was received from Mrs. Max Silverman asking that Chandler st., Nonantum, be restored to the same condition it was before having been used as a detour for heavy traffic while Watertown st. was being resurfaced a couple of years ago. A petition was received from Leonard Hickman asking for a permit to use a building at 390 Linwood ave., Newtonville, as a roofing shop, in addition to its use as a plumbing shop. A petition was received from Harry Knowles asking that land bounded by Commonwealth ave., Commonwealth Country Club and Metropolitan Water District at Chestnut Hill be changed from private residence zone to business zone. A petition was received from Anna Cooley asking that property at 1104 Centre st. be changed from single residence zone to private residence zone. Donald Gibbs petitions that land bounded by Bellevue st., Landson st. and Surrey rd., Ward 1, be changed from private residence to Class C, single residence zone, provided that the proposed lot restricting amendment will be adopted.

### Kiwanis Club

The Newton Kiwanis Club has accepted an invitation from the Brookline Club to meet with them at the Municipal Golf Course Club House on Tuesday, June 25th. This will be a joint meeting with several nearby Clubs participating.

Dr. F. H. Paul, a member of the local Club, who has been ill, was reported as very much improved.

The speaker at the meeting this week was Mrs. Austin Shea, wife of the secretary of the local Club. Mrs. Shea took for her topic "Art and Your Business." She explained some of the practical ways in which art is used in every day business. She covered the importance of selecting certain colors in store displays, the importance of a professional man having correct colors and combination of colors in his office.

## A History of Telephone Development In Newton For the Past 60 Years

Eugene Andrews, Retired Telephone Manager, Gives Interesting Facts

(Continued from Last Week)

The February 3, 1883, issue of the Newton Journal gave the following news item concerning a change of personnel at the Newtonville office: "The Central Telephone office at Newtonville is now in charge of Miss Blunt, a young lady from Milford, Mrs. Simpson of Newtonville having resigned the first of the year. Every patron of the company in Newton at least, were sorry to learn of the latter's resignation, as she was an excellent operator, obliging and competent."

In the same issue of the Journal was the following: "We understand upon excellent authority that it is proposed to cut off Watertown from the Newton telephone circuit and few of the subscribers of the Suburban Telephone Company living in that town and this city who have accidentally become aware of the fact write in a strong protest to such a move. Such would be detrimental to the interests of every Newton and Watertown subscriber who desires any communication between those localities, and a petition to the officials of the company will probably be prepared if the change should be made."

In a subsequent issue of the same paper it was explained that the Newtonville Exchange had developed so rapidly that it might become necessary to temporarily transfer the Watertown subscribers to another Central Office, but there was no intent to withdraw any of the calling privileges of the Newton or Watertown subscribers.

The problem was solved somewhat later through the establishment of another Central Office at Newton Corner.

On April 7, 1883, the Newton Journal told of other personnel changes at the Telephone Office.

"The Newton Exchange of the Suburban Telephone Company has with in a few days been placed under new and independent management as Mr. A. A. Averill of Salem has been appointed Superintendent. (Mr. Loren M. Downs was the former appointee.)

"The Newton subscribers will feel very much gratified to learn that Mrs. Simpson of Newtonville, the former efficient and popular operator at the Central Office, has returned having commenced her duties this Friday morning."

THE NEWTONVILLE EXCHANGE ADDS SUBSCRIBERS

The Newton Graphic of January 13, 1883, reported on the growth of the Newtonville Exchange as follows:

"The Suburban Telephone Company has issued a list of subscribers connected with its exchanges January 1, together with the list of the subscribers of the Telephone Dispatch Company. The Suburban Company's lines extend into nearly fifty cities and towns and the number of instruments is already increasing. The list of subscribers in the Newtonville Exchange, numbers over one hundred and a number of telephones have been put in since the book was issued."

The Newton Graphic of April 14, 1883, had the following to say regarding the further growth of the Newtonville Exchange:

"The telephone business still grows rapidly and the April catalogue of subscribers of the Suburban Telephone Company and Telephone Dispatch Company is the most voluminous yet issued. The Newton Exchange (still at Newtonville) has 125 subscribers divided among the villages as follows: Newton, 45; Newtonville, 12; West Newton, 18; Auburndale, 9; Lower Falls, 3; Newton Centre, 3; Newton Highlands, 3; Nonantum, 3; Watertown, 24. The Watertown Exchange has 43 subscribers."

CERTAIN LIMITATIONS AS TO THE FURNISHING OF TELEPHONE SERVICE SOLVED

The Newton Graphic of June 2, 1883, had the following to say under the heading of:

"Telegraph or Telephone"

"Despite the fact that recent experiments have demonstrated the possibility of telephoning over long circuits, it is to be doubted if the instruments will be used other than locally. It is too sensitive to induction due to atmospheric electricity and to grounds of circuits exceeding a few miles in length."

It was remarkable that the telephone engineers through the introduction of the metallic circuits and other means of overcoming the objections noted, brought about the present world-wide service not restricted by distance.

THE NEW-ENGLAND TELEPHONE AND TELEGRAPH COMPANY TAKES OVER THE NEWTON EXCHANGES

On October 19, 1883, the New England Telephone and Telegraph Company was organized and took over the operation of the local telephone offices of the Suburban Telephone Company.

THE ESTABLISHMENT OF A NEW CENTRAL OFFICE AT NEWTON CORNER

The Newton Graphic of December 6, 1884, outlined the establishment of a new Central Office at Newton to supplement the existing Newtonville office as follows:

"The recent change of the telephone arrangements has taken 59 subscribers at Newton out of the Newtonville Exchange they being con-

nected now with the Newton office in Cole's Block (417 Center st.). The Newtonville office now has 73 lines in use with about 120 subscribers. The amount of work done by the Newtonville operator is about the same as before the change, as she has no assistant. The Newton office has wires direct to the Waltham and Cambridge offices but connection to Boston and other places have to be made through Newtonville. When direct wires are put up from Newton to Boston the Newton subscribers will probably have their numbers changed so as to group them separately from those connected with the Newtonville office.

"The connections between Newtonville and Boston average 36 a day. Newtonville besides being the connecting point for all the Newtons, is the station through which places north of Boston are connected with Framingham, Natick, Worcester and other points west and the operator has to answer calls from these offices."

THE PRESS OF NEWTON HAS A DISTINCTIVE PART IN THE TELEPHONE DEVELOPMENT OF THE CITY

The Newton Republican, the predecessor of the Newton Graphic had in its office the first telephone installed for commercial purposes. This was in December, 1879, and was connected with the coal office of Pevear & Russell on Arsenal st., Watertown, previously referred to in this article.

Both the latter publication and its contemporary the Newton Journal emphasized the importance of the telephone invention in the social and business life of the community and were early subscribers to telephone service.

The Newton Graphic followed a precedent established by its predecessor the Newton Republican in giving various accounts of telephone matters, and by which telephone development was enhanced. This publication has the unique distinction of having enjoyed telephone service continuously for a period exceeding 57 years.

### Surprise Burglar At West Newton

Sunday Patrolman M. J. Carroll split a man on the rear porch of the residence of W. C. Wendroth at 1429 Commonwealth ave., West Newton. The intruder fled as Carroll approached and escaped into brush covered land nearby. Carroll notified police headquarters and several policemen hastened to the scene and searched the neighborhood, but the would-be burglar was not found. He had attempted to jimmy the rear door of the Wendroth house when he was surprised by Carroll.

### Says Nude Man Attacked Her

Some woman, who refused to identify herself because she did not desire publicity, telephoned Newton police headquarters on Saturday and complained that on May 30 as she was walking up the incline leading from the Riverside railroad station to Central st., a nude man seized her. The complainant said she fought the man off. Newton police watched the locality over the week-end, but the cave-man did not appear again.

### Fined \$50 For Tipsy Driving

Robert Paulsen, 22, of South Natick was fined \$50 in the Newton court last Friday for driving a car while drunk. The car driven by Paulsen hit the rear of a car driven by Henry DeLorme of Commonwealth ave., Boston as the latter was turning from the turnpike onto Walnut Hill rd. at 9:30 the preceding night. Two relatives of DeLorme who were riding in his car, were reported as having received injuries.

In court the same day John Scarlett, 19, of 85 Crescent st., West Newton, was given a 2 months suspended sentence for driving a car while under the influence of liquor. He was arrested the preceding night by Patrolmen Green and Elliot.

Paul Thiele, 28, of 288 Fountain st., Springfield, was fined \$50 in the Newton court on Monday for driving a car while under the influence of liquor and he appealed the fine. He was found not guilty of drunkenness. Thiele was arrested at 2:15 a. m. on May 21 by Patrolmen McEneaney and FitzSimmons.

Frank L. Dunn of 56 Highland ave., Cambridge, was fined \$35 by Judge Mayberry in the Newton court on Tuesday for driving an automobile while under the influence of liquor. He was arrested on Sunday night by Patrolmen Cummings and Kiley.

### Rotary Club

A very interesting talk at the Rotary Club on Monday was given by Mr. Frederic Celler, Wine Consultant for S. S. Pierce Company, on the subject of "Why Wine." Wine was a hobby with Mr. Celler before he became a wine seller, and he probably had a wine cellar before he became a wine seller.

The history of wine parallels that of civilization. In discussing wine, Mr. Celler emphasized that he meant fruit juices, even the juice of the tomato, although the best wines are made from the juice of grapes.

Wine follows man wherever he does any pioneering, but only becomes an important part of his daily life when he reaches a period when some relaxation is possible. In other words, good wine is associated with the better things in life. Wine gives a dinner a touch which is just as necessary as good silver or delicate china.

There is probably no question but that wine is in some respects a tonic, and even an aid to digestion. France rates as the first country in the production of wine. The fermenting of the fruit juice is necessary in order for the wine to keep and be transportable.

The wine business is not, as a rule, a profitable one. That is, the wine grower is not in the business for profit. It takes years of experimenting to get the proper blend, the proper casks for storage, etc. There are three basic kinds of wine: the fermented grape juice, such as Port wine, the wine where fermentation is completed in the bottle (this gives the sparkle or "fizz" that we find in sparkling Burgundies). Then there is the third class of wine which has had some strength added to it, such as the addition of brandy to make Sherry.

There are thousands of kinds of wine—the white wines and the red wines, the sweet wines and the dry wines, but a trial of one or two kinds of each of the groups mentioned would give one a pretty good idea as to the taste of wine. As to the question of whether the war is going to affect our wine in this country, so far it has not, although if Italy goes in, we will probably have to make our own Vermouth. There is no reason why we should not be able to turn out very satisfactory wines of all types after the experience we have now had with California wines.

John C. Haughey, Street Commissioner, was welcomed into membership in the Rotary Club.

### Big and Little Journeys Full of Vacation Trips

This catalogue, issued semi-annually, is just off the press. It contains a great many new vacation suggestions, tells where to go, different ways of going — by steamer, rail and motor coach, how long it will take and what it will cost, including hotels, meals, sightseeing, etc. There are a great many delightful, short, inexpensive steamer trips listed to Norfolk, Virginia Beach, Washington, Savannah, Miami, Havana, Bermuda, New Orleans, Great Lakes, St. Lawrence and Saguenay Rivers. Also motor trips to Quebec, Gaspe and Nova Scotia.

For those who are interested, there are several routes to the New York World's Fair, such as going by motor coach through the Berkshires or Mohawk Trail to Albany, steamer down the Hudson River to New York, or going by steamer direct from Boston to New York including stateroom and meals. There are also very attractive trips reasonably priced to the Golden Gate Exposition going one-way, returning another, visiting places of greatest scenic interest, including practically all expenses and good accommodations.

The Colpitts Tourist Company will be pleased to mail this catalogue, "Big and Little Journeys," and also attractive folders of the New York World's Fair and the Golden Gate Exposition. Literature and further information cheerfully furnished at the company's office, 262 Washington st., Boston.

### Auburndale Women Oppose Billboards

Protests against permits for billboards at several locations in this city have been made by the Auburndale Woman's Club and the Auburndale Garden Club. Mrs. Edward B. Gray, chairman of the conservation committee of these clubs has presented fromal protests to Mayor Goddard and to the Massachusetts Civic League. Three of the billboards are located near the intersection of Washington and Beacon sts., Lower Falls. The protest against these specifies that they are too large (12 by 25 feet), and to near the intersection of the two streets. Another protest is against two billboards, each 12 by 25 feet, located on Washington st., opposite Auburn st., West Newton. It is alleged that these are unsightly and do not conform to legal requirements. The billboards are owned by John Donnelly & Sons, and permits for them have been approved in the past by the State Department of Public Works.

### Girl Scouts

Troops 7 and 17 Girl Scouts of Newton Upper Falls, held their court of awards at Camp Mary Day, Natick, from 6 to 9 p. m. on Monday, June 3. An outdoor picnic supper was enjoyed which was followed by games under the direction of Miss Kathleen Twombly and Miss Corinne Dillar directors of the Newton Girl Scouts.

The awards were given to over 50 Girl Scouts in the presence of their parents and members of the troop committee.

Miss Kathleen Twombly, director of the Newton Girl Scouts, presided at the presentation of merit badges. Captains Alice M. Temperley and Lucy Batey awarded the attendance stars to their respective Troops.

The captains were assisted by the lieutenants of the troops during the evening.

### S. S. Steel Pier Starts Daily Trips

Spick and span from stem to stern, the S.S. Steel Pier, big Provincetown ship, started its daily 100-mile round trips to Provincetown, this morning leaving Foster's Wharf at 10:00 a. m. The ship will return at 8:00 p. m., after a two-hour stop over in the Cape and town.

Aboard the 1750-ton vessel were several groups whose numbers totaled nearly one thousand, who have made the all-day outing a part of their yearly entertainment program.

The 36th year of the Cape Cod Steamship Co., which operates the S.S. Steel Pier, shows that the company's ships have carried more than 2,250,000 passengers on this popular one-day vacation, according to Paul E. Thurlow, president of the company. Besides the regular daily trips to Provincetown, the Steel Pier sails on a Moonlight Cruise two nights each week, Wednesday and Friday.

## WOMEN'S CLUBS

### Newton Federation of Women's Clubs

Mrs. H. Clayton Pearson, the recently-elected president of the Newton Federation of Women's Clubs, presided at the Executive Board Meeting on Monday, May 27th, at the Newtonville Library. She announced that the following had been appointed chairmen of the standing committees, and ratified by the officers, American Home, Mrs. Robert Lindquist; Art, Mrs. William Flye; Christmas Health Seals, Miss Adelaide Ball; Civics, Mrs. Frank de Aurelio; Conservation, Mrs. Gordon Heath; Cooperation with War Veterans, Miss Nellie M. Osborne; Education, Mrs. Harry P. Porter; International Relations, Mrs. Malcolm Green; Motion Pictures, Mrs. Henry Weldener; Legislative, Mrs. Albert Schaller; Physically Handicapped, Mrs. Alex MacMillan; Program, Mrs. Benjamin D. Miller; Press and Publicity, Mrs. Ernest F. Drew; Public Health, Mrs. John MacNeill; and Social, Mrs. A. H. Brooks.

During the business meeting the Parent Education Course which met with such success last year was discussed, and the Board voted to contribute to its maintenance another season.

Mrs. Pearson read a letter from the Chamber of Commerce regarding a survey which is being planned by them, with the approval of Mayor Goddard, and which will, they hope, result in finding employment among local concerns, for many who need it. The possibilities of getting vocational guidance for applicants in certain lines is proposed. A subcommittee will be formed to consider this phase, and the Federation was asked to submit the name of a delegate from their body to serve on this committee. The choice will be left to the president, owing to the fact that this will be the only meeting until fall unless an emergency arises.

It was announced that the week of July 8th has been chosen for the drive against Rag-weed, and Mrs. Gordon Heath, chairman, said that the Conservation committee would have the co-operation of the city employees in removing this menace to health.

### Newtonville Garden Club

## Of Course You Care

Of course you care what happens to your family when you are no longer here to take care of them. Perhaps you already have all the life insurance you need... but in too many cases the loss of the breadwinner means unnecessary hardship for his family.

It's foolish, of course, to buy more life insurance than you can afford. But it surely is worth while to get maximum family protection from the money you can afford to spend.

Before you decide how much life insurance you can afford, find out about Savings Bank Life Insurance—providing safe family protection at low cost for thrifty people who are willing to buy "over-the-counter" insurance at the savings bank.

## ALL NEWTON MUSIC SCHOOL

During the coming week, several interesting events will mark the closing days of the 29th season at the All Newton Music School, this city's community music school. The first of these to take place will be at eight o'clock on Monday evening, June 10, when a Senior Recital will be held in the Newtonville Woman's Club House on Washington Park. There will be piano and violin solos as well as several interesting ensemble numbers for strings presented by students from the Senior Department of the Music School. This event will be open to the general public as well as parents and friends of the young artists and all are cordially invited to attend.

The following teachers of the Music School will present their pupils in special recitals during the next two weeks—Miss Virginia Kenway, Miss Lillian Mudgett, Miss Agnes Olson, all of the piano department, and Miss Ruth Masters, head of the cello department.

On Saturday morning, June 15, at the Clafin Branch, a Junior Music Party is scheduled. This will be an informal musicale conducted by the young people themselves at which students of their age group will play for each other and have a social time in general. Members of the staff and faculty will be guests on this occasion.

Special attention is called to the fact that all week from Monday, June 10, until the closing day of the Music School at noon on Saturday, June 15, advance registration may be made by old or new students who may wish to make early reservation for placement in next season's schedules. Residents on the South side of the city—Newton Centre, Newton Highlands and Waban—who wish to avail themselves of the privileges of the Music School, are reminded to make their inquiries and reservations now before the close of this school year. It has been urged for some time that a branch be started on the South side of Newton to serve villages in that vicinity. Just as soon as the registration warrants such a movement, steps will be taken to establish a center for music work such as the All Newton Music School offers. At present, the Clafin Branch in Newtonville serves this section and has done so over a period of many years, but the younger children often miss the opportunities because of distance from their homes.

The All Newton Music School cordially welcomes newcomers to Newton and takes this opportunity to assure them that they may have full information relative to the opportunities and privileges of this organization without any obligation on their part. Miss Chidsey of the Peirce Branch, West Newton (C. N. 0751-W) or Mrs. Worth of the Clafin Branch, Newtonville (N. N. 5256-M or W. N. 1045) will always be glad to answer any inquiries.

Full Registration is scheduled for Tuesday, Sept. 24, at the Peirce Branch, and Thursday, Sept. 26, at the Clafin Branch, from 1 to 5 in the afternoon. The Fall Term begins on Tuesday, October 1st.

## When every Second Counts

• When criminals threaten, think how much more certain are your chances of pressing a button than by calling assistance in any other way. If you try to 'phone, or cry for help, your life may be forfeited. But the criminal can't hear you press a button. He can't hear the Gamewell instantaneous alarm that brings police immediately.

### Aged Man Killed by Auto on Turnpike

Henry Simcock, 76, of 102 Parker ave., Newton Centre, was fatally injured Saturday night about 10:40 while crossing the Worcester Pike near Walnut st., Newton Highlands. He was hit by a car driven by John Oldfield of Holliston. Oldfield reported to the police that he did not see the aged man before the automobile hit him, but he felt the impact and stopped the car. The handle of the right front door had hit Mr. Simcock and had been broken off. Oldfield got into another automobile and overtook a police car in which were Patrolmen Litchfield and Lupien. They radioed police headquarters and the police ambulance came and took the victim to the Newton Hospital where he died at 12:55 a. m. Sunday. He had received severe head injuries, broken ribs and internal injuries. Oldfield reported that he was driving between 25 and 30 miles an hour. The brake skid mark measured 53 feet. Mr. Simcock remained unidentified at the hospital for several hours. On his person was found a poll tax bill made out to his former address at Bothwell rd., Brighton. When he did not return home at a late hour Saturday night, his relatives communicated with the police and were informed of the accident. It was the second fatal accident in Newton this year.

### Woburn Policeman Dies Suddenly

Serg. John McCarthy of the Woburn police came to Newton on Sunday to recover a truck which had been stolen from a Woburn garage, together with a large quantity of automobile accessories. The truck was found abandoned on Dexter rd., Newtonville, on Sunday morning and Woburn police notified. While on the way back to Woburn from Newton, Serg. McCarthy, who had driven the truck's owner to Newton, was stricken with heart disease at the Waltham-Lexington line, and died suddenly.

#### JOHN D. ROCKEFELLER

John D. Rockefeller of 235 Melrose st., Auburndale, died on June 6. He was born in New York State 72 years ago and had resided in Auburndale about 40 years. He had been in the employ of the Boston & Albany Railroad. Mr. Rockefeller was a member of Dalhousie Lodge of Masons of Newtonville. He is survived by his widow, Mrs. Etta Rockefeller; a daughter, Mrs. Brooks Jakeman of Larchmont, New York; a son, Albert P. Rockefeller of Arlington; and two grandsons. His funeral service will be held at Centenary Methodist Church, Auburndale, on Sunday at 2:30 p. m.; Rev. W. Henry Shillington will officiate. Burial will be in Newton Cemetery.

### ATHLETIC NIGHT PLANS ANNOUNCED

Bill Bingham of Harvard Is Guest Speaker

Further plans have been formulated for the Athletic Night to be held at the high school in recognition of the winners of letters in all boys sports. Nearly two hundred boys and their fathers are expected to attend the affair on Tuesday evening at 6:30 when a fine banquet will be served.

The speaking program to follow will be of particular interest with the principal speaker being William J. Bingham, director of athletics at Harvard University. Mr. Bingham is a well-known and popular athletic speaker with a wide experience and a wealth of interesting sports anecdotes, together with a realization of the value of the development of the physical abilities of boys and young men.

The committee in charge is also endeavoring, with considerable promise of success, to secure the presence of another well-known athletic personage who is expected to be in the vicinity of Boston next week. So great is the enthusiasm of the committee in this respect that they are unwilling to reveal his identity.

The Athletic Night is being held under the direction of Frank M. Simmons, head of the department of Boys Athletics, assisted by a committee which includes Donald Enoch, track coach, as chairman of the program committee, and Ralph M. Sanborn, faculty manager, as chairman of publicity.

### BASEBALL LETTERS

The following Newton boys received baseball letters at the Annual Spring Sports Banquet by Coach Hal Chalmers:

Leonard Panella, Bruce Spillman and Manager Richard McLellan.

Edward Christopher, a Junior at Nichols was elected vice-president of the "N" Club.

### Gas Stations

(Continued from page 1)

said his relatives had owned 80 acres of land in the vicinity of the proposed station for the past 40 or 50 years. Most of this land is swamp, and under water much of the year. The locus in question had been used for business purposes for a number of years and a gasoline pump was placed there about 1929 or 1930. He said that the last time gasoline was sold at this locus was between 1932 and 1934. Mr. Elchorn said that until the past couple of years Lagrange st. was very narrow and little traffic went over it. Then the street was widened and now there is considerable traffic over it. He said that residences cannot be built on most of the Elchorn property because of its swampy nature.

Arnold Hartmann of Oak Hill Village spoke in favor of the granting of the permit and gave the opinion that such a use of the locus is proper. A letter of protest was received from Mrs. Rosa Kessler who owns adjoining property.

The second hearing on a proposed gasoline station was on the petition of the Standard Vacuum Oil Company for a permit at 1232-1246 Washington st., the former Mague property. James P. Gallagher, as attorney for the petitioners, explained that the lot would have a frontage of 171 feet on Washington st., the pumps will be back 8 feet from the sidewalk, and a building 60 feet wide will be back 41 feet from the street line.

This structure will contain an office, a lubrication and an automobile laundry. It is proposed to install five underground gasoline and fuel oil tanks at the locus, with a capacity of 9500 gallons.

A letter protesting against the petition was received from Ward Wetherell of 45 Hillside ave., West Newton. He alleges that the station would cause a traffic hazard to children attending the Peirce School.

### Newton Girl Awarded Scholarship at Regis

The College Entrance Examination Board of New York has announced that Elizabeth Farragher of Newton has been awarded a four year scholarship to Regis College. The award was determined by competitive examinations which were held throughout the entire Archdiocese of Boston. Miss Farragher is a member of the senior class of Our Lady's High School. She has been on the Honor Roll of that school during her entire high school career and is graduating next Sunday with highest honors. She has also been very active in extracurricular activities, in a recent spelling contest she was adjudged champion of grade twelve at Our Lady's High School and advanced as far as the semi-finals in the Diocesan-wide contest; she has been a leading member of the Girls' Debating Team of Our Lady's High School and has twice represented her school in Diocesan Oratorical Contests; and she was recently chosen as Class Poet by the graduating class.

Miss Farragher is the daughter of Mr. and Mrs. David J. Farragher of 17 Emerson st., Newton.

### Newton Youths Honored At Williams College

Among the juniors "tapped" at Williams College on May 30 for admission to the senior honorary society—"Gargoyles" were Robert F. Jordan, 2nd, West Newton, and Richard H. Lovell, Newton Highlands.

### ANNUAL JUNIOR HIGH TRACK MEET

Warren Wins Over Weeks In Close Competition

The seventh annual junior high school track meet was held at the Newton high school outdoor track on Wednesday afternoon. The Levi Warren Junior high team with a total of 118 points were judged the winners. Weeks Junior high with 110 points placed second, Bigelow with 67, third and the F. A. Day Junior high with 60 points, fourth.

Seventh grade events included eight heats at 50 yards, a high jump and two 440-yard relay races with each runner covering 110 yards. Each heat in the dash was judged as a final event with points being awarded for first, second, third and fourth.

The same events were held in the 8th grade competition with the exception of the dash which covered 75 yards instead of 50.

In the 9th grade division the sprinting distance was 100 yards and two relays of 880 yards were run with each man competing over a 220-yard distance.

More than two hundred junior high school future athletes participated and numerous thrilling races indicated potential strength for future Newton high track teams. The event also serves to develop a healthy spirit of competition and school spirit as well as the physical development of the boys.

### NEWTON ARCHERS IN SPECIAL TOURNEY TO AID RED CROSS

On Saturday, June 8th, the Newton Archers will hold a white elephant tournament, everyone will bring a prize and everyone take home a prize. A large crowd is expected to shoot and the proceeds will be turned over to the Red Cross as a donation from the Newton Archers.

### Prison Sentence For Three Youths

In the Newton court yesterday Judge Patrick Duane of Waltham imposed sentences on three youths who were captured by Newton police at Auburndale on May 28 after a chase in which shots were fired. Francis Dayish of Medford st., Charlestown, 18, was sentenced to 6 months in Billerica prison for breaking and entering. He also received an additional 3 months for larceny of tools; the sentence to be served concurrently. Timothy Walsh 17, of Main st., Charlestown was sentenced to Shirley Industrial School. All three appealed.

Patrolman McAniff of the Metropolitan police testified that at 3:15 a. m. on May 28 he surprised Dayish at the door of the luncheon building on the reservation near the Weston bridge at Norumbega. Dayish ran away and an instant later a truck started on the footpath along the river only to be abandoned a short distance beyond. In and alongside the truck were tools which had been stolen from a steam-shovel across the river. The occupants of the truck escaped and an hour later the three defendants were captured by Patrolmen Lynch and Lupien of the Newton police a short distance away.

The owner of the truck, Amato Pesce of Everett, testified that he had given Buchanan permission to use it. Patrolman McAniff testified that Pesce had told him, when notified of the arrest of the three youths, that he had not given any of them permission to use the truck.

### Fell Asleep While Driving, Fined \$25

An autoist who fell asleep at the steering wheel of a car was fined \$25 for driving to endanger by Judge Mayberry in the Newton court on Wednesday. Irving Norcross, 22, of 320 Lake ave., Newton Highlands, admitted that he dozed an instant before his car hit a pole on Beacon st. on May 17. He pleaded guilty to the charge.

In the Newton court the same day Judge Lloyd Allen found Carmen Muto of Ashland not guilty of driving to endanger. On May 19 a car driven by Muto collided at the dangerous intersection of Waverley ave. and Franklin st., Newton with a car driven by Robert Wallace of 301 Waverley ave. There is a "Stop" sign on Franklin st. and Inspector Hammell charged that Muto did not stop before turning onto Waverley ave. He testified that Muto had reported that he stopped his car 40 feet west of the sign. Judge Allen found Muto not guilty and commented that both drivers involved should have been prosecuted. Inspector Hammell then said he would ask for a complaint against Wallace. Judge Allen replied that if he did, he would find both drivers not guilty, and let them fight the case out in a civil session.

### Newton Man Goes to School of Banking

George L. White, Secretary of Newton Trust Company will leave here June 14, for Rutgers University at New Brunswick, N. J., where he will return to the Graduate School of Banking conducted by the American Bankers Association to continue advanced study of recent developments in banking.

An advanced school for bank officers, The Graduate School of Banking is attended by 600 bank officers from all sections of the country. Each year approximately 200 new students enter the school and 200 bank officers are graduated upon the completion of the course, which consists of intensive two-week resident sessions at Rutgers University for three successive years and two years of extension work at home under the supervision of the faculty of the school. The writing of a suitable thesis is also required for graduation.

The work of the school covers a broad range of practical subjects in commercial banking, investments, economics, business law, trusts savings and related fields. The faculty of the school consists of university professors, practical bank operating officers and government officials.

Mr. George L. White will be a member of the class of 1940.

### Hearing on Mason Slander Suits.

The Newton court has assigned for next Tuesday the hearing on the suits for \$100,000 brought by Mrs. Verena Mason of 9 Kingswood rd., Auburndale against Grace Chandler and Mrs. Mercer Hincley, both of 26 Page rd., Newtonville. Mrs. Mason alleges that the defendants on divers occasions publicly and maliciously spoke in a slanderous manner about her, causing her to suffer in body and mind and to require constant medical attention. Attorneys for the defendants have filed demurrers stating that the charges made by Mrs. Mason do not state substantially facts necessary to constitute a cause of action and no special damages is alleged.

### Domestic Who Stole Placed on Probation

Pauline Russo of Crescent st., Waltham, was found guilty in the Newton court last Saturday of thefts and was placed on probation by Judge Weston after she had promised to make restitution of \$100 for articles of jewelry stolen from her former employer, Mrs. Dorothy Weston of Groveland st., Auburndale, and \$30 to Rita Cassinelli, a domestic employed at 122 Mill st., Newton Centre. The jewelry stolen from Mrs. Weston and a wrist watch stolen from the Cassinelli girl were sold by the Russo girl for old gold. Mrs. Weston asked the judge not to sentence the girl to prison.

### NEWTON ARCHERS WIN PRIZES AT WORCESTER

In a field of eighty-five archers at the 13th annual spring tournament of the Worcester Archers, held at Clark University Field, Decoration Day, Newton Archers ran off with several honors. Miss Thelma Phillips took high honors in the women's division with a double American score of 175-1035. Mrs. Dorothy Matthews was second with 170-922. In the men's division Bob Goldich finished second with a score of 180-1184. Adrain Matthews was fourth with 179-1169. In the Junior Division Letitia Doten was first with a double junior American score of 170-948. Sally Spofford was 4th with 149-699. In the men's 180 yard Clout Jim Spofford was second with 35-183 and Bob Goldich 3rd with 133-181. Miss Phillips and her sister Mrs. B. M. Harrison tied for first place in the 120 yard clout but Mrs. Harrison got first place honors because she had more hits, their scores were 35-203 and 31-203. Sally Spofford won the Junior 120 yard clout with 26-100. Bob Goldich made a "perfect end" at the 40 yard distance during the American Round, six across out of the shot the nine inch bull's eye—rarer than a "hole in one."

The regular weekly handicap shoot took place Saturday the first, scores were as follows:

First place with handicap:

Men	Score	Han. Tot.
Townsend Cushman Jr.	71-385	489-874
Geo. McCormack	82-434	420-854

## FLAG DAY

In the United States of America today is Flag Day. To all those who love the freedom of this democracy of ours the Stars and Stripes has a special significance—a depth of meaning—akin to none other of any other land. For this country was founded on the principle of freedom. A freedom for which our forefathers gave and gave and gave, that a land of liberty and justice for all might live.

Today on every continent we see either the waste and ravages of a world of carnage or the signs of forthcoming havoc and destruction. We in America must hold high the traditions of the years past. We in America must recognize that we are the last nation upon the face of the earth that has the resources, the ability, and the fortitude to which the world will sometime turn to be led out of the morass in which it now struggles.

To Americans our Flag means more than a symbol of patriotism, for behind that Flag which waves o'er the land of the free is a faith in a just and divine guidance. In a world beset with chaos we oftentimes lose sight of and are unable to understand the meaning of it all. There are times when it seems that even that greatest faith is shaken to the depths of its very foundations. But there can only be one answer—and that is to cling to that faith and hope. For God and country let us cling to that faith and honor our Stars and Stripes with the ever-widening prayer that we may keep our hearts, our minds, and our ideals faced toward that goal.

## Letters To The Editor

### NEW ROUTE NEEDED

To the Editor:

Last Saturday evening we had the pleasure of attending the graduation exercises of the Newton High School at the Dickinson Stadium. The evening being so specially clear and free from rain, as on other occasions, the attendance was wonderful. Every seat was evidently taken and others were standing upon the upper platform. It presented a wonderful cross section of the population of Newton in their love for home, school and country.

When returning to the corner of Hull st. and Walnut st. to take the bus we noticed the unusual number of automobiles parked upon all sides of the adjoining streets and on either side of Walnut st. Then as the traffic began to move the general congestion was quite apparent and it was not for the efficient direction of the Newton Traffic Squad there would have been serious mixups.

While standing there we noticed that great trucks and other vehicles, other than the cars used by the attendants at the graduation, were trying to get through this collection of parked cars.

Then it suddenly occurred to us that this was Route 128 the main highway for the circumferential traffic that has been completed in other sections but stopped in Needham at the Worcester Pike. But this Route 128 was turned by signs so that this cross country traffic was directed through the heart of Newton, past City Hall, the schools, the Newtonville Library and the commercially congested shopping centers of Newton Highlands and Newtonville.

Now last year at the Legislature an effort was made by the Chamber of Commerce, the Improvement Associations and other organizations and individuals to have the Route 128 continued from the present terminus to a new location. This was either given leave to withdraw or laid on the table. Either way resulted in the same result, no relief from this unusual traffic congestion in Newton. Now, one may ask what can be done about it. The answer is that there is another legislature to be held inside of six months and this project should be well planned ahead and with the mayor, The Board of Aldermen, the Planning Board, the Chamber of Commerce, the Improvement Associations of the Villages and other residents along this route a united presentation should be made of the need and reasonableness of this proposition.

We bespeak for a united effort upon the part of all to secure the early consideration and passage of an act to allow the building of 128 in a new location as has been tentatively outlined but not officially adopted. Whether this mentioned route or another we want 128 removed from Walnut st.

HERBERT J. KELLAWAY.

## Speeders Fined In Newton Court

Three automobile drivers who persist in speeding were fined \$25 each in the Newton court on Monday; it being the second conviction of each for speeding within a year. They are—Alvin Mermin, Park Drive, Boston; Harold Bibblian, Worcester, and Lloyd Weinberger, Cambridge. Traffic Officer Cummings was the complainant against all three, and also against five other speeders who were fined \$5 each.

In court on Monday Francis Balboni, 18, of Rice st., Wellesley, was fined \$20 for driving a car so as to endanger the safety of the public. The preceding week his car had hit another automobile at the intersection of Walnut st. and Commonwealth ave., when Balboni disregarded the traffic signal there.

## Arrested For Drunken Driving

Edward Bilski, 25, of 41 Keefe ave., Upper Falls, was arrested Friday night by Sgt. Sheridan and Patrolmen Lapien and Litchfield on the charge of drunkenness and driving while under the influence of liquor. His case was set for June 12.

Lewis Ballard of 259 Homer st., Newton Centre was arrested at 1:15 a.m. Saturday by Reserve Patrolmen McMullen and Salerni on a charge of driving while under the influence of liquor, after his car had hit a mail box at the corner of Langley rd. and Glen ave. His case was continued to June 14.

## Sunbeam Chats

All I hear 'bout these days is "graduation"—my Daddy says "Graduation" shouldn't be just in June but every day 'cause people are always graduating as long as they live—in one way or another. As for me he says I graduate so fast he can't keep up with me—like when I cut my first tooth and took my first step and said my first word—I heard him telling mother he wished it would be as easy to keep all my steps straight as it is my legs—with good food, cod liver oil, plenty of sleep, exercise and play, I wonder what he meant?

## Powers' Paragraphs

Monday, June 10 I listened to two radio broadcasts: one by Sir Alfred Duff Cooper, and one by President Roosevelt. Several hours later, at midnight, 12 a.m. Tuesday, June 11 I listened to the nightly broadcast from London by William Hillman, of Collier's Weekly. The speech by Duff Cooper was an outburst of scorn and indignation of Mussolini and Italy and an assurance of resistance to the bitter end by Britain. It was a fighting speech and a provocative one insofar as the Italians were concerned.

The speech by President Roosevelt was momentous. It officially changed the status of this country from that of neutrality to non-belligerency, and also voiced scorn and indignation for the action of Mussolini and the Fascist government in giving France—as the President expressed it—"A stab in the back."

Several hours later in his broadcast from London, William Hillman took issue with the President and those others who contend that Mussolini's declaration of war against Britain and France is a stab in the back. Hillman asserted that for several years both Hitler and Mussolini had repeatedly proclaimed that they would do just what they have done and are doing in their attempt to gain domination of Europe and the world. Hillman commented that Britain and France had not taken proper measures to prevent Hitler's overwhelming military might.

The unexpected successes of the Nazi forces and the dire straits which France and Britain have been in the past few weeks, resulted in the President and Congress taking action to authorize the expenditure of billions for the defense of the U.S.A. To properly defend this country against aggression (and possibly invasion) by the dictators and their armed forces, not only must the U. S. A. construct thousands of airplanes, and manufacture thousands of tanks and ships as rapidly as possible, but it also must commence to train millions of men without any delay. Train them not for peace, but for war. A war which we hope will not come to this country. But which will come eventually unless the U. S. A. prepares rapidly. In our opinion, the only way in which a sufficient number of men can be given proper military training the next year or so, will be by compulsion. Why delay in starting this training? Why not profit by the mistake of Britain and France? Compulsory military training has been a taboo in our country in the past, but present circumstances compel it. The President and Congress should not delay because of a fear of losing political strength, nor because Mrs. Franklin D. Roosevelt is opposed to compulsory military service.

Dictatorships are responsible for the chaos and destruction which is rapidly spreading all over our world. We do not want a dictatorship here. Congress, therefore, should not relinquish more of its prerogatives to the President.

The other night I listened to a radio broadcast from Ankara, Turkey. Over the air from that far distant capital came the comment that Turkey is not engaging in secret treaties or agreements with any country; that all actions of its government with other countries are public knowledge. Can the Monroe Doctrine be on an increasingly precarious footing. With this country becoming more involved in European affairs, with the President's blast against isolationism, and with the existence of dictatorships in some South American countries, the inclination of those countries to ward Nazi and Fascist influence, the U. S. A. will have a difficult task in enforcing the Monroe Doctrine. Both Hitler and Mussolini have referred to this doctrine and reminded the U. S. A. that if we don't want Europe to meddle in the affairs of the Western Hemisphere, we should not meddle in the affairs of Europe.

## Athletic Night

Evan Johnson, varsity golf coach, Thomas G. Walters and varsity tennis coach Walter Taylor. Varsity ski coach Daniel Willard was unable to be present.

Assistant, intermediate and Junior Varsity coaches attending were Victor Knapman, football; Howard Ferguson, football and baseball; Charles Considine, track; Lamine Boyle, track; Thomas Fitts, football and basketball; Jack Hall, hockey; Herb Clark, tennis and Jerome Cutting, hockey.

Amidst a great ovation the youthful captains of Newton High sports teams were called before the head table and presented to the audience. They were Phil Scanlan, tennis; Duncan Reid, skiing; Brooks Heath, football; Nino Coletti and Anthony Rezzutti, baseball; Thomas Dugan and Walter Hurley, hockey; and Fred Hall, track.

Captain Enoch, chairman of the program committee, introduced the guest speakers of the evening. In presenting William Bingham, director of athletics at Harvard University, Mr. Enoch told of the latter's keen interest in sports and his long and earnest efforts towards the higher ideals for which he stood. Mr. Bingham told numerous stories and incidents experienced in his long association with Harvard athletics and in closing reiterated his beliefs in the continuance of the ideals of sports in victory or defeat. Mr. Enoch then introduced Captain Orlando who entertained with unusual humor.

Captain Fred Hall, on behalf of the track squad, presented Coach Enoch with a beautiful leather cigarette case, in token of the esteem in which the popular Newton mentor is held. Coach Enoch responded briefly.

Principal Paul E. Elicker presented the letter awards to winners of insignia in spring sports. He commented upon the great enthusiasm shown during the evening and spoke briefly of numerous trophies won in the past three years by Newton teams which were displayed along the head table. Newton High is represented in eight sports by nineteen teams and during the passing school year 153 contests have been played with teams

a similar statement be made relative to the U. S. A.?

We hope the Government will accept at once the offer of Henry Ford to manufacture (starting in 6 months) thousands of airplanes weekly. We believe Ford can do it. We also believe that the cost of the airplanes Henry will manufacture will be only a small fraction of what this type of plane is costing the U.S.A. now. When a highly efficient automobile can be sold at retail for well under \$1000, why should airplanes be costing this country from \$50,000 to \$350,000, and even up to \$1,000,000 and more for the flying fortresses? If and when our huge automobile factories make airplanes for the government, the mass production and highly efficient methods used by the motor vehicle industry will rapidly increase the speed with which the flying machines can be built, and as rapidly decrease the cost of building them.

Hitler has gone to the front. Mussolini has gone to the front. But neither has gone and probably will not go to any front where fighting will be so active or hazards present that would endanger the life of either. They will not join suicide squads.

Dorothy Thompson urges this country to go to war; to plunge into the holocaust in Europe. Dorothy recently went to Europe to make a tour of observation and shortly after she arrived there Hitler began the invasion of the Low Countries and the move toward France. Did Dorothy hasten to the embattled regions to assist refugees as have some other American women who are far less acquainted with Europe and its peoples? No; Miss Thompson took the first available ship for the U. S. A. and safety. But, she claims that the young men of this country be sent over to be added to the millions of those who lie dead and mangled in or on the battlefields of Europe, and she wants the U. S. A. to be hurled into the vortex which has or will destroy much of Western civilization.

In contrast to Dorothy Thompson's hysterical plea, ours to join the fight is the sane, informative article in Liberty's June 15 issue written by Herbert Hoover under the title—"Two Great Reasons Why We Must Keep Out of the War". We urge all our readers to read this article by our former president. The knowledge and experience of Herbert Hoover in world affairs (including the World War) should and will carry more weight with the people of the U. S. A. than the gushing of Dorothy Thompson.

The Monroe Doctrine is on an increasingly precarious footing. With this country becoming more involved in European affairs, with the President's blast against isolationism, and with the existence of dictatorships in some South American countries, the inclination of those countries to ward Nazi and Fascist influence, the U. S. A. will have a difficult task in enforcing the Monroe Doctrine. Both Hitler and Mussolini have referred to this doctrine and reminded the U. S. A. that if we don't want Europe to meddle in the affairs of the Western Hemisphere, we should not meddle in the affairs of Europe.

Of other schools. Of these 153 contests 112 were won, which including several tie contests stood for an average of 84 per cent. In these eight different sports there were five championships won in varsity competition.

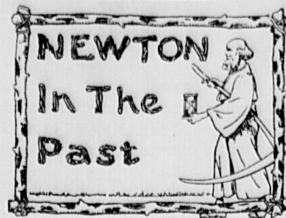

The hockey team won the Greater Boston Interscholastic League title, the tennis team won the State Interscholastic team title and also had prospects of providing the individual state champion in Captain Scanlan; the golf team won the State Interscholastic title at Sandy Burr last Friday, defeating Beverly High; the basketball team won the Suburban league title during the winter season, and the ski team, although not in league competition, was by far outstanding in this sport in the entire state. Mr. Elicker commented upon the fact that the track team, always a contender for high honors, was second in competition during the past season and furnished an individual state champion in Paul Hines, winner of the Dickinson Athletic memorial cup at the graduation exercises received a big ovation.

Prior to the close of the affair Superintendent Warren announced that assistant principal Raymond A. Green had been elected a few minutes earlier to the position of principal from which Mr. Elicker was retiring. Members of the school committee had retired from the athletic night program to attend a special meeting of the school committee.

In closing the evening Director Simmons expressed his appreciation for the assistance given him by the various committees. He spoke briefly on the work of the coaches and presented figures showing that the coaches of the various teams had spent a total of nearly twenty thousand pupil hours, outside of school hours, in practice and games. He invited those in attendance to be present at future athletic nights.

## Painter Injured In Fall off Staging

Fred Bates of Howard st., Quincy, injured his left knee when he fell last Saturday from a staging at 961 Beacon st., Newton Centre. He was at work painting the building when the staging collapsed. He was taken to Newton Hospital in the police ambulance.

55 YEARS AGO

Newton Graphic, May 30, 1885  
The voice of the pedler is now heard in the land.

It is really refreshing to hear the music of the clicking lawn-mowers. We feel surer than ever that summer is at hand.

Ice and gas are two expensive necessities in our city and always will be until a healthy competition is allowed to make things as they should be.

Joe Parker, a colored preacher from Virginia, who was a slave for 30 years, addressed the Channing Sunday school last Sunday to solicit funds to pay off the debt on his school.

Some of our Newton boys have been seen throwing stones at the trains at the Richardson street crossing. "A rod for the fool's back" is a wise saying and worth adopting by wise fathers. Witch hazel is a curative.

An Italian organ-grinder was arrested at the Catholic Church shed on Wednesday night, he having turned in for a night's sleep. It has become a custom of late for vagrants to utilize this building, and it is considered unsafe to allow its continuance.

Free entertainments are cheaper than even the famous, successful dime entertainment given two years ago. Amusements without money and price are what the Kickapoo Indians Medicine Company started to give last Thursday evening (June 14) in this village (Newton). Sugawa, Bit, is the cat in the meal this time, at \$1 per bottle but that does not interfere with the enjoyment of seeing the show.

Alderman Henry of Ward 7, chairman of the finance committee has demonstrated his ability to borrow money at a very low rate. Last Saturday he borrowed \$100,000 for the city at two and seven-tenths per cent interest, on 6 months. If he is to be our next Mayor we confidently believe he will find means to reduce our taxation.

Albion Clapp of Wellesley seems to have the right idea as to how to make old buildings pay. He bought the old laundry block on Brook st., and remodeled it into three first class tenements which are models of neatness and convenience. Two of them have been rented on 3 years' leases.

It is understood that the Orthodox church at Newtonville is to have a paid choir, with talent of a high order.

Phineas Allen of West Newton died Monday night after a short illness at the age of 83. In 1818 he commenced teaching in Sherborn, having received a certificate from the minister of that town. He was then only 17 years of age and his oldest pupil was only a year younger. The wood he used for heating the one-room school was fully 3 feet long. The following year he taught in Northboro. In 1821 he entered college at Cambridge and the previous day he had walked from Northboro to Boston, a distance of 30 miles. After being admitted to Harvard, he walked back again to Northboro. Students at the university in those days were permitted to be absent from classes during winter months to engage in teaching, and Mr. Allen took advantage of this, teaching in Chelmsford (now Lowell) the first winter. In 1860 he came to West Newton and had since taught in the West Newton English & Classical Schools. He was the oldest teacher in this State in active service.

Musical critics from other places are amazed at the proficiency of the new choir of Grace Episcopal Church. The pronouncement Mr. Day's success as a trainer to be phenomenal, no like instance being known in this region. Large congregations are present at every service.

Three young girls of Centre st., Newton, have contributed \$14.75 to the Fresh Air Fund. This sum they raised by gathering flowers on the grounds of their own homes mornings and selling them to passersby along the road in front of their homes before school hours.

At the meeting of the Common Council on Monday night Councilman Bates introduced an order calling for the appointment of a joint committee to study the matter of establishing and maintaining one or more public bath houses in this city.

The Newton Boat Club held a reception and concert at its clubhouse at Riverside on Wednesday evening. Long lines of Chinese lanterns were suspended from the clubhouse along the walks to the street, also across the balcony and around the piazza in the rear. The Boston Ideal Banjo, Mandolin and Guitar Club gave a concert. On account of the dampness the parade of the boats along the river was not held.

The location of the new fire-engine house at Newton Highlands has been staked out at the junction of Boylston and Cook sts. and work on the building will commence soon. An appropriation of \$16,500 has been made to meet the expenses.

spring message to the class on "The Future in America." Dr. Stockdale saw advanced scientific methods carrying the world and civilization to new heights with members of the class before him contributing in many ways the leadership and advancement which must come. Dr. Stockdale was introduced by Superintendent of Schools Julius E. Warren.

Following the presentation of the senior cups Harold W. Knowlton introduced Mayor Paul M. Goddard who gave a brief address on "What's Ahead." Concluding his address Mayor Goddard presented diplomas to a group of members of the class selected to act for their classmates. The class and audience sang a verse of "America" and the exercises concluded with the benediction by Dr. Brown.

The dispersing of the class provided one of the most striking scenes. The group of members with the diplomas proceeded to positions marked in a semi-circle behind the speakers' platform. Assisted by members of the faculty they presented the individual diplomas to the proper recipient as the class filed out of the stands to their proper positions. As dusk settled over the impressive scene members of the class ran, walked or strolled slowly, greeting friends here and there, across the campus to the quadrangle between two of the high school buildings where an informal reception was held by the faculty.

In addition to the special honors and prize awards mentioned other scholarships and prize awards were announced as follows:

## Our Lady High School Holds 45th Graduation

The 45th Commencement exercises of Our Lady's High School, Newton were held on Monday night at Our Lady's Church. The baccalaureate sermon was given by Rev. John E. Murphy, S.J., professor of Celtic language and history at Boston College, and a graduate of the school. The diplomas were presented by Rev. John A. Sheridan, pastor of the church. George P. King, son of Mr. and Mrs. Patrick King of Lewis street, Newton, was awarded a four year scholarship to Boston College. He also was awarded the American Legion Auxiliary Scholarship. Elizabeth Farragher of Emerson street, Newton, daughter of Mr. and Mrs. David Farragher, was awarded a scholarship to Regis College.

A solo was sung by Ruth J. Gauvreau and the exercises closed with solemn benediction.

The members of the graduating class, 15 boys and 31 girls, were:

Frederick Joseph Arsenault, Carmen D. Cardarelli, John Francis Cronin, Joseph Eugene Dunn, William Edward Dunn, Anthony Francis Finelli, Anthony Joseph Grelia, Francis Joseph Kiley, James Joseph Kiley, George Patrick King, Albert Gerard Moore, William Robert Stokes, Nicholas Francis Tedeschi, Harry Boland Waters, James Taylor Whelan.

## Y. M. C. A.

The managers of the Newton Inter-Church Softball League, sponsored by the Newton Y. M. C. A., met Monday evening at the "Y" when a constitution was adopted officers elected and the schedule accepted. The officers are Chester L. McClintock, president, and Richard B. Simmons, physical director of the Y. M. C. A., secretary-treasurer. Playing in the league is limited to those men who are in their twenty-fourth year or over, and are members or attendants of the church which they attend, or are members of organizations within the church. All games are scheduled to be played on Wednesdays, with the exception of postponements, and will start at 6:30 P. M. Each team is allowed a players' list of twenty which must be given to the secretary before June 19th. The schedule follows:

The Newton Y. M. C. A. track team, led by Coach Henry C. Pierce, successfully defended its Two-State championship by winning 49 points in the outdoor championships held Saturday in the Memorial Stadium in Lawrence. First places were won by Bob Hunt in the 880 yard run in 2 min. 46 sec.; Herb Cornell in the mile run in 4 min. 38 sec.; Gene Kelley in the 5 mile run in 29 min. 1 sec.; and the relay in 3 min. 33 sec. by Bob Stewart, Herb Cornell, Bob Hunt, and Art Linthwaite. Other points were won by Johnny Morris, third in the 100 and 220 yard dashes, Art Linthwaite, second in the 220; Gene Kelley, second in the 440; Gene Kelley and Win Ballantine, second and fourth in the mile run; Win Ballantine, Dick Taylor and Bill Thompson, second, third and fourth in the 5 mile run; Dick Whipple and Jim Swim, tied for second in the high jump; Dick Whipple, third in the shot put; and Jim Walsh, fifth in the broad jump. Gerald Mee placed second in the boys' half mile for the only Newton score in the boys' meet.

The Newton Y. M. C. A. tennis team, under the management of Arthur Jacobs, defeated Winchester 5 to 2 in its initial match Saturday afternoon at the "Y" courts, in the Old Colony Tennis league.

Coach Henry Pierce of the track team has entered a strong team in the New England A. A. U. championships being held at the Massachusetts Institute of Technology field this Saturday. The team is composed of Art Linthwaite, Johnny Morris, Jim Walsh, Johnny Williams, Bob Stewart, Gene Kelley, Bob and Ivan Hunt, Win Ballantine, Dick Taylor, Bill Thompson, Dick Whipple, Jim Swim, Tom O'Connor, Wilfred Pouliot, Dick Hayes, Herb Cornell and Gerald Mee.

## Hats Off! The Flag Is Passing By

Hats off! Along the Street there comes  
A blare of bugles, a ruffle of drums,  
A flash of color beneath the sky:  
Hats off! The flag is passing by.

From "The Flag Is Passing By"  
By Henry Holcomb Bennett

WHAT a picture it makes. A precious gem of star-spangled bunting that carries in its folds all the aspirations of America . . . it means more to 135,000,000 Americans than all the gold buried under Fort Knox, all the skyscrapers from New York to San Francisco.

And along the Avenue as the flag goes by, hearts beat faster . . . pride grows stronger . . . Liberty and

justice are marching . . . The American Way is on parade.

The American Way . . . the way of peace and justice. The American Way . . . threatened today by foreign-inspired "Fifth Column" groups seeking to create confusion, inaction and panic . . . to disrupt our national unity by setting race against race, class against class, religious group against religious group.

As dark clouds hover over the world, our flag is more precious to us than ever. Stronger than traitors . . . it is our bulwark against foreign armies and foreign "isms." Stronger than Communist, Nazi or Fascist . . . strong as democracy itself.

Our hats are off, our hopes ride high, our hearts go with it, as the flag goes by.

### Hold Party To Aid French-British Relief

Dr. and Mrs. Van Gorder, of 70 Burdett rd., Newton Centre, opened their home last Saturday evening, June 8, to a group of friends to whom they wished to introduce a comparatively little-known organization—the French and British Relief Funds. The immediate object of the meeting was to aid in getting money for dried milk to be sent to starving babies of France and the evacuated countries.

Entertainment of a varied and amusing character was presented by a group of young people, friends of Miss Van Gorder, in the form of three dances. Dr. Havali, Professor of Philosophy in the University of Bombay, described the generous action of India toward England in postponing all

agitation for "dominion status" and in sending 250,000 soldiers as well as large sums of money for immediate help in the conflict.

Mrs. Malcolm Green, former Chairman of the International Relations Committee of the Newton Federation of Women's Clubs, gave an account of the "F. B. R. F." and Dr. Brewer Eddy movingly described the need for help—"one little town of 3000 inhabitants is somehow sheltering 90,000 refugees." At the close of the meeting cash contributions were received and blank checks were circulated for those who wished to give larger sums. The Massachusetts Chairman is the Hon. Gaspar G. Bacon. Further information can be had from Mrs. Van Gorder, chairman of the Newton Committee.

### Waban Community Club Holds Garden Party

The Waban Community Welcoming Committee of which Mrs. Charles Clark is president, gave a very successful party to all Waban new comers of the past few months and some of the older residents. Originally it was planned to be at "The Spruces" in the garden of the very attractive home of Mrs. Clark of Dorset rd., but inclement weather prevented holding the affair at the Union Church in Waban.

A dessert luncheon was served at 1:30 followed by the following speakers: Mr. Rupert E. Thompson, secretary, Newton Chamber of Commerce; Mr. John J. Quinn, sales manager Boston Consolidated Gas Company; Mr. Liscomb A. Bruce Jr., executive director, Newton Community Chest and Council; Mr. Charles E. Bailey, executive secretary Newton Taxpayers' Association, Inc. This was followed by an hour of bridge with table prizes and also a prize for highest score.

A dance revue was presented by the pupils of the Kathryn Pope School of the Dance and a solo by Miss Pope.

### Flag Week

By Lt. Colonel Bernard L. Gorkinkle  
26th (Yankee) Division, American Expeditionary Force, Jewish War Veterans of the U.S., Commander, Newton Post No. 211

Hats off! Salute! The flag is passing by—What a thrill: what a picture it makes. Automatically your bat comes off; no one near you has to poke you in the ribs to doff your hat, for you well know that liberty and justice march under this symbol, and that it is the emblem that confirms your freedom.

What a beautiful sight it made when it flew on the huge fort opposite Coblenz in Germany. Would that it had left a permanent reminder to the Germans just what it stood for in this country.

With a view of keeping and awakening our people to that patriotic fervor which it sometimes is necessary to arouse, Flag Week is being observed from June 8th to June 14th. Patriotic exercises will be held in schools and public places everywhere and there will be other activities whereby we, the American people will give expression to our love of America, our pride in its glorious history, our devotion to its ideals of democracy and our determination to uphold them and preserve them, more particularly now and forever.

We, whose parents and grandparents were fortunate in taking the boat in time, need give only a second's thought to the plight of those in Europe that unfortunately missed the boat.

There are so many ways of observing Flag Week, not alone by proudly displaying a flag from your house or in the window, but by giving solemn and deep thought to your patriotism, and further demonstrating it by a patriotic deed. If you have children discuss with them the wonderful privileges of this land, donate to the Red Cross or some worthy charity; promise to properly conduct yourself socially and in business so that the other patriots will not complain and above all stand behind your leaders that have the good of this country and its future wholly at heart.

If you have a son, of eligible age, and if circumstances permit, I know of no greater patriotic spirit than military training of some type. Commencing with the boy of high school age, what is more beneficial than a month of summer training, out in the open; all food and expenses paid; an opportunity to take the hump out of his back, broaden his shoulders, deepen his chest, develop and train his muscles and his mind. Such is the privilege granted by the (CMT) Citizens Manual Training Camp which is in your district.

For the older young fellow, there is the National Guard with weekly drills and summer tours of duty. I know from experience of the true friendships created which endure for life, and the exceptional facilities for advancement as one becomes more acquainted with the requirements. It is a great means of broadening oneself and preparing for the battle of the future as one rubs shoulders with the laborers, college students, teamsters, bankers and men of all classes and types.

A term of enlistment in the Regular Army is an education that no college can develop. Here one may improve his technical training and general education, without worry about the cost of clothing, food or rent; no doctor's bills or dentist's bills; no loss of pay because of bad weather or sickness and no charge for travel expenses to distant lands or garisons. If there is a desire to remain in the service, there is room at the top for the capable and ambitious, and enlisted men, of any grade whatever, may compete for commission, or for appointment to West Point, provided they are within the prescribed age limits.

Our girls can volunteer with the local Red Cross which has plenty of work for experienced automobile operators, bandage makers, solicitors and other useful occupations.

My Countrymen, let us show our colors.

In these days of uncertainty and apprehension, foreign "isms" through their well financed pernicious activities; the crack pots with their selfish instincts; the false prophets with personal ambitions; the thousands that would make anti-Semitism the common denominator for all ills of this country; these are leaving no stone unturned to discredit and destroy our American Flag.

Let us answer this challenge by proudly displaying that Flag during Flag Week and thereafter. Let us be united of opinion and unity of purpose. Let us not know the tragedy which has dogged the allies at every step—the tragedy of being always too late. Let us demonstrate our patriotism, we have it in our hearts; bring it out into the open, and as a flag marches by:

Hats off! Along the street there comes a blare of bugles, a ruffle of drums, A flash of color beneath the sky: Hats off! The flag is passing by.

### Brighton Youths Try To Steal Car

The proclivity of certain Brighton youths to steal automobiles was again evidenced on Wednesday when two from that district were captured after they had attempted to steal an automobile parked on College rd., Chestnut Hill. A neighbor observed them trying to force open the window of a car owned by Alice Kelly, Johnson ave., Winthrop. She notified a passing motorist and he informed Patrolmen Halloran and Doherty who were in a cruising car on Commonwealth ave. Near Lake st. the police came upon Joseph Dugan, 22, of 327 Faneuil st., Brighton, and Edward Kelley, 16, also of Faneuil st. Dugan's right hand was cut as a result of hav-

ing tried to force open the wind deflector in the car window. The two were arraigned in the Newton court on Wednesday and their cases continued to June 21.

### Burton Retires As Asso. Secretary of Newton Y.M.C.A.

It was announced this week that Walter S. Bruton, associate general secretary of the Newton Young Men's Christian Association since September 1920, will retire on September 1st. The board of directors of the Newton Y. M. C. A. has accepted Mr. Bruton's retirement with regret. The general secretary, Kenneth S. Dale, in commenting on Mr. Bruton's retirement, made the following statement:

"Walter S. Bruton has all the qualities that make an excellent Y. M. C. A. secretary. It is a source of regret to me to know that he has reached retirement. It will probably surprise many of our members to learn that Mr. Bruton has reached this point. He is a wonderful example of what good physical care and the right mental attitude can do to keep a man youthful and vigorous. Since coming to Newton I have heard praise on all sides for his sterling Christian qualities. It is characteristic of him that although he was eligible for retirement earlier he very considerably waited until the new general secretary had become more familiar with the community before accepting the retirement to which he was entitled. The entire board, as well as myself, will accept his leaving our active ranks with genuine regret. It is good to know, however, that he can now enjoy leisurely some of the fruits of life which he so richly deserves."

Mr. Bruton entered the service of the Young Men's Christian Association during the World War. He was active in the Y. M. C. A. work at Fort Banks and also with the men in the Merchant Marine at East Boston. Following the close of the War Mr. Bruton became the industrial secretary at the Y. M. C. A. at Quincy, Massachusetts, from which he came to Newton just twenty years ago. Here he has served as associate to Harry W. Bascom until Mr. Bascom's retirement in March of the current year. Since that time Mr. Bruton has served as associate secretary, Kenneth S. Dale. His duties at the "Y" have been supervision of the Y. M. C. A. office, membership promotion, and special responsibility for the public speaking class, discussion groups, and other educational projects from time to time.

### Two In Court For Reckless Driving

Washington st. is a wide thoroughfare, but, according to testimony given by two automobile drivers in the Newton court last Saturday at a hearing before Judge Weston, it wasn't wide enough for one car to pass another without both drivers allegedly trying to force each other's car off the road. Richard Yousufian, 24, of Worcester, was charged with a complaint against Frank Luchette, 25, of 19 Mague place, West Newton, because he alleged that on May 22 as he was trying to drive his car by Luchette's car on Washington st. near Walker st., the West Newton man steered in his direction. Luchette charged that Yousufian was the offender and not him. Judge Weston ordered charges of driving to endanger issued against both complainants.

On the day in which the episode occurred, both drivers stopped their cars, Yousufian alighted from his and advanced threateningly toward Luchette's car. As the latter was closing the door window in his car, the Worcester man took a wallop at Luchette and broke the glass, cutting his hand and Luchette's face. Police arrived at the scene and took both to police headquarters. Yousufian was charged with assault at the time and later fined \$10.

### Suspend Licenses Of Beer Places

The licenses of two beer dispensaries in this city were suspended for one week by the Newton License Commission following hearings conducted by the commission on Thursday night, June 6. The places disciplined are the A. & M. Lunch at 1288 Washington st., West Newton, owned by Mrs. Margaret M. Kennedy, and the Depot Lunch at Oak st., Newton Upper Falls, owned by Mrs. Mary Medala.

Commissioner William Glidden, and Sergeant Patrick King of the Newton police made a tour of the beer drinking places in the city on May 29. They charged that at the A. & M. Lunch beer was served to a customer already under the influence of liquor and that there was too much noise at the place. They stated, however, that Mrs. Kennedy, the owner, was not present at the time. The charge against the Depot Lunch was that beer was served to a man already under the influence of liquor. When the sale was made, Anthony Medala, manager of the place, was present. Both suspensions will take effect on Saturday.

'Give the Dew a Chance'

"Give the dew a chance. Try it for a week," pleaded Capt. S. J. Parker, the government's chief inspector of physical training, in a speech in Orrington, England. "We would all benefit permanently in our general health," he continued, "if we spent with discretion five or ten minutes every morning barefooted on the grass carrying out simple but purposeful movements, such as walking and arm, leg, trunk and breathing exercises."

### Election Officers On Two Shifts

A new system of employing election officers at voting places in this city will be put into effect at the State primaries next September. Men and women employed as inspectors at the voting places will work in two-shifts. Heretofore the inspectors were supposed to be on duty (except for meal hours) from the opening of the polls at 7 a.m. until all the votes were counted and tabulated late that night, or the following morning. Under the new arrangement one set of inspectors will go on duty when the polls open at 7 a.m., and remain on duty until the polls close at 8 p.m. Those working on this shift will receive \$6. The second shift will go on duty at 8 p.m. when the polls close, and count the votes. They will receive \$4 each for this work. Heretofore the inspectors received \$10. Wardens and clerks of precincts will work as heretofore, from the opening of the polls until the votes have been counted. They will continue to receive \$12 each. The new system will necessitate the appointment of many additional inspectors.

### Automobile Accidents

A car driven by Mrs. Meredith Barthold of 200 Islington road, Auburndale, while making a turn into that street from Commonwealth avenue on Monday afternoon was hit by a car driven by Harry Trask, 17 of Natick. She reported to the police that Edward Friery of 2350 Commonwealth avenue, who was riding in her car, received a head injury when he was thrown against the windshield.

Louis Pagano of Needham Heights reported to the police on Monday that while he was standing behind his car on the turnpike near Langley road, he was hit by a car driven by Emily Lovell of 144 Ridge avenue, Newton Centre.

Automobiles operated by Wayne Dow, 27, of 240 Harvard circle, Newtonville, and Harold Richardson, Jr., 19, of 36 Wilde rd., Waban, collided Saturday at the dangerous intersection of Harvard st. and Newtonville ave. Dow's car then hit a pole and overturned. Dow reported that he was injured. Jean Duff, 17, of 119 Lowell ave., Newtonville, who was riding with Richardson, was also reported as having received injuries.

### Newton Men Will Attend American Bankers School

Francis L. Buswell, Treasurer of the Newton Savings Bank, will leave here June 16, for Rutgers University at New Brunswick, N. J., where he will enter the Graduate School of Banking, conducted by the American Bankers Association. He will begin advanced study of recent developments in banking. An advanced school for bank officers, the Graduate School of Banking is attended by 600 bank officers from all sections of the country. Each year approximately 200 new students enter the school and 200 bank officers are graduated upon the completion of the course, which consists of intensive two-week resident sessions at Rutgers University for three successive years and two years of extension work at home under the supervision of the faculty of the school. The writing of a suitable thesis is also required for graduation. The work of the school covers a broad range of practical subjects in commercial banking, investments, economics, business law, trusts, savings, and related fields. The faculty of the school consists of university professors, practical bank operating officers, and government officials. Mr. Buswell will be a member of the class of 1942.

### NEW SERVICES

Atwood's Camera Shop announces the installation of their own photo-finishing department where superior work will be done at regular prices. They will also do ultra fine grain developing and special enlarging including the making of prints suitable for entry in the many contests that are being advertised daily and also salon prints.

You will find a full line of cameras, photographic supplies and accessories of all kinds at Atwood's Camera Shop and the prices are right.

They have a special amateur home movie department with all the latest equipment and film. They are especially featuring the new Cine-Kodak magazine 8 mm. camera with an F-19 lens—Eastman's latest product—small and compact using both the regular panchromatic films and also color film.

Mr. Atwood says "Bring your photographic problems to us where you will always find someone ready and willing to help you. This includes movie making problems of all kinds. We do etching, splicing, filling and our new projection room is at your service."

### Whisky-Jack

Cheekiest thing in feathers beyond any question is the gray bird known variously as whisky-jack, camp-robber, meat-bird and (more correctly) Canada jay. He is as great a thief as his noisier and gaudier cousin the bluejay. He'll steal your food or camp cutlery from under your very nose, chuckling and talking gently the while, as though it were all just a good joke. Yet this picturesque rogue is popular in the Big Woods; any Canadian camp cook will tell you it's good luck to have a whisky-jack around.

### South American Rubber

Experts estimate that the Amazon basin contains 300,000,000 wild rubber trees that never have been tapped.

## Have your mortgage TAILORED TO FIT your own personal needs

Don't commit yourself to a mortgage plan that does not meet your own particular situation. Investigate all possibilities and choose the one that suits you best.

Visit this bank. Here, in a local institution, local men who know local conditions best will be glad to advise you. A savings bank mortgage is one of the simplest and most inexpensive.

Consider these advantages:

ETHEL W. SABIN

Miss Ethel Wheeler Sabin passed away on Monday, June 10th, at the home of her sister, Mrs. John A. Gould, in Newton Upper Falls, where she had lived for many years. Miss Sabin was born in Gardner, Mass., 66 years ago and graduated from Cushing Academy in Ashburnham. With a keen interest in social work, and a clear understanding of the problems brought by natives of other lands, she found a place as "Minister of Foreign Relations" at the great Saco-Lowell shops in Newton, and remained there during 30 years. At this post her warm interest, and ability to get things done, endeared her to hundreds who were struggling through their first years as strangers in a strange land. During the past decade she had been on the administrative staff of the Deaconess Hospital. Miss Sabin was a member and past president of the Newton Upper Falls Woman's Club, a member of the Methodist Episcopal Church of that village, and of the Women's Republican Club of Massachusetts. She was chairman of the Newton Upper Falls branch, American Red Cross, from its inception to the year of her death. Her funeral service was held on Wednesday at Upper Falls Methodist Church and interment was at Gardner, Mass. Miss Sabin is survived by her sister, Mrs. John A. Gould, of Newton Upper Falls, and a brother, Edwin A. Sabin, of Boston.

WINFIELD S. SMYTH

Winfield S. Smyth of 417 Newtonville ave., Newtonville, former president of D. C. Heath & Company, publishers, died on June 8. He was born in Cazenovia, New York, 67 years ago and attended Leland Stanford University and the University of Chicago. In 1896 he became associated with the D. C. Heath Company as foreign language agent, and from 1898 until 1910 was assistant manager of their Chicago office. Subsequently he was treasurer and vice-president of the company and in 1927 became its president. He retired in 1937. He had travelled extensively in this country and abroad.

Mr. Smyth was a life member of Dathouse Lodge of Masons and Gethsemane Commandery, K. T., and a member of the Cryptic Council; Brae Burn, City, Commercial and Union Clubs. He is survived by his widow, Mrs. Joan (Slote) Smyth; two daughters, Mrs. Gerald L. Carper of Waban, and Mrs. Edmund L. Gamble of Cambridge; and a son, John Scott Smyth of Wellesley Hills. His funeral service was held on Wednesday at Central Congregational Church, Rev. Randolph Merrill officiated. Interment was in Rose Hill Cemetery, Chicago.

MARY T. CAHILL

Mrs. Mary T. (Cronin) Cahill of 31 Lexington st., West Newton, wife of William M. Cahill, died on June 9 at Cardinal O'Connell House, Brighton, following a long illness. She was born in Glenville, County Cork, Ireland, 75 years ago, and had resided in this city over 50 years. She and her husband observed their golden wedding on June 2, 1939. She was a member of St. Bernard's Court, M. C. O. F., and Court Genoa, C. D. A. Mrs. Cahill is survived by her husband; two sons, William M. Cahill, Jr., treasurer of the Newton Trust Company, and John J. Cahill, assistant treasurer of the Newton Trust Company; a daughter, Mrs. Mary Lanagan of Auburndale, and two sisters, Mrs. James Linane of Arlington and Mrs. Annie Hennessey of Brookline. Mrs. Cahill's funeral service was held on Tuesday morning at St. Bernard's Church, West Newton. Burial was in Calvary Cemetery, Waltham.

JOHN J. JOYCE

John J. Joyce of 8 Hersey st., Newton Highlands, died at the Newton Hospital on Thursday, June 6, following a two weeks' illness.

Mr. Joyce is survived by his wife, Mrs. Anne M. (Deasy) Joyce; four sons, John J. Joyce Jr., of Bremerston, Washington; Thomas P. Joyce of West Newton; Andrew W. Joyce of New York City; Joseph L. Joyce of Newton, and five daughters, Mrs. Joseph Joyce, Newton; Mrs. Dean Hamilton of Chicago, Ill.; Mrs. Archie J. McFayden, and Mrs. P. Joseph Delvin of Waltham. Mrs. George Braceland of Newton Upper Falls, also by several grandchildren.

Funeral services were held from his late home on Saturday followed by a solemn high mass of requiem at the Mary Immaculate of Lourdes Church, Newton Upper Falls. Mr. Joyce was a member of the Holy Name Society.

Burial was in the Needham Cemetery.

FREDERICK S. CONVERSE

Frederick S. Converse, an outstanding figure in the field of American music, died at Westwood on June 8. He was born in Newton 69 years ago, the son of Edmund W. and Charlotte (Shepard) Converse. He attended Newton High School and Cutler's School in Newton and graduated from Harvard in 1893 with highest honors in music. From 1896 to 1898 he studied at the Royal Academy of Music at Munich, Germany, graduating with high honors. He then was a member of the faculty of the New England Conservatory of Music for 2 years and from 1901 until 1907 was associated with the department of music at Harvard. He returned to the faculty of the New England Conservatory of Music and from 1921 until 1938 was its dean. Mr. Converse composed hundreds of musical works including six symphonies and several operas. Two of the latter were performed by the Boston Opera Company, and one by the Metropolitan Opera Company. He was a member of the American Academy of Arts and Letters. Mr. Converse is survived by his widow, Mrs. Emma (Tudor) Converse, and by five daughters. His funeral service was held on Tuesday at St. Paul's Episcopal Church, Dedham, of which he had been a warden. It was conducted by Rev. Thomas W. Chappell, assisted by Rev. ## Newton High 1895 Hold Reunion

The Class of 1895, Newton High School, held a 45 year reunion on Friday, June 7, at the Hunnewell Club, Newton. Sixty-five persons were present, of whom 51 were members of that class. Principal Paul E. Ellicker and Miss (Aunt) Emma Johnson were guests. Miss Johnson, a very popular teacher at Newton High during the 90s and the early years of this century, was retired many years ago. She is now a resident of Newtonville. Clarence V. Moore, chairman of the committee which arranged the affair, presented Hon. Edwin O. Childs as toastmaster. Mrs. C. Hooper Warren presented a bouquet to Miss Johnson and read a poem praising the former teacher. Principal Ellicker contrasted the large classes in recent years at the school with those of the 90s. Charles F. Johnson, class statistician in 1895 read extracts from those statistics. Albert S. Partridge read a poem he had written for the occasion, and Senator Arthur W. Hollis spoke, taking the class motto for his subject. Fred Melcher of Montclair, New Jersey, was the principal speaker, and reminisced on occurrences during the four years the class was at Newton High.

A reflectoroscope threw on a screen over 100 graduation photographs of the class and group photographs showing class clubs and members in grammar school classes. It was voted to hold another reunion in three years and a committee was elected. Clarence V. Moore is chairman; Mabel F. Melcher, secretary; treasurer; and the other members are Miss Jeannette Kenrick, Edwin O. Childs, Irving C. Paul.

## Memorial Mass for Newton Firemen

Members of the Newton Fire Department participated in a memorial mass at Our Lady's Church, Newton, on Sunday. The firemen, 42 in number, marched from Engine 1 house to the church, headed by Chief Randlett and Deputy Chief Seaver. Lieut. Henry Murphy was chairman of the memorial day committee. The sermon was preached by Rev. John Sheridan. He characterized firemen as "sentinels of peace time" and said that while creators of war and havoc are foremost in the public mind, firemen are not appreciated.

Following the memorial mass, delegations of the firemen proceeded to various cemeteries and decorated graves of former Newton firemen. It is planned to dedicate a memorial tablet on the memorial day next year.

## Veteran Letter Carrier Retires

Timothy J. Sullivan, for 24 years a letter carrier at the Newton postoffice, was retired on a pension on May 31, having reached the age limit. During his long service in Newton he had delivered mail in the Nonantum section. Mr. Sullivan, who resides at 32 Holburn st., Roxbury, was born in that district 65 years ago and had been 40 years in the postal service. Joseph O'Gorman, superintendent of the Newton postoffice, praised Mr. Sullivan as a loyal and efficient carrier. He was never absent a day from duty, and even on the day of the blizzard the past winter he walked from Roxbury Crossing to Newton, and took what mail was on hand for his route out, and delivered it.

## Shows Gold Tooth To Prove Assault

David Evans of 1 Robin Hood street, Auburndale, was in the Newton court on Wednesday charged with assault and battery on Winfred Graves, also of that address. As evidence that Evans had assaulted him, Graves produced a gold tooth which he testified Evans had knocked out of his mouth. Evans was also charged with larceny. Graves accusing him of having stolen a few garments which were parts of his chauffeur's uniform. The alleged assault occurred on Tuesday. According to Evans, he found Graves asleep at their residence, and when he awakened the complainant, Graves hit him first. According to Graves, he was hit by Evans with a bottle. Graves testified that he left the house after the scrap and when he returned his clothing had disappeared. Judge Weston continued the case until Saturday to allow the police to produce a witness who allegedly saw Evans with the missing garments.

JAMES J. LEAHY

James J. Leahy of 63 Pleasant st., Newton Centre, died on June 10th. He was born in Chelsea 49 years ago and served with the Coast Artillery during the World War. He had been engaged in the ice cream business. His funeral service was held Thursday at Sacred Heart church and burial was in Holy Cross Cemetery, Malden. He is survived by his widow, Mrs. May (Scully) Leahy; six daughters, Eleanor, Louise, Marie, Frances, Jean and Barbara, and a son, James Leahy, Jr.

ANNA G. SLATTERY

Miss Anna G. Slattery of 111 Grasmere st., Newton, died on June 13. She was a native of Boston and had resided in Newton over 20 years. Miss Slattery was a sister of the late Rev. Lawrence W. Slattery, former pastor of Our Lady's Church, Newton. She is survived by one brother, Charles H. Slattery of Newton. Her funeral service will be held at Presentation Church, Brighton, on Saturday at 10 a. m. Burial will be in Holyhood Cemetery, Brookline.

## A History of Telephone Development In Newton For the Past 60 Years

Eugene Andrews, Retired Telephone Manager, Gives Interesting Facts

(Continued from Last Week)  
Certain Changes and Developments

In the years following the establishment of the two first Central Offices at Central Block, corner of Washington and Walnut sts., Newtonville, and at Cole's Block, Center st., Newton, to serve Newton and Watertown, there were various changes of location and types of switchboards and frequent enlargements as the number of subscribers increased.

The telephone operators at the first Newtonville Central Office passed all local calls by subscribers names. It was necessary for each operator to memorize the subscribers lines on the switchboard in order to make connections promptly.

On March, 1882 the various exchanges in the metropolitan and suburban area of Boston were not designated by name in connection with operating practice; but each exchange was determined through the range of telephone numbers assigned to the several exchanges. Subscribers numbers for Newtonville extended from 100 to 8399 and for Newton from 7850 to 8099. This condition prevailed until 1887 when exchange names became operative and the subscribers numbers in each exchange were assigned commencing with one.

In December, 1885 the Newtonville Central Office was moved to 807 Washington st. opposite the Boston & Albany railroad passenger station and a new magneto switchboard installed. In this same year, the switchboard at the Newton office was replaced, and certain lines transferred to the Newtonville office.

As telephone lines increased difficulties arose, particularly at night due to proximity of electric lighting and power circuits as all lines were then grounded. Although efforts were made to minimize these difficulties as far as possible it was not until the introduction of metallic circuits in 1890, when the two Central Office switchboards were so equipped that relief was obtained.

In August, 1892, another Central Office was established at 1174 Walnut st., Newton Highlands, and certain lines transferred from the Newton office.

Two years later the Newtonville Central Office was changed to the Nickerson Block, 1355 Washington st., and a new switchboard of improved type installed. Wellesley lines were

then transferred to the new Wellesley Central Office.

In 1901, the Newton Highlands Central Office was changed and a new switchboard installed at 26 Lincoln st. During the same year the switchboard at the Newton Central Office at 417 Center street was replaced by a larger switchboard.

In the following year the Central Office at 1355 Washington st., Newtonville, was changed to 1387 Washington st. and a new switchboard installed.

Up to November 14, 1903 when the Telephone Company having erected its first building at 56 Elmwood st., Newton, and having installed there a common battery switchboard, the three Central offices had been in leased quarters. The office at 417 Center st., Newton, was then displaced and the subscribers connected with the new office were enabled to get the operator by lifting the receiver from the hook.

In March 11, 1905 the company occupied its second new building in connection with the Newton Highlands service then designated as Newton South at 847 Beacon st. and the switchboard was equipped for common battery service.

On November 24, 1906 the Telephone Company having erected its third new building at 437 Cherry st., West Newton, displacing the leased quarters at 1187 Washington st., Newtonville, installed a new switchboard equipped for common battery service.

The news account of this change appeared in the columns of the Newton Journal of November 23, 1906 as follows:

"After the 'cut-over' which is scheduled to take place sometime on Saturday evening, West Newton, will for the first time be served from the new telephone exchange.

"It stands on a lot about 100 x 50 feet with ample room for future expansion. Each of the two floors and the basement is 36 x 68 feet. The only difference to be noted by the West Newton residents on Sunday morning and the day following will be the fact that henceforth they will get the attention of 'Central' by lifting the receiver off the hook. The operators have been thoroughly trained for the work at the new board."

Additions to the Exchange building and equipment have been made to

keep pace with the requirements due to the growth of subscribers and with the purpose of furnishing the inhabitants of Newton with the most satisfactory and dependable service.

The development of the so called Crossbar Dial equipment has been such that it will be possible to combine all the Exchange service of the Newtons and Watertown in the company's latest building on Washington st., Newtonville, opposite the location of its first Central Office of December, 1881.

Growth of Telephones Connected To The Newton Exchanges—Watertown Included

When the first Central Office was opened at Newtonville in December of 1881 there were but 35 telephones connected.

The growth since that time has been as follows:

From Dec. 31, 1881 to Dec. 31, 1889	309
From Dec. 31, 1889 to Dec. 31, 1899	851
From Dec. 31, 1899 to Dec. 31, 1909	4237
From Dec. 31, 1909 to Dec. 31, 1919	7317
From Dec. 31, 1919 to Dec. 31, 1929	12013
From Dec. 31, 1929 to Dec. 31, 1939	2938*

\* Business depression—cause of decreased growth.

Existing Statistics

Manager Eugene J. Campbell says there are more than 28111 telephones connected including the Newtons and Watertown, and 235,000 calls handled per day in the three existing Newton exchanges which on a certain date in November, on the stroke of midnight, will be cut over to the new Crossbar Dial Exchange. This figure exceeds the previous peak of 1931, by 1844 telephones.

This new building has been erected directly across the street from where the original Newtonville office of December, 1881 was located. The new exchange designations of BIGelow, LAsell and DECatur will then displace Center Newton, Newton North and West Newton.

The local management and personnel of the Telephone Company are exerting every effort to the end of furnishing the best possible service to its subscribers through the new exchange which will represent the most modern telephone equipment.

PLAN PICNIC

The Women's Auxiliary of the Newton Y. M. C. A. is planning a picnic to be held on Wednesday, June 19th, at Camp Frank A. Day at Brookfield, Mass. Cars will leave the Newton Y at 9 a. m. Newton women are invited to attend. Those desiring transportation are requested to phone the Y. M. C. A. for reservations. Picnickers will bring box lunches. Coffee will be served. There will be an opportunity for swimming for those who so desire.

## Recent Weddings

TAYLOR—GOODCHILD

Miss Loraine Goodchild, daughter of Mr. and Mrs. George Goodchild of Saco, Maine, was married to George Whitefield Taylor, Jr., son of Mr. and Mrs. George Whitefield Taylor of 30 Foster st., Newtonville at four o'clock on Saturday afternoon, June 8, in the First Congregational Church at Saco. Rev. J. Franklin Knotts of the Newtonville Methodist Church performed the ceremony, assisted by Rev. Malcolm Garland, pastor of the church. The church was beautifully decorated with white peonies and candles. A reception was held in the parish house following the ceremony.

The bride, who was given in marriage by her father, wore her mother's wedding gown of ivory satin and a veil of tulle caught to a coronet of orange blossoms. Her bouquet was of white roses and lilies of the valley. Mrs. Edward Neal Rallsback of Wellesley, a classmate of the bride at Wheaton, was the matron of honor. Miss Cynthia D. Warren of New Britain, Conn., was the maid of honor and the bridesmaids were Miss Patricia Garland and Miss Janet C. Hazell, both of Saco. The bride wore dusty pink chiffon and carried pink and white snapdragons. The matron of honor and the bridesmaids wore gowns of aqua chiffon and carried bouquets of snapdragons. Mrs. Goodchild wore flowered print with an orchid corsage and Mrs. Taylor wore a blue and white chiffon with orchid corsage.

Edward Neal Rallsback of Wellesley was the best man. The ushers were Norman E. Lockwood, brother-in-law of the groom, of Newtonville, Howell E. DuPuy, Jr., of Wellesley, Donald W. Goodchild and J. Carleton Goodchild, brothers of the bride, both of Saco.

Following a wedding trip through Maine and Canada, Mr. and Mrs. Taylor will reside at 10 Washington Park, Newtonville.

The bride was graduated from Wheaton College and the groom from the Boston University School of Business Administration.

WENGERD—MATHER

Miss Florence Margaret Mather, daughter of Professor and Mrs. Kirtley F. Mather, of Newton Centre, was married to Sherman Alexander Wengerd of Millersburg, Ohio, on Wednesday evening, June 12. The ceremony was performed at 8:30 o'clock in the First Baptist Church at Newton Centre by Dr. Charles N. Arbuckle. The church was decorated with white carnations, carnations, daisies and lighted candles. A program of organ music preceded the ceremony.

The bride wore very sheer embroidered white organza over white tulle with a long train, and trimmed at the neck and sleeves with Chantilly lace. Her veil of fingertip length was caught to a Mary of Scotland coronet with lilies of the valley and she carried a bouquet of white roses and sweet peas. Miss Marjorie Gould of Newton Centre, the maid of honor, wore white shadow print organza over orchid tulle. The bridesmaids, Miss Julia Carolyn Mather, sister of the bride, Miss Dorothy Bentley of Rochester, N. Y., Miss Harriet Beam of Dayton, Ohio and Miss James Cook of Southington, Conn., wore gowns of white shadow print organza over tulle.

YOUNG—OGDEN

Miss Elvira Ogden, daughter of Mr. and Mrs. Edmund W. Ogden of 57 Perkins st., West Newton, was married to Robert Thompson Young, Jr., of Worcester, son of Professor and Mrs. Robert Thompson Young of La Jolie, California, at four-thirty on Saturday afternoon, June 8, in the First Unitarian Church, West Newton. Rev. Herbert Hitchen performed the ceremony, which was followed by a reception in the Parish House.

The bride, who was given in marriage by her father, wore a gown of white faille and a tulle veil caught to a lace cap by lilies of the valley. Her bouquet was of lilies of the valley and bouvardia with an orchid corsage. Mrs. Harold S. B. Buffington of Fall River was matron of honor and Miss Lucy Ogden, sister of the bride, was the maid of honor. The bridesmaids were Miss Bertha Ogden, Mrs. Geo. K. Rugg, Miss Madeline Law and Mrs. Ralph P. Thomas of Poulney, Vermont, Mary Hadfield of Providence, Rhode Island was the flower girl. All of the attendants wore lace inserted white marquisette gowns with hats of white horsehair, those of the honor attendants being trimmed with pink ribbons and the others with blue. They carried bouquets of garden flowers.

Claude Schiefley of Worcester was the best man. The ushers were Edmund W. Ogden, Jr., George K. Rugg, Ralph P. Thomas, and William C. Hadfield.

Mr. and Mrs. Young will spend the summer in La Jolie and will return to Worcester after October 1st where they will make their home.

The bride is a graduate of Radcliffe college, class of 1933. The groom is a graduate of the University of Montana and received his Ph.D. degree from Harvard in 1936. He is a member of Sigma Alpha Epsilon fraternity, Sigma Xi, and the American Physical Society.

## Distressed Peoples Of World Look To Red Cross for Help

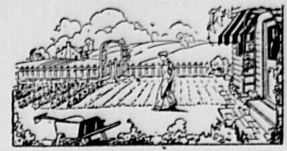

Only the American Red Cross can bring any measure of aid to the desolate peoples of Europe, sufferers from the terrible results of a war invasion that is horrifying the entire civilized world. Only they can be given permission to enter these tragic zones. To the American people, therefore, the National Organization of the Red Cross appealed a few weeks ago for funds that they might give this assistance.

Since then new invasions have taken place, and hundreds of thousands of people, the aged, the women, the children, the wounded, have been added to the numbers already stricken down into poverty and suffering. Even before the events of the past week, it had been estimated that there were 5,000,000 Dutch, Belgian, and French refugees pouring into the southwestern French provinces, creating problems of housing and food distribution, not to mention those of clothing and hospital care. Add to this now the latest developments—Norway, Denmark, and France itself in its turn to be evacuated in its danger points—and England from the beginning stretching forth helping hands to the refugees pouring into London and its environs, and it is evident to the citizens of the United States that they must answer the appeal of the Red Cross, and promptly.

At the present moment about one-half of the sum asked for, \$20,000,000, has been contributed. Newton's quota of about \$24,000 has reached beyond the half-way mark, namely, approximately \$19,500, for which the local Chapter is most grateful, but they must press on, as the need must be met before the first of July. Friends of the Chapter who would like to assist in this magnificent cause are reminded that they may do so at Headquarters, 12 Austin st., Newtonville, or at local branches of the Newton Trust Company, but that checks should be made payable to the Newton Chapter of American Red Cross, so that they may be applied to their quota without confusion.

One of the most heartening and satisfying events of this appeal came last Tuesday, when a letter was received from Miss Calista Roy, chairman of the Junior Red Cross in the Newton public schools, who enclosed a check for \$714.73, which was a voluntary contribution from the public school children, representing nearly 12,000 such students in the grades from the third through high school. This is to be applied to the Children's Fund, for the assistance of children in the war-stricken areas. When the children themselves respond to helping in this situation, one realizes that the work of the American Red Cross can go forward undaunted and steadily.

Newton women, and others, are forming Sewing Groups in the various sections of the city to prepare the garments that must be sent to National Headquarters by September first, and they will meet throughout the summer, to make ready these articles which are so desperately needed by homeless refugees. In addition to the information already given as to such meeting places and chairmen in charge, it is now stated that in West Newton, the groups will meet on Wednesdays, from 9 a. m. to 4 p. m., at the Second Church in July and August, and at the Unitarian Church in August and September. Mrs. Carl E. Pickhardt is in charge of knitting, telephone W. N. 1737; and Mrs. Edward S. Abbott is in charge of sewing, telephone W. N. 2867R. As yet the groups are not taking up work on surgical dressings, awaiting special instruction from Washington National Headquarters, as explained recently.

## District Nursing Asso

The last monthly meeting of the season of the Board of Directors of the Newton District Nursing Association was held on June 10, 1940, at the Newtonville Library. Mrs. Philip L. Warren, first vice-president presided.

Miss Nelson, Executive Director, gave a short report of a recent institute on Maternity which she attended in New York City. She mentioned the fact that although maternity is safer today than formerly, the death rate of mothers and babies leaves much to be desired.

The consensus of opinion was to the effect that the care of a mother prenatally is extremely important especially in reducing the rate for toxemias which now account for 25 per cent of maternity deaths in this country. Unless the mother has the benefits of a good diet, including at least one pint of milk a day and enough vitamin "D," there is a possibility that the baby as well as the mother will suffer from lack of bone and teeth building material.

## TRICKING TRICKSTERS PRESENTED BY THE LAMP-LIGHTERS

The Lamplighters an amateur dramatic club, sponsored by the Newton Recreation Department which has been meeting every Wednesday evening from October to May in the Ralph Waldo Emerson School, Newton Upper Falls, gave their second entertainment on Friday, June 7, when they presented a comedy in three acts entitled "Tricking Tricksters" under the direction of Mrs. Verna Dynes.

The cast included Stella Marusa, Betty Warren, Lucille Tocci, Grace Nichols, Stella Rocklan, Florence Hoitt, Eva Challoner, Helen Mastroperi, Leonard Accettullo, Joseph H. Randall, Walter J. Marusa and Charlotte Ajanian.

The Production staff included Joseph Mastroperi, Harold W. Hill, Charlotte Ajanian, Carl Schontag, Peggy Jackson, Eva Challoner, Lillian Carter, Joseph H. Randall, Ann Machunski, Mary Mallinson, Mary Weston and Mary Robard.

## Rotary Club

The program at the Monday meeting of the Rotary Club at the Brae Burn Country Club was in charge of Dr. Edwin P. Leonard. He introduced the speaker, Dr. Ralph Green, director of the Massachusetts Optometric Clinic of Boston.

Dr. Green gave a most interesting discussion of the human eye. He had a complete eye constructed which was about fifteen times the normal size, and would come apart to show the workings in a most interesting manner.

The various parts of the eye are: the cornea (lens), the iris, which is the Greek word meaning "rainbow" and gives the color to the eye, the pupil, which is the opening that allows the necessary amount of light into the eye, the crystalline lens, which does the focusing of the eye with the assistance of the ciliary muscle, the vitreous which is the body, and gives the form to the eye, and the sclera, which is the white of the eye.

The length of the eye, or, you might say, the diameter of the round part determines whether a person is farsighted or nearsighted. The normal diameter, or depth in an adult is one inch. If it is longer, the man is nearsighted, and if it is shorter, he is farsighted. The common eye disease is glaucoma, which is the closing up of the ducts that let the liquid out of the eye, and the liquid coming in builds up and causes trouble. One thing that was of interest to many of us was cataracts which is a clouding of the lens and can be cured by removing the cataract and then placing a lens on the outside to take its place.

In the question period, Dr. Green answered questions about the new contact lens, binocular vision, mirror vision, etc. Summing up his talk, he said that the eye is just the instrument that brings the image to the brain which has to translate what it means.

Sam Clapper, Orville Clapper's son, was a guest at the club. R. C. Bowie of Fort Morgan, Colo., also was a guest.

### NET TEAMS DEFEND TITLE SUCCESSFULLY

#### Scanlan Loses To Lifner Of Belmont In Final

With two Newton players surviving the preliminary rounds of the twice-postponed State interscholastic tennis tournament last Saturday at Winchester the orange and black was assured of a fighting chance of retaining its laurels as defenders of titular honors. Although trailing Winchester High, 16½ to 16, at the end of three rounds Captain Phil Scanlan and Jack Lynch, number one and two players on Coach Walter Taylor's orange and black net team, reached the quarter finals and upon them rested local hopes. Scanlan, seeded number one in the tournament, won two matches on Tuesday, defeating Bob Kaplan of Brookline and Ruderman of Roxbury to give Newton an edge of a half tally as Jack Coon of Winchester, seeded number two, won from Ash of Haverhill to reach the semi final round.

On Wednesday Coon succumbed to the sterling play of Bob Lifner of Belmont, seeded number 7, whose steady improvement with each round of the tournament had made him an even opponent of the favored Newton leader. Lifner had disposed of Newton's Jack Lynch in the quarter final. Lifner's victory over the Winchester ace gave Newton the team title.

Yesterday Scanlan and Lifner met in the final quest for individual honors.

The first set was a nip and tuck battle with the Belmont senior eventually stepping out to take a 7-5 verdict. The second set was almost a reversal of the first save that Scanlan had to fight back from a 0-3 deficit to even terms before finally taking the set at 7-5. In the next two sets Lifner turned on the heat to steadily force the slightly built Newton captain to bow to the steady volleying and smashing backhand stroke of the Belmont star under a 6-2, 6-2 climax.

### OUR LADY HIGH WINS TITLE—LOSES PLAYOFFS

The Our Lady High school baseball nine chalked up its ninth win in the Southern division of the Catholic Baseball league last Friday afternoon to capture the division championships. The victory was a 14 to 8 score over Cathedral high in which the locals piled up a total of 20 hits.

In two games this week the Our Lady High nine succumbed twice to the strong Malden Catholic High nine in the playoffs for the coveted honors. In the seventh inning of yesterday's game at Malden a home run with the bases full by centerfielder Barry of Malden was the feature blow of a hard-hitting battle in which the two teams compiled a total of 23 safe blows. Rightfielder Thibault of Our Lady twice hit for triples.

In annexing the divisional honors last week against Cathedral High a three bagger by Jimmie Keegan and doubles by Tony Grella and John Murphy aided materially. Captain John Cronin and Murphy paced the locals offense with four hits each.

### GOLF TEAM WINS STATE CHAMPIONSHIP

The Newton High School golf team added another to the list of championships won by orange and black representatives in sports for the closing year by winning the State scholastic golf crown at Sandy Burr Country Club in Wayland last week Friday. The local aggregation coached by Tom Walters of the high school faculty, defeated Beverly High in the finals by a score of 7½ to 1½.

The Newton team was paced by Dick Presbrey and Bob Benes with a best ball of 73 for three points in the winners score. Tempesta and Gwilliam scored 2½ points with Teschner and Corbett teaming together for the remaining two tallies.

and only 8 repeaters were listed. Police Chief Hughes said that the 30-mile speed limit is working well and only a few protests have been received.

Daniel Needham, retiring president of the Safety Council, lauded the interest shown by Mrs. Edgar Hay. He said that she had obtained the cooperation of milk companies in distributing questionnaires on safety to homes in the Newtons, and that she had distributed pamphlets on safety to physicians' offices and to public places.

Green taught at Muhlenberg Summer College, Allentown (Pa.) High School; St. George's School, Newport; and for four summers at Teachers' College, Columbia University. Mr. Green spent four summers and a winter in travel and study in Europe and North Africa. He attended lectures at Leyden University in Holland in 1924, received an A.M. degree from Columbia in 1927 and also has taken courses at Harvard and Boston University. He has made a hobby of photography and is quite expert in this science. He is a member of the Newton Kiwanis Club, Newton Post, A.L. and the Newton Safety Council.

school. Music was furnished by the Glee Club under the direction of Mr. D. Ralph MacLean.

Miss Bertha W. Allen, Administrator of the Hospital, presented the Hospital Aid Fellowship which was awarded to Miss Charity Gurney, New Bedford, Massachusetts, judged by the Committee on Awards and the faculty as the outstanding member of the graduating class in the theory and practice of nursing.

This year for the first time, the title of "Mary M. Riddle Scholar" was awarded to outstanding students in the school. The following excerpts from Miss Allen's address will explain the purpose of these awards:

"The Hospital Aid Association since 1922 has granted fellowships to a member of the graduating class and a cash award to a member of the second year and first year classes. These awards have been made based on criteria suggested by Miss Riddle in 1922. At this time, Miss Riddle stated that such awards should be in recognition of excellence in: first, practice of nursing; second, scholarship; and third, fitness—fitness to mean or include courtesy and thoughtfulness for the patients as well as tact and general deportment."

During the past eighteen years it has become increasingly difficult both for the faculty and the School Committee to select from among several outstanding students in each class, the one student who should receive this honor. After a great deal of consideration, the School Committee with the hearty approval of the Hospital Aid Association has revised the plan for awarding honors which will combine the cash sums into a larger fellowship fund of \$375 to be given to the student judged the outstanding student in the graduating class, thereby increasing financial support for further study. The committee has created a new honor for those students in the other two classes who have shown outstanding qualities in nursing, in scholarship and general professional and personal growth. These students are to be known as the Mary M. Riddle Scholars. This not only expands the opportunity for worthy recognition but honors the achievements of Miss Riddle whose contribution to the Newton Hospital and its school will always live because of the influence of her leadership. Wherever these students may go in the professional world, this title will be a recommendation for the accomplishments while in the School of Nursing and for their acceptance of future responsibilities."

This award was granted to the following:

Class of 1940:

Miss Janet A. Barber, Portland, Me.  
Miss Margaret Rose Frazier, Quincy, Mass.  
Miss Florence Harriet Rand, Exeter, New Hampshire.  
Miss Geneva Woodman, Newtonville, Mass.

### Archbishop Comes To Attend Sacred Heart Graduation

The Class of 1940 of the Sacred Heart High School held its graduation exercises in the upper church on Sunday evening, June ninth, at eight o'clock.

The boys wore summer formal, and the girls were gowned in long white dresses and large picture hats. The dignified entrance of the graduates was viewed by His Excellency Archbishop Francis J. Spellman, DD, LL.D., and the Most Reverend Richard J. Cushing, D.D., LL.D., Auxiliary Bishop of Boston and Pastor of the Sacred Heart parish, by the Reverend Donald Whalen, J.C.D., Reverend Father Bernard J. Winn, Reverend Father John P. Reynolds, and Rev. Francis Scully. These ecclesiastics stood on the priedella in the Sanctuary and faced the graduates as they filed to their places. The church was filled to its capacity with the parents, relatives and friends of the graduates.

The exercises opened with the singing of the Veni Creator by the High School Girls' Choir. Then the diplomas and awards were given to the respective seniors by His Excellency Bishop Cushing. The choir then, rendered an Ave Maria. This was followed by an eloquent address given by Bishop Cushing, who prefaced his remarks to the graduates by expressing the great happiness that they and all the parishioners experienced to behold the beloved Archbishop Spellman once again within their sanctuary. Bishop Cushing urged the graduates about to enter a bewildered world to live up to the ideals and principles of the Catholic Education that they had received.

Diplomas and awards were given to the following seniors: Kevin Gerard Barry, Henry Lawrence Bettencourt, Joseph Richard Burke, Thomas William Burke, Joseph John Churchville, Charles Joseph Coffey, Francis Dennis Condon, John Michael Desbours, William Vincent Galvin, James Edward Hennrikus, Herbert Joseph Lewis, William Kent Maloney, Neil James McCallion, Francis Hugo McKenna, Robert Philip O'Connell, Robert Martin Spellman, Katherine Louise Alberti, Frances Constance Bouzan, Carol Anne Boylan, Lucille Marie Burke, Jean Frances Cameron, Grace Louise Coffey, Ethel Mary Conrad, Nathalie Florence Crowley, Helen Margaret Dunn, Joan Louise Keating, Marie Anne Koen, Alice Marie O'Donnell, Jane Constance O'Neill, Mary Ann O'Neill, Catharine Christine Rooney, Katherine Elizabeth Sweeney, Mary Elizabeth Unlacke, and Virginia Marie Vachon.

Reverend Mother M. Simplicita of the Congregation of the Sisters of St. Joseph, Brighton, Mass., awarded to Miss Marie Anne Koen a four year day scholarship to Regis College, Weston, Mass. Miss Koen achieved the highest score among those competing in her class in the Scholastic Aptitude and Scholastic Achievement Test given by the College Entrance Board of New York City.

The following prizes were awarded by His Excellency to the following members of the graduating class:

Ten dollars to Virginia Marie Vachon, who received the highest average of her class; ten dollars to Lucille Marie Burke who has attained the highest average in the secretarial department.

A black rosary with a sterling silver crucifix and chain was awarded to Henry Bettencourt for ten years' perfect attendance; to William Galvin for five years' perfect attendance; and to Francis Condon for the honor he brought to our High School by winning the first prize in the Boys' Diocesan Oratorical Contest.

A genuine Brazilian crystal rosary was awarded to Alice O'Donnell for eight years' perfect attendance; to Grace Coffey for three years' perfect attendance; and to Mary O'Neill for the honor she brought to the High School by winning the first prize in the Girls' Diocesan Oratorical Contest.

A medal was given by the Boston Herald to Robert O'Connell who represented the Senior Class in the Spelling Bee Contest.

His Excellency Archbishop Spellman pontificated at Solemn Benediction.

After the exercises in the Church concluded, the graduates had an informal reception with their former pastor, Archbishop Spellman, after which they adjourned to the library of the school to receive congratulations from their relatives and friends.

### Legion Demands That Congress Stay In Session

The following telegram was received on Monday by Commander Arthur Hunt of Newton Post, American Legion:

Indianapolis, Ind.,  
June 10, 1940.

To All Post Commanders:

The 1939 National Convention of the American Legion in Chicago by resolution demanded that Congress stay in session "during the emergency." The emergency is even more grave now than it was at the time of the Chicago convention. Write or wire your Congressman and Senators immediately that notwithstanding the political conventions you want Congress to stay in session. See to it that every member of your Post and other prominent citizens of your community do the same. The present situation requires the constant attention of Congress now.

RAYMOND J. KELLY,  
National Commander,  
The American Legion.

### West Newton Man To Be Ordained

Rev. Joseph G. Cosgrove, son of Mrs. Elizabeth Cosgrove of 46 Auburn st., West Newton, will be ordained to the priesthood on Sunday, June 16, at Maryknoll, New York, by Bishop James E. Walsh, superior general of the Maryknoll Society. He will celebrate his first solemn mass on Sunday, June 23 at St. Bernard's Church, West Newton, at 10 a. m. Father Cosgrove was born in Roxbury 26 years ago. His father, the late Charles H. Cosgrove, was a lieutenant in the Boston fire department. Father Cosgrove attended public schools in West Newton before entering the Maryknoll Order in 1928.

He has been assigned to foreign mission work at Kwelin, China, and will be one of twenty-one Maryknoll missionaries who will participate in a departure ceremony at Maryknoll, New York, on Sunday, July 23. The young missionaries will then start their long journey for their hazardous duties in China.

### Kiwanis Club

President John A. Janse, who presided at the meeting of the local Kiwanis Club held last Tuesday noon at the Charles River Country Club, announced that several new members would be inducted into membership at the first regular meeting in July. Induction ceremonies will be in charge of William White, Harold Purdy and Arthur B. Morley.

On the second Wednesday in July, members of the local Club will attend a picnic to be held at Silver Beach. This will be an all-day affair with the ladies invited.

Next Tuesday, June 25, the Newton Club will enjoy an interclub meeting at the Brookline Municipal Golf Club. All clubs in the 5th Division will unite in this meeting.

President Janse is leaving shortly to attend the Kiwanis International Convention which is being held this year in Minneapolis. Mr. J. P. Gallagher, International Trustee of the organization, will also attend the convention.

The speaker at the meeting Tuesday was Captain Henry Bacon, Chief Recruiting Officer for New England of the U. S. Marine Corps. Capt. Bacon has seen more than 30 years of active service. He described the requirements for admission to the U. S. Marine Corps, and advised that the strength, which is now 25,000, is to be built up as soon as possible to 34,000 men. This he considers ample for peace time. He showed very interesting pictures depicting the life of the Marine Corps.

### NEWTON ARCHERS IN HANDICAP SHOOT

The Newton Archers held their second monthly handicap shoot in the form of a "White Elephant" shoot last Saturday with everyone giving and receiving a prize. The proceeds of the tournament, which amounted to seventeen dollars, were donated to the American Red Cross by the thirty-four competing.

The Senior cup for men for first place with handicap was won by Adrian Matthews with a score of 842; the Junior Cup was awarded to Letitia Doten whose score was 873. Adrian Matthews also received a copper plate for the highest American Round score and Mrs. Matthews won the same award for the women. Hand-sculptured plaques for the most hits on line were awarded to Carl Spofford (men's) and to Mrs. Fannie Cheney of Worcester (women's).

Winners of the novelty were: Anita Howarth (women); Jack Macksey (men) and Peggy McCormack (Juniors).

Men—American score: First place, Adrian Matthews, 837, 1st; second place, Robert Goldich, 818, 2nd; third place, Burton Howarth, 566, 3rd; Amer. Score with Handicap: Adrian Matthews, 842; Robert Goldich, 827; Scott Doten, 823.

Women—American score: first place, Dorothy Matthews, 448, 1st; second place, Grace Harrison, 440; third place, Fannie Cheney, 403; Amer. Score and handicap: 1st, Dorothy Matthews, 814; 2nd, Vera Andrews, 792; 3rd, Grace Harrison, 762.

Juniors—American Score—First (tie score) Letitia Doten, Joe Kimber, 488; second, Sally Spofford, 358; third, Betsey Cushman, 354; Amer. Score with handicap: 1st, Letitia Doten, 873; 2nd, Joe Kimber, 816; 3rd, Sally Spofford, 786.

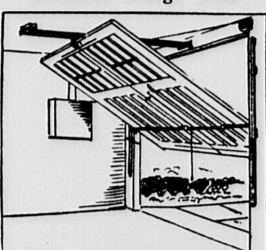

### Forbush Nurseries At Lower Falls Robbed Again

The nursery of Cyril Forbush at 2101 Washington street, Lower Falls was entered on Tuesday night and 18 shrubs, valued at \$48 were stolen. The thieves used an automobile which was driven in the direction of Wellesley from the nursery. It was the second time that the place had been entered at night and shrubs stolen.

While George Kraber, city messenger, had his car parked opposite the Newtonville Methodist Church on Saturday a brief case valued at \$9 was stolen from it. The case was the property of the city.

## Many June Weddings Of Local Interest

### Stewart-Everts Nuptials In Newtonville Saturday Evening

Miss Carolyn Everts, daughter of Mr. and Mrs. Albert Paine Everts of 114 Kirkstall rd., Newtonville, was married to James Angus Stewart of Detroit, Michigan, and formerly of Newtonville, at eight o'clock on Saturday evening, June 15, in the First Baptist Church, Newton Centre. Rev. Charles N. Arbuckle performed the ceremony which was followed by an outdoor reception at the home of the bride's parents.

The bride wore a period gown of ivory satin with full hoop skirt and puffed sleeves. Her full length veil was caught to a heart shaped cap by orange blossoms and she carried a bouquet of stephanotis, real orange blossoms and white orchids. Miss Mary Glover and Miss Catherine Ross, the maids of honor, wore duckling yellow marquisette with shirred tiered skirts with wreaths of yellow velvet in their hair and carried bouquets of delphinium, yellow daisies and yellow iris. The bridesmaids, who wore similar costumes of Vienna Blue, were Mrs. Walter R. Brandt, Miss Barbara Stewart, sister of the groom, Mrs. Robert M. Polheims of Nashua, New Hampshire, Miss Elizabeth Everts, cousin of the bride, Miss Marcia Kidder and Miss Mary Street of Bristol, Rhode Island.

Richard Davidson of Manhasset, L. I., was the best man. The ushers were John Stewart, cousin of the groom, of San Francisco, California, Albert P. Everts, Jr., brother of the bride, Alfred W. Dickinson, Jr., Vincent West of Port Washington, New York, James Truesdell of Detroit, Mich., Hartley Jaye of Milwaukee, Wisconsin and Frederic Mayo of Lynn.

Following a wedding trip to Bermuda by airplane, Mr. and Mrs. Stewart will make their home in Detroit.

Miss Everts attended Mt. Holyoke College with the class of 1939. Mr. Stewart was graduated from Amherst College with the class of 1939. He is the son of Mr. and Mrs. Charles William Stewart of Rumford, Rhode Island.

### MILLAR—BENEDICT

Miss Anna Coffin Benedict, daughter of Dr. and Mrs. Edwin Benson Benedict of 21 Essex rd., Chestnut Hill, was married to Robert Gerish Millar, son of Mrs. James Millar of Plymouth and the late Mr. Millar, on Saturday afternoon, June 15, at four o'clock at the summer home of her parents at Powder Point, Duxbury. Rev. Abbott Peterson of Brookline performed the ceremony which was followed by a reception.

The bride wore an off-white faille gown trimmed with lace from her paternal grandmother's coming-out gown and the lace cap of her veil was trimmed with pearls from her mother's wedding gown. She carried a shower bouquet of lilies of the valley and French roses. Miss Betty and Miss Barbara Benedict, sisters of the bride, were the maids of honor. The bridesmaids were the Misses Olivia Ames, Dorothy Winsor Coffin, Rosamond L. Hamlin, Jane Holcombe, Betty Millar and Katherine M. Jackson. All of the attendants wore gowns of yellow organdie with square necklines, short sleeves and full skirts with daisies in their hair and carried matching parasols. Mrs. Benedict wore dark blue chiffon embroidered in white with a small flowered hat and corsage of garden roses. Mrs. Millar wore aqua crepe with a gardenia corsage.

James Millar, brother of the groom, was the best man. The ushers were Goodwin Millar, David M. Johnstone of Glen Ridge, N. J., Ernest T. Gregory, Jr., Conover Fitch, August W. Soule, Jr., and E. Digby Baltzell of Philadelphia, Pa.

On their return from a wedding trip to Honolulu, Mr. and Mrs. Millar will reside in Wrentham where they will be at home after September 1.

The bride was graduated from the Beaver Country Day School and also attended Bennington College. She is a member of the Junior League and the Vincent Club. The groom prepared at St. Paul's and was graduated this month from Massachusetts Institute of Technology. He is a member of the Number Six and Varsity Clubs.

### Other Weddings on Pages 2, 3 and 8

### Assistant City Clerk Graduates With Honors

J. Ellis Bowen of the Newton City Clerk's Department graduated with honors from Suffolk University Law School on June 13. He had been on the dean's list during the four years he attended the school and ranked seventh among 194 members of the 1940 class. Mr. Bowen resides at 42 Parsons street, West Newton.

## Gallagher Chosen Vice President Of Kiwanis

John A. Janse of Dudley road, Oak Hill, president of the Newton Kiwanis Club, and James P. Gallagher of Page road, Newtonville, international trustee of Kiwanis, departed last Saturday to attend the Kiwanis convention at Minneapolis. They were accompanied by Mrs. Janse, Mrs. Gallagher and Miss Alice Gallagher.

On Wednesday Mr. Gallagher was elected Vice-President of Kiwanis International without opposition. He is clerk of the Newton district court, and has been a resident of this city most of his life.

## Swedish Festival At West Newton On Saturday

The annual midsummer festival will be held at the Swedish Home for Aged at 206 Waltham st., West Newton, on Saturday afternoon, June 22. The principal speaker will be Hon. Edwin O. Childs. The Swedish Folk Dance Club will give a program of Swedish country dances, dressed in their colorful costumes. The Viking Male Chorus of Boston, Thure Hulten, director, will offer a program of Swedish and English selections. Flag raising exercises will open the program, and the Boy Scouts of West Newton will participate in this tribute.

Several booths will be erected on the grounds and the waitresses will be members of Mount Vernon Lodge, Vasa Order of America. A new Ford car will be on display and will be awarded to some person as a prize. Junior members of the Swedish Folk Dance Club will give folk dances. Their ages range from 4 to 15. The Swedish Home for Aged was established in 1907 and is supported by about 100 Swedish churches and organizations in Greater Boston. The oldest resident there is 92, and the average age is 79.

## Stores Closed Wed. Afternoons

Food stores in the Newtons (with few exceptions) are closing at noon on Wednesdays throughout the entire year. The banks are also closing on Wednesdays at 12 noon. It is hoped that all retail stores in this city will close Wednesday afternoons, with the possible exception of the period between Thanksgiving and New Year's, when those stores which do a holiday business might remain open on Wednesday afternoons.

### West Newton Youth In Army Air Corps

Among the 215 student pilots who completed their basic flight training on June 15 at Randolph Field, Texas, is Archibald Campbell of 30 Colburn rd., West Newton. He will be transferred to the advanced flying school at Kelly Field for another ten week period of instruction before joining either a bombing, pursuit or observation squadron of the Air Corps.

## REGISTER NOW FOR PRIMARIES

Residents of Newton eligible to vote may register from now until August 28th, if they desire to vote at the primaries on September 17. Apply at the City Clerk's office, Newton City Hall from 8:30 a.m. to 5 p.m. except on Saturdays, when the office closes at 12 noon. Registration after the primaries will be from September 19 and will continue until October 16. The Presidential election will be held on November 5.

## Registrars Rule Lutz Election Was Legal

The Newton Board of Registrars of Voters on Monday night announced that it has ruled against a protest of Thomas Morahan of Hingham rd., Newton relative to the legality of the election of Roger Lutz at the recent primary as a member of the Republican State Committee from the Middlesex-Suffolk senatorial district. On the nomination papers and ballots Lutz's address was given as 87 Ripley st., Newton Centre. Morahan charged that Lutz had not been a bona-fide resident of this city for several years, but had been residing at 401 Broadway, Cambridge. As evidence Morahan referred to the facts that Lutz's automobile registry for 1939 and 1940 bore the Cambridge address, that his 1939 driving license was issued to the Cambridge address, his telephone was listed at that address, and his name was not in the 1940 Newton directory. He also stated that he had gone to the residence of Charles Frey at 87 Ripley st., the day before the presidential primary and was told that Lutz had moved from that address.

Lutz first registered as a voter in Newton in 1930. His name was dropped from the voting list here in January 1939, and he re-registered in September 1939. He told the Registrars that he had moved temporarily to Cambridge because of his father's illness, but had kept some of his personal effects at the Ripley street address. The Board ruled, therefore, that the Ripley street address was Lutz's legal domicile.

Morahan also charged that Lutz went to Newton City Hall on March 8 to declare himself a Republican, whereas Secretary of State Cook had ruled that a candidate must establish his party designation on March 5, which was 31 days before the election. The Board of Registrars decided that when Lutz re-registered, he automatically declared himself a Republican.

## Fireman Asks To Be Pensioned

Elliot Hutchinson of Indiana court, Newton Upper Falls, who was attached to Engine 6, Lower Falls, has applied for retirement on half-pay on the grounds that he is totally disabled, having been injured while on duty. Hutchinson is 42 years of age. He was appointed to the department in August, 1929. On Jan. 9, 1939, while working at a fire at the Lucas lumber mill at West Newton, Hutchinson was dragging a hose when a coupling caught on a projection, throwing him against a wall, and injuring him. He was taken to the Newton Hospital. He was off duty until last December, when he returned to work for two days and was unable to continue.

## 64 Graduate From Newton Trade School

### Commencement Exercises Held Last Night

The Newton Trade School held its graduation exercises last night at the Technical High School building, Newtonville. The program included an address of welcome by James Forbes, director of the school, selections by the glee club and an address by Supt. of Schools Julius Warren. The diplomas were presented by Mayor Goddard to the following graduates:

## Recreation Dept. Wants Materials

The Recreation Department is again depending upon the thoughtfulness and generosity of many housekeepers in Newton for left-over materials. Odds and ends gathered during the year such as spools, stockings, ribbons, tape, pieces of silk or cloth, paper dolls, embroidery materials, and woolen articles are greatly welcomed. The response to this plea has always been generous and the materials donated have helped to keep many hundreds of little children busy and happy during the summer vacation.

If you have a donation, the Recreation Department truck will call for it at your home by appointment. Call Recreation Department, Centre Newton 4700.

## Burglars Break School Window

The Weeks junior high school was broken into last Friday night. A window at the cafeteria was smashed and then a window at the inner office door broken. The burglary was discovered Saturday morning by Daniel McCarthy, janitor at the school.

## Judge Murray Sits On Riley Pension Suit Against City

The suit of Patrolman John L. Riley against the City of Newton to recover deductions of \$1.67 each week from his salary, was heard in the Newton court on Tuesday before Judge Murray of Milford. Thomas Ryan, attorney for Riley, stated that his client was appointed to the Newton police department in May, 1916 and resigned from the service in 1920 because of ill health. Riley was reappointed to the service in 1935 and no deductions were made from his salary until March of this year. Then, the city also demanded that Riley pay pension contributions retroactively to the date of his reappointment in 1935. Attorney Ryan argued that Riley is entitled to his original pension rights and does not legally have to make payments under the contributory pension system which went into operation before Riley was reappointed to the department. This argument was opposed by Attorney William Guernsey who represented City Solicitor Bartlett. He contended that Riley re-entered the employ of the city in 1935 and therefore is subject to the contributory pension act which was established in Newton in 1928.

Dr. Thomas M. Gallagher as a witness for Riley, testified that he treated Riley for illness in 1920, decided that sleeplessness was the cause of his poor health, that Riley's inability to sleep was due to the fact that he worked on alternate early and late shifts, and that he advised him to get another job. Riley returned to his former occupation as a bricklayer. Riley testified that he was appointed on May 1, 1916 to the Newton police department. He joined the army in 1917. He was discharged from the army in March 1919, and returned to the police force. He said that he found it impossible to sleep on his short duty, and so he resigned from the department. He said he was reappointed to the force in July, 1939 after he had taken a physical examination.

Captain Vedecio testified that when Riley was reappointed to the department in 1935, there was a question in his mind as to whether Riley should be assigned to day duty or night duty, so he consulted the secretary of the Civil Service Commission and was informed that Riley should be restored to duty with all his former rights. So, Vedecio assigned Riley to day duty although the latter had only about two years service in the department, and some of the men on night duty had 15 years service.

A copy of a letter from Chief Hughes to City Solicitor Bartlett was presented as evidence. It was written on October 2, 1935 and asked for an opinion on Riley's pension status. Judge Murray was told that no reply was received to this letter. Judge Murray reserved his decision.

## Playgrounds Will Open July 8

Newton playgrounds will open this season on July 8 for a period of seven weeks under the supervision of a corps of 80 directors and supervisors. In past years the playgrounds have opened on the fifth of July, but, because July 4th falls on a Thursday, it was decided not to start the playground season until the following Monday. This will give a shorter period than that of last year, which was 7 1/2 weeks in length. The allocation of some of the funds appropriated for the Recreation Department the past couple of years to community center activities, has necessitated economies in the playground expenditures.

The bathing beach at Crystal Lake was opened on Wednesday. This year, for the first time, all directors and supervisors at playgrounds will be taken from the civil service lists. There is a sufficiency of eligibles who are Newton residents to permit this being done.

## City Employees Outing Saturday

Newton City Employees Local will hold its 26th annual outing on Saturday at Vose's Grove, Maynard. Buses will leave the Crafts st. yard at 9 o'clock Saturday morning and the outing will continue until evening. Guests will include Mayor Goddard, members of the Board of Aldermen, and department heads.

John McMullen, president of the local, is chairman of the committee in charge. John Donahue of the Recreation Department will supervise the athletic events.

## Greater Task Given Red Cross By Government

An appeal for the continuation of contributions to the War Relief Fund has been issued by Norman H. Davis, chairman of the American Red Cross. The appropriation of \$50,000,000 which the United States Government sponsors for the purchase of supplies to be distributed under Red Cross supervision, does not mean that this sum would be turned over to this organization, but that the herculean task of getting to needed points the food supplies this sum purchases will be added to the already great work of this humanitarian society. This is in effect supplemental relief to refugees, and, as Chairman Davis states: "There remains desperate need for hospital and medical supplies, both for the wounded of armed forces and civilians, and clothing and other essential relief for refugees, for (Continued on page 8)"

## WILLKIE CAN BE ELECTED

The ever-increasing popular demand for the nomination of Wendell L. Willkie as the Republican candidate for President in the next national election is about as fantastic as one can imagine. For many years there has been nothing that can approach it in political circles. It has been our privilege during the past several months personally to meet several of the Republican aspirants for the highest honor this nation can bestow upon any man. During this time we have followed with ever-increasing interest the activities and addresses of Wendell L. Willkie. We believe that Mr. Willkie hates war more than the present administration. We believe Mr. Willkie is a more capable administrator than we have at the present time. We believe that Mr. Willkie will gather around him a more efficient group of cabinet advisers than sits in Washington at present. We further believe that having demonstrated his ability as an anti-Wall street utility executive in an outstanding manner and at the same time having shown a proper regard for human rights, that Mr. Willkie will approach many of our present-day problems with a greater depth and understanding than has been shown in the past seven years. With these attributes Mr. Willkie has also shown a willingness to take on the difficult task of carrying political debate to whomsoever may be his opponent, even to the point where he would welcome the opportunity to campaign against President Roosevelt. Taking every element of the forthcoming political campaign into consideration we can see no one who has a better chance of leading this nation back to the Road of Progress than Wendell L. Willkie. We trust that delegates to the Republican convention will see the hand-writing on the wall and nominate Willkie.

## REGISTRATION OF VOTERS

Although world crises and war occupy much of the first page space of the daily newspapers practically every edition now carries some news of the forthcoming party conventions at which the nominees for President will be chosen. That is one of the surest evidences of our democracy and it is a hopeful sign that as long as we recognize the fact that America is governed by its people, political news can and will supersede other matters of widespread interest.

The Newton Board of Registrars of Voters has announced that daily sessions are being held at City Hall through August 28th for the purpose of registering voters who wish to become eligible to cast their vote at the September State primaries and the national election in November. We trust that every person who is not a voter but who is now eligible to become a legal voter will do so at the earliest opportunity.

Although it has always been an important matter for every person who can do so to become a registered voter there probably has never before been as important a time as the present. In Massachusetts we will have a Primary election in September and in the United States we will have a Presidential Election in November. This is the life-blood of America. Register now!

## Rifle Bullet Fired Into Waban House

Oscar Wheeler of 11 Troy lane, Waban, reported to the police on Tuesday night that a .22 calibre rifle bullet was fired through a window at his home about 7:50 that evening, breaking two panes of glass. He told the police that the bullet was fired by one of three boys who fled in the direction of Newton Cemetery. He gave a description of the boys and Newton police are endeavoring to apprehend them.

## 18 Months In Jail For Polygamist

Hubert Hallett, 50, formerly of 167 Warren st., Newton Centre, was sentenced to 18 months in prison in the Superior Court at Cambridge on Tuesday for polygamy. It was charged that Hallett was married six times. In 1939 he married Mary J. Mulken of Waban. He has had a colorful career, having served in the French Foreign Legion, as an aviator in the Chinese army and a member of the crew of a whaling boat.

## Powers' Paragraphs

These United States of America are faced with the most crucial period since this country was founded. We are facing a crisis more portentous, in our opinion than that which confronted the country in 1861. A crisis that means either the continuance of the democratic principles of government upon which this nation was established, or a transition to a dictatorship or subservience to foreign dictators. Controversy over the recent acts of the President and Congress is becoming more acute and bitter. Wide differences of opinion are being manifested over what the future course of this country should be. Some of these opinions are intelligent, others are ridiculous. Some are based on practical idealism, blended with proper attention to realism. Other views are those of the impractical, shallow-thinking idealists who ignore cold facts.

Among these latter are those who have been clamoring for this country to enter the war in Europe on the side of the Allies, although we have no army of any size to send over, and practically no war equipment. Among them are those who are opposing compulsory military training for the young men of the U. S. A.

We don't believe in war hysteria and we don't believe in unnecessary oppression of industry or labor. But, with dictators overseas sweeping all opposition encountered up to the present by means of their overwhelming armed might, and with this country woefully unprepared for proper defence, every week lost by dillydallying at Washington, increases the menace of aggression toward the Western hemisphere by the Nazis, the Fascists and probably Japan. With the French fleet probably to be surrendered, with Brazil and other South American countries apparently leaning toward the European dictators, and with the likelihood that Hitler will demand French colonies in the West Indies and South America, the U. S. A. should immediately use its vast resources to manufacture with all speed arms and equipment sufficient to deter any foreign despot from attempting to invade North or South America. Otherwise Hitler and Mussolini will be inclined to scoff at the warnings from our government that our Monroe Doctrine will not permit them to establish colonies on this side of the Atlantic Ocean.

Over in Europe bombs have been exploding and shells bursting, bringing death and injuries to millions, suffering both physical and mental to hundreds of millions, and destruction over wide areas. Starvation and privations will follow through a period of years. Here in this part of the U. S. A., including Newton, we are forced to listen to the annual four-week period of constant, miniature explosions from firecrackers and similar noise-makers which legally can only be set off on July 4th. It makes no difference to the boys and girls setting off these firecrackers (or to their parents) if people are lying ill in their neighborhoods, nor does it occur to them that the money they waste in setting off firecrackers weeks and days before July 4th could well be donated toward funds being raised to provide food and clothing for the many millions of homeless refugees in Europe, or for the relief of needy people in this country.

Recently Commissioner of Public Safety Mcweeney called attention to the illegality of setting off any fireworks (including firecrackers) before July 4. There is only one practical way to stop this annual nuisance. Pass a State law which will limit the sale of fireworks in any town or city in Massachusetts to a period not exceeding three days before July 4th.

Another warning which Commissioner Mcweeney recently issued was against unnecessary blowing of automobile horns. He called attention to the State law which forbids such a practice. In addition to the State law, a number of cities have passed ordinances forbidding the blowing of automobile horns during late night or early morning hours. A few years ago a West Newton citizen, who resided on Waltham st., asked the Board of Aldermen to pass such an ordinance in this city, but he was turned down. We believed then—and still do—that his petition should have been granted. It is a nuisance to have so many inconsiderate persons toot an automobile horn at midnight, or after, to notify someone in a house that the car has arrived to take the visitor home. It is a nuisance when some belated autoist (probably half-stewed) speeds along a back street at 1 or 2 a. m., tooting one of those modern, high-power horns at street intersections, although no other car is within a mile of the place. It is a nuisance to people living in apartments in business sections to have impatient motorists toot horns to hasten cars ahead of them at traffic signals.

Last Friday evening shortly before 6 o'clock I was walking across Commonwealth ave. at Centre st. The light was green for traffic on the avenue. A car was approaching the light from the easterly side. It was going at a reasonable rate, as it approached an intersection, about 25 miles an hour. Some distance behind (at least 150 feet) came another car with its driver blowing the "I own the road" type horn repeatedly. He wanted to beat the light, and he was trying to order the driver ahead to get out of his way, even though he was not in the way. As the noise-maker drove by, we were surprised to observe that the individual exhibiting the "spoiled-child complex" was a former Newton alderman.

Several years ago the late Professor Harry Powers of Newton established a beautiful garden on land he owned at Centre and Church sts., Newton. He had retired from active business and intended to make the garden his hobby and avocation during his remaining years. At considerable expense he had the garden developed and an attractive building erected on the lot. The following winter as Professor Powers was walking to the garden one morning, he was hit and fatally injured by an automobile which slewed onto the sidewalk alongside the place. After his death, his widow continued to maintain the garden. In Prof. Powers' will this property was left in trust for certain eleemosynary purposes. A plan has been devised whereby the beautiful garden may be perpetuated for the benefit of Newton, provided the Board of Aldermen will grant a permit for a building on one corner of the property; said building to be used as a clinic by physicians and dentists. Otherwise all this land will be sold and eventually occupied as a site for apartment houses, or probably for business in future years. It is now in a general residence zone. We believe that the Board of Aldermen will display good judgment by cooperating in this plan. We believe that a large percentage of persons interested in preserving the beauty of the section which includes two churches, Farlow Park and the children's library will approve of such action by the Aldermen.

## NATIONAL ASSOCIATION OF LEAVITT FAMILIES

The Annual Family Gathering of the National Association of Leavitt Families will be held on Saturday, June 22, 1940, in Grand Army Hall, Hingham, Mass. During the day a pilgrimage will be made to the Hingham Cemetery where John Leavitt is buried and also to his old house on Leavitt street. A visit will also be made to the old Ship Church in Hingham where he was a Deacon, early in 1860. Dinner will be served at noon. Leavitt C. Parsons, well known New England Editor, will be the principal speaker and Emily C. Noyes of Tilton, New Hampshire, Historian, will give a talk on the family genealogy.

## BIRTHDAY PARTY

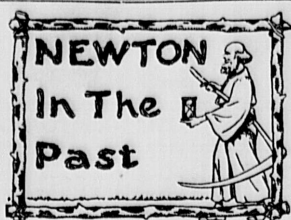

The Hinds Laundry Associates tendered Mrs. Helen Morey a birthday party at Lady's in Boston on Thursday evening of last week (June 13). Some thirty-five members attended the testimonial and a dinner was followed by entertainment and general sociability during which numerous gifts were presented the guest of honor.

## Sunbeam Chats

The other day I heard the District Nurse telling a little boy that it was very important to keep his hands clean and out of his mouth, —also pencils. She said that our hands and pencils are in touch with many things that have germs on them and then they get into our bodies through our mouths and make us sick. Guess I don't have to worry yet 'cause mother washes mine a lot and all my playthings, too.

(Sunbeam Chats are sponsored by the Newton District Nursing Association.)

## 55 YEARS AGO

The Flower Mission has commenced work and will receive fruit, flowers, eggs and jellies at the ladies room in the Newton railroad station every Monday and Thursday from 8 to 9:20 a.m.

Last Wednesday as W. H. Fall of West street was working around the dog kennel of George Linder on Skinner Hill, the dog sprang at him and bit him on the neck and face.

At Grace Church, Newton next Sunday about twenty young men will be ordained. Among the number will be Rev. H. W. Winkley of St. Paul's Church, Newton Highlands. After the ordination service he will be married; a few days later he will leave for St. Stephen's, New Brunswick where he has received a call.

It's about time for another of the Read Fund picnics for the boys and girls of Newton Corner. Alderman Henry and Councilmen Dearborn and Bent of wards 1 and 7 have the matter in charge. They'll give 'em a bouncer.

The Indians exhibition on Fuller's lot at the corner of Boyd and Centre streets, Newton are drawing large crowds every evening and the sales of Indian Sagwa and other medicines are very large and rapidly increasing as their merits become known. The comicities of Tom Warfield, ventriloquist, magic and marionettes by Professor Westerfield, ceremonies by the Kickapoo Indians and lectures by Dr. C. F. Jones are interesting features of the entertainments, which are free to all.

The Cambridge Bicycle Club 50 mile road race from Cambridge to Lake Wenham and return was won by Edward P. Burnham of Newton Corner, in 3 hours and 51 minutes; 14 1/2 minutes ahead of the second man. The prize was a gold medal. On this occasion Mr. Burnham rode a 5 1/2 inch Victor bicycle. Fifteen competitors started and six finished. The first 15 miles were made by Burnham in one minute short of an hour. Mark Tell of Chicopee rode a Victor tricycle and finished in 5 hours and 26 minutes. Nearly all the riders took headers. Burnham included. This was his 37th race and he has never lost one. He exhibits 42 prizes which he won in 1939. The report that he was all played out is incorrect. He started on a nearly empty stomach and when he had ridden 36 miles he was exhausted. He stopped a milk wagon and drank a pint of milk. Then he soon overtook and passed those who were ahead of him. (Burnham laid thousands of brick each day to keep in condition. —Ed.)

As a little girl named Lillie Adams was walking along Vernon st. yesterday on her way from school, she was knocked down by a runaway horse from Brighton and severely injured. Mr. Harwood, a hired man, who was working nearby, ran to her assistance. He harnessed Mr. Harwood's horse and took the child to the Pomroy Home where she lives. She was attended by a doctor.

What meant the driving of a horse and buggy at a furious gait up and down Richardson st. at midnight on Wednesday, the subsequent discharge of a pistol, and then the frantic galloping retreat from the street? It is an enigma that deserves explanation from the police, if they know about it.

The Nonantum Bicycle Club will have a handicap race from the clubhouse to Bailey's Hotel at South Natick and back on June 17, a distance of 18 miles.

## 50 YEARS AGO

A correspondent suggests that money can be saved by wrapping ice in a blanket before placing it in the refrigerator, and that will reduce the ice bill one-half.

The Newton Centre Improvement Association has sent a letter to the Board of Aldermen calling attention to the great need of a public bathhouse at Crystal Lake. If the city will provide a bathhouse, the association will provide a man to take care of the same.

The dress parade at Farlow Park on Memorial Day was all right as far as it went, but was marred somewhat by the ignorance of the musicians who failed to play at the right time.

There were 29 deaths in Newton in April, of which 4 were from pneumonia, 3 from diphtheria, 2 from old age and 3 from apoplexy. There were 12 cases of contagious diseases, of which 9 were diphtheria.

The officers of the Newton High School military battalion are trying to obtain an appropriation from the School Committee to defray the expenses of a prize drill. As yet they have not been successful.

F. W. Butters of Oak Hill had 175 chickens killed by foxes one morning last week. He estimated his loss at \$50.

C. B. Lancaster's horse got loose in the Newton Centre Congregational church shed last Sunday evening, ran down the drive and damaged the carriage.

### Rotary Club

A very interesting and timely talk on "Preparedness" was given at the regular meeting of the Rotary Club on Monday by Col. James M. Petty, Chief of Staff of the second army area out of Boston. Col. Petty's superior is General Woodruff, who is in charge of the first corps area out of Boston. He was introduced by "Charlie" Sprague.

Col. Petty said that our own Civil War was the last of its kind, and that there is nothing "civil" about present-day "mass murders." There are two schools of thought in regard to our own situation: First the group that believes that "it can't happen here," and, secondly, the group that believes, "we're next."

Col. Petty believes that we should prepare ourselves as individuals for what is to come—first, to prepare ourselves mentally. The army has a well organized plan which calls for raising a million men by the "M day" (mobilization day), or between this day and 60-M (60 days later).

Our first line of defense can no longer be taken to be the two oceans. Modern military planes and fast ships bring this line to our own shores. As a country, we can undoubtedly do a great deal when we are aroused, and with the plan that the army has, if we can get ample equipment and materials, by proper cooperation between government and civilians, we will undoubtedly be able to take care of ourselves. However, the recent fall of France shows that we are facing a very serious problem. Changes in the type of war and the kind of equipment have been so fast in the last year or so that our program should be kept on a 24-hour basis until we are in the position we should be.

A very interesting map showing the groupings of the various corps areas was shown, and the subject matter was one that should not be of the "scary" type, but should make us do a lot of thinking and acting.

### Recent Engagements

At a tea given at their home at 45 Westbourne rd., Newton Centre, on Saturday afternoon, Mr. and Mrs. Almon L. MRS. GEORGE P. FLOOD

Newton Highlands  
Man Killed When  
Army Planes Crash

Paul A. Lambert of 1000 Walnut street, Newton Highlands, son of Mr. and Mrs. Lewis K. Lambert, was killed on June 17 at Queens, Long Island, New York when an army bombing plane in which he was riding collided with another plane while changing formation. Both planes crashed to the ground. One hit two small houses, setting both afire. Eleven occupants of the two planes were killed, and a woman resident of one of the houses died of burns. Four planes had taken off from Mitchell Field a few minutes before the crash in command of Lieut. Paul Burlingame, a West Point graduate. In the two planes which crashed were Burlington, five reserve officers of the Air Corps holding commissions as Second Lieutenants, and five enlisted men.

Lieut. Lambert was born at Lake-wood, Rhode Island 26 years ago and had resided in this city most of his life. He graduated from Newton High School, and from William and Mary College in 1936, where he was awarded the Phi Beta Kappa key. A year ago he entered the air service, training at Randolph Field, Texas. He is survived by his parents; three sisters; and a brother, Lieut. Lambert's funeral service was held on Thursday afternoon at St. Paul's Episcopal Church; Rev. Charles Farrar officiated. Interment was in Newton Cemetery.

ANNIE COREY

Mrs. Annie Corey of 1830 Commonwealth ave., Auburndale, wife of William Kirk Corey, died suddenly on June 19. She was born in Auburndale, the daughter of William E. and Annie (Johnson) Plummer. She was one of the donors of the Plummer Memorial Library at Auburndale and for many years sang in the choir of the Auburndale Congregational Church. She had been active in missionary work and was unusually fond of music. She was one of the few who had regularly attended concerts of the Boston Symphony Orchestra during the many years since that organization was founded. Mrs. Corey is survived by her husband, and one brother, Frederick Plummer, of Auburndale. Her funeral service will be held at her late home this afternoon at 2:30. Rev. Ralph Rogers will officiate. Burial will be in Walnut Hill cemetery, Brookline.

Automobile  
Accidents

Cars driven by Mrs. Bertha Brinn of 55 Crosby rd., Chestnut Hill and Paul Payne of Brookdale rd., Brighton, collided on Tuesday night at Hammond st. and Reservoir rd. Chestnut Hill. Mrs. Brinn's two-year old daughter was injured and was taken to Newton Hospital in the police ambulance. Eleanor O'Hare of Walnut st., Brookline, who was riding with Mrs. Brinn, also was reported as having been injured.

A station wagon driven by Thomas Oakey of 270 Waban ave., Waban, and a car driven by Howard Roswell of Belmont collided on Tuesday at Washington and Walnut sts., Newtonville. Roswell claimed to have received injuries to his back and chest. Oakey reported that he swerved to the left to avoid hitting a car which had stopped in front of him.

A traffic beacon which was formerly located in the centre of this intersection, was removed last year.

Two Speeders Are  
Fined \$50 Each

Two persistent speeders were fined \$50 each by Judge Mayberry in the Newton court on Wednesday. It was the third conviction of each on a speeding charge within a year. Elsie Winsor, 20, of Boston Post rd., Weston, was one of the speed addicts. She was also fined \$10 for driving without her license in her possession. Inspector Hammel charged that on June 7 the Winsor girl drove on Commonwealth ave. at a speed of 58 miles.

The other speeder fined \$50 was Francis Joyce, 25, of 219 Commonwealth ave., Chestnut Hill. He asserted that he was only driving a little over 30 miles an hour when Hammel stopped him on Beacon st. on June 6. Joyce is due to appear again in the Newton court on June 26 to face another charge of speeding in this city. The complainant in this case is Sergeant Thomas Burke.

Other speeders fined \$5 each in the Newton court yesterday were Wesley Markovitz, 47 Brackett rd., Newton; Alan Green, Brigham st., Watertown; Robert Hennessy, Chestnut st., Allston.

Find Automobile Taken  
At Newton Centre

The automobile of Charles D. Weathers, Commonwealth Park, Newton Centre was stolen while parked in front of that address on Sunday. Golf equipment and clothing which was in several bags in the car when it was stolen, were found in it when it was discovered abandoned in Auburn the next day. A car stolen in Framingham was abandoned near Weathers' home when his car was taken.

The spring Court of Honor and the annual election of officers of the Newtonville Group of Boy Scouts were held at Edmonds Park Amphitheater on Friday, June 14th. An exhibition of skill in archery was given by boys of Troop 1, and by Scott Doten, Massachusetts State Champion.

Badges as Second Class Scouts were awarded to Charles Hand, John Metcalf, Russell Cox, Carl Grip, Bobbie Pillsbury and Peter DeGaulniers, all of Troop 6.

David Allen, Bill Burt, John Metcalf and Bob White, of Troop 6, were awarded badges as First Class Scouts.

Service stars were awarded to Scouts Harber, White and Stackhouse of Troop 25, and to Asst. Scoutmaster Harold Carter of Troop 6 and Scoutmaster Clarence Doten of Troop 1.

Merit badges were awarded to the following scouts of Troop 25: Koughan, in Metalwork; Hyde, in Carpentry and Woodworking; and Doten, Harber, Hyde, Jones, Koughan, Stillman, White, Wright, Thomas and Stackhouse in Pioneering. Donald Hyde was invested as a member of Troop 25.

Prizes were presented by Edmund Miller to the winners of the Troop 1 Point Contest, and Kenneth B. Campbell, Scoutmaster of Troop 6 presented Bob White as the Senior Patrol Leader of the Troop for the coming year.

The report of the chairman of the Troop 6 Committee, Walter F. Burt, showed that 119 tests for advancement for First and Second Class Scouts had been given during the year by Asst. Scoutmaster Harold Carter and his examiners, that the Troop 6 Cabin at Nobscot received the highest rating of any cabin at the reservation, and that three Troop 6 Scouts, Bill Burt, Don Hyde and Bob White, had been elected members of the Norumbega Council World's Fair Service Patrol, which goes to the Fair Monday, June 24th, returning July 2nd.

A gift of a fountain pen desk set was presented by Hartley Stackhouse to Wm. Bradford Gove, retiring Scoutmaster of Troop 25, as an evidence of the appreciation of the Group for his long service with Troop 6 and Troop 25.

The following officers of the Newtonville Group for the coming year were elected: Walter F. Burt, president; Edmund Miller, vice-president; Edith A. Thomas, secretary and Edwin P. McGill, treasurer.

Taps were sounded by Scouts Bill Burt and Bob White.

At the Spring Camporee held at Nobscot Reservation last Saturday and Sunday, Troop 6 of Newtonville, consisting of Bob White, Patrol Leader; Bill Burt, Asst. Patrol Leader; Flske Brown, Jack DuPont, Albert Sears, Carl Grip, Bobbie Pillsbury and John Metcalf, won first place, and the only Grade A rating awarded.

At the Camporee, Troop 6 of Newtonville was awarded the Cabin Banner for 1940, with a rating of 665 out of a possible 675 points.

John E. Cox has been elected chairman of the Troop 6 Committee, B. S. A., and Walter H. Sears is secretary and treasurer.

## Fined \$25 For Reckless Driving

Rocco Fontano, 22, of 18 Cross st., Watertown, was fined \$25 by Judge Mayberry in the Newton court on Wednesday for driving a car so as to endanger the safety of the public. On May 30 a car driven by Fontano hit a car driven by Aldona Shapalis of 510 Centre st., Newton. She and her mother, Mrs. Charlotte Shapalis, and her sister, Mildred Shapalis were injured in the collision. Fontano reported that he turned to the left at Walnut and Watertown sts. to avoid hitting a car which had stopped in front of his automobile. It was alleged that Fontano had passed cars stopped at a traffic signal and crashed into the Shapalis car which was proceeding in the opposite direction after having turned with the green light authorizing such a turn.

## Brighton Youths Steal Another Car

An automobile owned by Mrs. Marie McDonald of 50 Washington street, Newton was stolen while parked in front of that address about midnight last Friday and half an hour later was wrecked when it hit a tree on Hobart street, Brighton. Shortly after the crash Brighton police arrested

John Melia, 17, of 19 Bennett street, Brighton, who was found hiding in a nearby yard, and turned him over to Newton police. Melia, who had a record for previous thefts of automobiles, denied that he had stolen the car. Later the police arrested Cornelius Crowley, 17, of 11 Hobson street, Brighton and Francis Kelliher, 18, of Converse street, Brighton.

According to stories allegedly told by the youths, Crowley saw the parked car with the key in the ignition switch and stole it. He drove it to the Faneuil bathing beach at Charles River and then Kelliher took the car. Kelliher drove it a short distance, and then Melia operated the stolen car and wrecked it near his home. The repairs on the car will cost \$300. Crowley will be tried in the Newton court today. He is also charged with being involved in the theft of another automobile. Melia and Kelliher will be prosecuted by Brighton police.

Paul S. Rich of Newton former Newton high and city champion tennis star, captained the Suffolk University tennis team this past season which recently concluded an undefeated schedule of matches. He was given his letter when awards were presented at a Commencement week ceremony for the first time in the history of the University.

Robert Pullman of Newton Centre and Joshua Hurwitz of Newton were among thirteen members of the Cornell University track team who were awarded class numerals recently.

## Internes Graduate From Hospital

Monday, June 17th, at 8:30 p. m., the Internes' Graduation was held at the Newton Hospital. Trustees, doctors and members of the hospital family attended. The program consisted of the following papers by the graduating internes: "Water Balance," Dr. Edward Carson Allen, Tufts; "Etiologic Factors of Ulcerative Colitis," Dr. James Evans Roy, Harvard; "Sulfanilamide and Kidney Functions," Dr. Elliot Voss Newman, Harvard; "Drug Treatment of Psychoneurosis," Dr. John Hollis Bloombergh, Tufts; "Foreign Bodies in the Trachea," Dr. Adelbert Ferdinand Schirmer, Tufts; "Congenital Dislocation of the Hip," Dr. James Canfield Fisher, Harvard.

At the close of the above program the diplomas were presented by the President of the Staff, Dr. Henry W. Godfrey.

The evening exercises were preceded by a dinner at which the internes were the special guests. For each the placecard was a book, "Craniocerebral Injuries," a gift from the trustees, autographed by the author, Dr. Donald Munro.

As the internes completed their year's internship at the Newton Hospital, their future plans were as follows: Dr. Edward C. Allen will continue on at the Newton Hospital until Sept. 1, 1940. Dr. John H. Bloombergh will continue at the Newton Hospital until Sept. 1, 1940. Dr. James C. Fisher will begin a two-year surgical internship at the Boston City Hospital on July 1st.

Dr. Elliot V. Newman will go to the Mass. General Hospital for a year's work in Pediatrics.

Dr. James E. Roy will spend the summer in camp in the Canadian wilds and then will go to the Boston Psychopathic Hospital for a year's internship in Psychiatry.

Dr. Adelbert F. Schirmer will be the doctor at the "Seal Call Camp," Beaton's Mills, Prince Edwards Island. In the fall he will continue his studies.

This group of internes will be replaced by the following 1940 medical school graduates: Dr. George M. Bartol, U. Penn. Medical School; Dr. Edward O. Hubbard, Jr., Tufts Medical School; Dr. Karl Riemer, Tufts Medical School; Dr. George R. Starr, Jr., Tufts Medical School; Dr. James C. Walker, Tufts Medical School; Dr. William C. Wildberger, Boston University Medical School.

## ZONTA CLUB

The Newton Zonta Club is co-operating in a plan to promote the study of public and international problems arising from the present world crisis, with a view to more intelligent cooperation in their solution to be drafted at the twentieth annual convention of Zonta International June 25-28 at the Stanley Hotel, Estes Park, Colo. Zonta is a classified service club of women executives who have attained leadership and distinction in their respective fields.

With the twentieth anniversary theme, "Woman's Contribution to Social and Economic Change" as the keynote, convention delegates will listen to an appraisal of Zonta's achievements during its 20 years of existence before considering an expanded service program that will recognize the new responsibilities that have been thrust upon women by recent events.

## Bequeaths \$7000 To Her Maid

The will of Miss Mary Dyer of 861 Commonwealth ave., Newton Centre, was filed this week at Middlesex Probate Court. It includes a bequest of \$7000 to Victoria Gustafson who was employed as a domestic by Miss Dyer, and also a gold pendant set with diamonds. The residue of the estate, estimated at \$30,000, was left in trust for Ella Boone of Brooklyn, New York. On her death, half the trust is to go to the American Unitarian Association. The other half will be divided between the Home for Crippled Children, Perkins Institute for the Blind, Children's Hospital, Home for Little Wanderers, Florence Crittenton Society and the M. S. P. C. C. Miss Dyer who died on June 10, was born in Wisconsin 82 years ago and had lived in Newton for about 40 years.

Her funeral service was held at Sacred Heart Church, and burial was in St. Joseph's Cemetery, West Roxbury.

## LANGDON—SIMEONE

Miss Matilda Joan Simeone, daughter of Mrs. Matilda J. Simeone of 3 Thornton st., Newton, was married to Harry Ames Langdon of 287 Central st., Auburndale on Saturday morning, June 15, at 11 o'clock in the Church of Our Lady, Newton. Rev. Daniel Riordan performed the ceremony.

The bride wore a gown of ivory slipper satin with shirred bodice, a square neckline with clusters of pearls caught at each side, short puffed sleeves with insertions of Alencon lace and a full circular skirt. Her veil of ivory tulle in fingertip length was in bonnet style trimmed with clusters of orange blossoms. She carried an old fashioned shower bouquet of bride's roses, bouvardia and lilies of the valley. Mrs. Charles D. Bonanno of Belmont, sister of the bride, was the matron of honor. She wore blush pink marquisette with bishop sleeves, tight bodice and full skirt with a matching pink bonnet with blue flowers framing her hair and blue streamers of tulle. She carried a bouquet of pink roses, blue delphinium and pink sweet peas. The bride's mother wore mayflower pink sheer with lace bodice, and navy flowered turban and a corsage of pink roses and bouvardia. Mrs. Henry Bourne, mother of the groom, wore ashes of roses chiffon and lace with navy accessories and an orchid corsage.

Charles D. Bonanno of Belmont was the best man.

A reception was held at the Hotel Vendome, Boston, from 12:30 to 5 o'clock, where the decorations were of pink roses, sweet peas and white stock. Music was furnished by a four piece string orchestra.

On their return from a wedding trip to New York, Washington and Atlantic City, Mr. and Mrs. Langdon will reside at 3 Thornton st., Newton, where they will be at home after September 1.

The groom is a graduate of the Bentley School of Accounting.

## O'CONNOR—DALTON

Miss Meralyn Breck Dalton, daughter of Mr. and Mrs. Marshall Bertrand Dalton of 65 Sylvan ave., West Newton, was married on Wednesday evening, June 19, to Harry Walter O'Connor of Laureleton, L. I. The ceremony was performed at eight o'clock in the home of the bride's parents by Rev. Herbert Hitchen of the West Newton Unitarian Church. A reception was held following the ceremony.

The bride, who was given in marriage by her father, wore a gown of ivory satin with long sleeves and round neckline with a lace collar. Her tulle veil of fingertip length fell from a coronet of orange blossoms and she carried a bouquet of white orchids, white stock and African daisies. Miss Nadylis Lamson Dalton, sister of the bride, was the maid of honor. She wore a redingote gown of ice blue marquisette over pale pink and carried Johanna Hill roses and larkspur. Enrique Erversson of Alpine, N. J., was the best man.

The home was decorated with ciborium ferns, wild oak, white lilies, iris and gladioli.

Following a wedding trip to Canada, Mr. and Mrs. O'Connor will reside in New York.

The bride was graduated from the Beaver Country Day School. She also attended Mt. Vernon Junior College in Washington, D. C., and the Lory School of Music, Cambridge. The groom was graduated from Columbia University and the Harvard Graduate School of Business Administration. He is a member of Delta Chi fraternity.

## Congressman Luce Will Run Again

The likelihood that Congress may remain in session and Congressman Robert Luce will remain at his post in Washington, as has been his custom, will not change the practice of moving his office activities to Waltham and Cambridge for the summer months, according to information released by Robert Kempton, secretary of Mr. Luce. Mr. Kempton will be assisted by Betty Bryden and Walter Byron in handling the Congressional business of this 9th District.

Mr. Kempton states that printed statements which have been circulated throughout the district indicating that Congressman Luce is not in good physical condition and intends to retire, have no foundation in fact. He has missed only three or four rollcalls during the 75th and 76th sessions. Mr. Kempton says that if Congress stays in session, Mr. Luce will not be able to give much personal attention to his campaign for re-nomination and re-election, and thus it will be necessary for him to rely on the efforts of his friends and supporters to carry on the campaign.

## —War Relief

(Continued from page 1)

which all and more than twenty million dollars sought by the Red Cross will be needed."

In Newton the local Chapter is giving every effort to carrying forward their share in this great task. The work of making ready the dresses and garments so desperately awaited overseas has necessitated the opening of new quarters for the Production Department of Sewing and Knitting. These are now located at 297 Walnut St., Newtonville, corner of Austin st., and diagonally across from the present Red Cross Headquarters in Room 3, an upstairs room. This office will be open daily, except Saturdays, from 9 a.m. to 4 p.m., and here materials may be obtained, or finished garments returned. Information may be secured here, also, on this branch of the work, by calling Newton North 2676. Mrs. Carl H. Hanson is in charge of sewing; and Mrs. David Galloway is in charge of knitting.

In addition to the information previously announced as to meeting places and chairmen in charge of the various sections of Newton, those who wish to assist in this work in Chestnut Hill may call Mrs. E. P. Saltonstall, Longwood 0713, in regard to knitting and Mrs. Karlton G. Percy, Longwood 5781, in regard to sewing, as chairmen in charge.

Work on making Surgical Dressings in Newton will begin shortly. Mrs. William Young, 21 Foster st., Newtonville, will be in charge. Mrs. Young represented Newton at the Regional Course which was held in Boston, from Tuesday, June 18th, through Friday, June 21st, and she will be qualified to instruct in the making of these dressings.

Interest in Newton in securing the quota of \$24,000 asked from the Newton Chapter was shown by the golfers of the city over last week end. In co-operation with a plan inaugurated by the Massachusetts State Golf Association for contributing to the Red Cross Fund, it was arranged through Mr. Edward H. Learned, vice-chairman of the Newton Chapter that the Newton Golf Clubs join in the plan. The entry fees in the golf tournaments, therefore, held last Saturday and Sunday at the Brae Burn Country Club, the Charles River Country Club, the Commonwealth Country Club, and the Woodland Golf Club, were turned over to the local Newton Chapter toward their quota.

The total in Newton is still only slightly over \$20,000. Contributions will be most welcome. In order to raise the quota before July 1, checks should be made payable to Newton Chapter, American Red Cross and may be sent to headquarters, 12 Austin st., Newtonville, or to any local branch of the Newton Trust Company.

Since the tragic surrender of France last Monday—a country already the place of refuge of hundreds of thousands of people fleeing devastated countries—the words of Chairman Davis are even more strikingly true: "Reports from our representatives in France say the most desperate need is for shoes, blankets, bedding, and clothing. These we have been sending as fast as possible, but there is almost no end to what we should do. An appropriation from the Government in no way lightens the burden the Red Cross has assumed."

## Police Committee Confers With Mayor on Days Off

At a meeting held at police headquarters on Saturday morning a committee was elected to confer with Mayor Goddard on the request of members of the department for one day off in six. The committee includes Lieut. Edward Moan, Sergeant Michael Sullivan, Inspector Joseph Lyons, Patrolmen Robert Turner and William Condrin.

## Order of Civil Service Director Will Disrupt Playground Work Here

### Commissioner Wilson Wants To Retain Services of Teachers This Year

On Tuesday F. Ewing Wilson, Recreation Commissioner of Newton, received from Ulysses J. Lupien, director of Civil Service a letter in which attention was called to Section 15A, Chapter 31 of the General Laws, which was quoted as follows—"Persons employed by the Commonwealth, county, city or town, are not eligible for temporary appointment."

The letter from Director Lupien stated—"In order that proper action may be taken, will you please let me know if any of the persons named on the attached list are employed by the city, county, state or town. I would appreciate an immediate reply."

The list to which Director Lupien referred was that of persons temporarily employed by the Newton Recreation Department as playground directors and supervisors. Lupien's letter also quoted the amendment to Section 15A as passed in 1934, which reads—"No person in the employ of the Commonwealth, or of any county, city or town, other than one employed on an intermittent or part time basis, or at a nominal salary, shall be certified for temporary employment under this chapter."

Commissioner Wilson states that if Director Lupien insists in enforcing this law in Newton this year, it means that 18 school teachers employed by Newton playgrounds would have to be dismissed. Fifteen of these teachers hold key positions on the playgrounds, and to be forced to discontinue their service at once, and replace them with inexperienced directors, would disrupt not only for this season, but also for the coming year or two, playground activities in Newton. Mr. Wilson ascertains that the Civil Service Commission allow a period of three years in which Newton can gradually replace the experienced school teachers here for many years, and train their successors.

## Lincoln and Eliot Schools Are Razed

The old Lincoln School at Thornton and Pearl sts., Newton, and the old Eliot School on Pearl st., Nonantum, are being razed this week by building wreckers. The Lincoln School was erected in 1854 and the Eliot in 1884. It has been proposed that the land where the Lincoln School was located be converted into a playground for the little children of the congested district nearby, and that part of the lot be used to widen the dangerous intersection at Pearl and Thornton sts. A traffic beacon there has guarded against sharp left turns at a very blind corner, where a number of automobile accidents had occurred before the beacon was placed there. No plans have been made for the disposition of the land where the Eliot School was located.

## Course In Retail Salesmanship In Public School

At the meeting of the Newton School Committee on Monday night six new teachers were elected to start in the Newton Public Schools next September. They are: Bettina King, mathematics, Weeks Junior high school; Charles O. Richter, Ward School, grade 6-7; Verna A. Gaziano, special assistant, Hyde, Stearns and Mann schools; Gertrud Abbihi, assistant supervisor of art; Mary R. Kennedy, special class, Emerson school; E. Burnham Dunton, graphic arts, Weeks Junior high school.

Miss King has been a resident of Melrose. She graduated from Bridgewater State College in 1932 and has been teaching in Lincoln. Mr. Richter has been a resident of Kingston and has taught in the schools there and at Penbrook. He graduated from Bates College in 1933. Miss Gaziano lives at 502 California st., Newtonville. She has been doing substitute work in Newton schools. Miss Abbihi is from White Plains, N. Y. She was graduated from Teachers College, Columbia University in 1923 and received an A.M. degree there in 1933. She has been teaching at Fox Meadow School, Scarsdale, N. Y. Mr. Dunton is from East Edgcomb, Me. (Continued on page 8)

## Would Prohibit Use of Fireworks

A petition signed by fourteen women and two men residing on Shaw, Putnam and Hunter sts., West Newton, was received by the Board of Aldermen at the meeting on Monday night. The petition was addressed to the Mayor and Board of Aldermen. It asks that "immediate steps be taken to abolish the use of firecrackers and so-called bombs in Newton except in our public playgrounds, and under the control of police officers. We further petition that the holders for firecrackers and other noise makers be restricted to the hours between 7 a.m. and 10:30 p.m., and then only on recognized playgrounds of our city."

## Bristol Resigns From School Com.

Clark B. Bristol of 65 Allerton rd., Newton Centre resigned as a member of the Newton School Committee at the meeting of the committee on Monday night. He has been a member of the committee since 1938 and was serving his second three year term. He is associated with the Century Indemnity Company and has been transferred from the Boston office to the home office at Hartford. A joint convention of the School Committee and Board of Aldermen will be held to elect a successor to Mr. Bristol as school committee member from Ward 6.

## Mayor Goddard Urges Safe and Sane July Fourth

The following statement was issued by Mayor Goddard on Thursday. "There have been serious objections on the part of many Newton citizens to the discharge of fireworks, bombs, etc., on the Fourth of July. Protests have been made to members of the Board of Aldermen as well as to the Mayor. In view of these objections it will be very greatly appreciated if our citizens, including the children, will cooperate to make this a quieter and safer Fourth. If this is done, both the fire and accident hazards will be greatly reduced."

"It is suggested that fireworks be discharged only between the hours of 7 a.m. and 10:30 p.m., and only on public playgrounds, if this type of celebration is deemed necessary."

"It would be welcomed if the money usually spent on fireworks should be forwarded to the Newton Red Cross to help toward our City's quota."

## Collect Rubbish Every Other Week

During July and August the Newton Street Department will collect rubbish and ashes only once in two weeks instead of weekly. The collections will be made on the regular day in each Ward and in September the weekly collections will be resumed.

Newer residents of Newton (and a few of the older residents) should know that rubbish and ash barrels must be on the outer edge of sidewalks not later than 7 a. m. on the day of collection. Barrels and other rubbish containers must not be placed on sidewalks before sundown on Sundays, nor are they to be left on sidewalks overnight after having been collected. Combustible material must be placed in separate containers from non-combustible material. Brush will not be taken unless tied in bundles not over 4 feet in length, or in proper containers.

## Red Cross Opens Life-Saving and Swimming Courses

Mr. E. M. Westgate, who has been Chapter Instructor in Swimming and Life Saving for several years for the Newton Chapter of the American Red Cross, is beginning his instruction for the summer season, having started this group work last Monday, June 24th, at Crystal Lake. Classes are being formed, and the schedule of hours arranged is as follows: daily at 9:15, non swimmers' instruction; 10:00, beginners' test and intermediate swimmers' instruction; 11:00, junior and senior life-saving; 2:00, non-swimmers' instruction; 2:45, intermediate and beginners' test; and 3:30, life saving instruction. Any further information may be secured by calling the Chapter Headquarters, N. N. 2717.

The people of Newton and vicinity are fortunate, indeed, to have this opportunity offered at home to become qualified to assist in time of need for saving life. Life Saving methods, as developed by the National Red Cross, have been credited with reducing materially the annual toll of drownings. The resuscitation methods, when used by trained life savers, (Continued on page 8)

### Mrs. Speare To Run For Legislature

Margaret L. Spear, for many years prominent in the civic life of Newton, has announced her candidacy for the office of representative to the General Court from the Fifth Middlesex District to succeed Representative Paul M. Goddard.

Mrs. Spear has served the community in many ways. She has been President of the Newton Centre Woman's Club for five years, President of the Newton Federation of Women's Clubs, President of the Newton Central Council, and Vice-President of the Newton League of Women Voters, a director of the Family Welfare Bureau, of the Mothers' Rest Association, the All-Newton Music School and of the Newton Center Improvement Association. She was a member of the Newton Centre Branch Library Building Committee, of the City Hall and War Memorial Building Committee, and of the Mayor's Relief Committee. She has also been President of the Boston Wellesley College Club, Secretary of the Women's City Club of Boston, and a member of the Advisory Committee of the National Shawmut Bank and a director of the Boston College Club.

Mrs. Spear is a Republican and has been Secretary of the Republican City Committee for the past ten years.

She was born in Maine and is a graduate of Wellesley College. Mr. and Mrs. Spear have lived for thirty years in their own home, 121 Bishopsgate rd., Newton Centre. They have two sons.

A large committee of men and women to further Mrs. Spear's candidacy is being organized under the leadership of Mrs. Walter Hartstone.

## Newton Pays El Deficit

The amount assessed on the City of Newton this year as its share of the deficit of the Boston Elevated Railway Company is \$21,563.12. This is \$218 less than the amount Newton had to pay last year. The deficit of the Elevated this year is \$2,724,678.87. It has to be met by those cities and towns of Greater Boston which are served by the Elevated, and is based on the number of passengers carried in each company.

## Newton Community Chest Unites With Boston Fund For One Relief Campaign

### Council of Local Charitable Agencies Practically Unanimous That Step Is In The Best Interests of Community

The Newton Community Chest, which has conducted independent annual campaigns since 1932 for the support of 15 local health and social agencies, became a member of the Greater Boston Community Fund Campaign this week.

Announcement of this action was made by A. Leslie Harwood, Jr., president of the Newton Chest.

Thus Newton agencies will join 175 other Greater Boston human service institutions in participating in the next united financial campaign to be held in late January and early February, 1941.

In uniting with the Greater Boston Fund in central financing, Newton joins with Belmont, Cambridge, Dedham, Lexington, Needham, Winchester and Watertown. This week the Arlington Community Chest also joined the Greater Boston Community Fund for participation in the 1941 campaign.

Realization that increased responsibilities go hand-in-hand with the increased benefits given by cooperation with the Greater Boston Campaign was expressed by Mr. Harwood. "We believe that joining in the Greater Boston Community Fund Campaigns not only will provide more efficient financing of our local social agencies, but also will save Newton citizens the time and trouble involved in running two campaigns each year," Mr. Harwood declared.

"In addition, the step we have taken will save considerable extra expense necessitated in the past by raising funds independently of the Greater Boston Campaigns," Maynard Hutchinson, treasurer of the Newton Community Chest, pointed out yesterday. He assisted Mr. Harwood in the negotiations between the local organization and the Greater Boston Community Fund's metropolitan committee, headed by Harold S. Fuller of Winchester.

"The cooperation of the Newton Community Chest as a member of the Greater Boston Community Fund is a tribute to the fine spirit of the citizens of Newton in recognizing not only their responsibilities to their own local agencies, but also to their other agencies located in Boston, Cambridge and other neighboring cities and towns," Mr. Fuller said.

"We all know that the results of this arrangement will prove very satisfactory to all concerned."

The member agencies of the Newton Community Chest are: All-Newton Music School, Inc.; Boy Scouts—Norumbega Council, Inc.; Family Service Bureau of Newton, Inc.; Girl Scouts—Newton Local Council, Inc.; Newton Catholic Welfare Committee; Newton Circle, Inc.; Newton District Nursing Association, Inc.; Newton Hospital, Inc.; Newton Hospital Aid Association, Inc.; Newton Y. M. C. A., Inc.; Rebecca Pomeroy House; Stone Institute and Newton Home for the Aged; The Thrift Center; West Newton Community Centre, Inc.; Newton Community Council.

The Newton Community Chest, thanks to able volunteers as leaders and workers, has enjoyed eight successful years because of the confidence and generosity of Newton citizens. In its last campaign there were nearly 18,000 pledges, more than one per family, with about 25 per cent of the population giving. This is a remarkable record and one of which the 1939 Good Neighbor team and Newton's civic-minded, generous citizens may well be proud.

With the growth of the Boston Federation and its necessary expansion into suburban communities to secure needed and merited support for Boston organizations and institutions which serve all suburban communities, many leaders and workers in Newton's Chest and its campaigns, as well as many givers, have grown to believe some sort of united campaign between Boston and Newton would be in the best interests of citizens and agencies of both communities, would command generous

support, loyal work and would build even greater good-will towards local Chests and Funds. The matter has been under consideration by the officers and Directors of the Newton Chest for some time and this resulted in a special meeting of its Board of Directors on April 29th. There the suggestion of a united campaign with Boston was considered and discussed at great length, with full consideration given to all sides, to evident advantages and disadvantages. That meeting authorized President Harwood to appoint a committee from the Newton Chest Board to confer with the representatives of the Executive Committee of the Boston Federation. Such a conference took place within a short time thereafter, with A. Leslie Harwood, Jr., president; Maynard Hutchinson, treasurer; Clifford H. Walker, board member, and L. A. Bruce, Jr., executive director, all of the Newton Chest, meeting the Boston Federation representatives: Charles Francis Adams, president; J. Wells Farley, chairman, executive committee; Arthur G. Rotch, vice-president; Harold S. Fuller, chairman, Metropolitan Committee, and Harry M. Carey, executive director. This meeting discussed the proposal at much length and the revision was submitted, to the Newton Chest Directors at a second special meeting on June 5th. The sentiment of those present was unanimous, with but one exception, for the proposal, after some further suggested changes had been voted by the meeting, and it was referred by the Board to the Chest-Council via the member-agencies of the Newton Chest.

Copies of the revised statement were immediately prepared and placed in the hands of all officers and directors of member-agencies of the Newton Chest. Agencies called special Board meetings to discuss the matter, preparatory to a special meeting of the Chest-Council called for June 24th. The Council of the Newton Community Chest, according to its Constitution and By-Laws, is the body of final appeal in the Chest. It is composed of three delegates from each member-agency of the Chest, plus delegates at large. A very well attended meeting of that Council was held on June 24th, the matter again discussed, questions asked, and answered by Mr. Harwood. When the body stated it was ready for the question, Mr. Harwood polled the meeting by agencies and then the delegates at large. The result was that 13 of the 15 agencies voted in favor of the agreement as submitted and nine of the ten delegates at large present were in favor and the agreement was therefore adopted for one year. This means that the Newton Chest Campaign will be held in late January and early February of 1941, simultaneously with that of the Boston Federation, as a united campaign. The meeting also voted for the following resolution as submitted by Mr. Harwood, after its overwhelming vote in favor of a united campaign in 1941:

**RESOLVED:** That the President of the Newton Community Chest and Council be authorized to write to the Community Federation of Boston stating that subject to acceptance by said Community Federation of the provisions of this Resolve the proposal for a joint campaign on financing only by the Community Federation of Boston and the Newton Community Chest as set forth in "Memorandum for a United Campaign" dated June 6, 1940, this memorandum setting forth a general plan to be followed and this memorandum to be interpreted by said Community Federation and said Newton Community Chest in the light of the past experience and practice of the Newton Community Chest and on the basis of mutual respect, confidence and good faith is accepted.

## THE FOURTH OF JULY

The proposal to limit the use of accessories to the traditional celebration of the Fourth of July in Newton to playgrounds during the day time seems to us to be one which was not carefully thought through before it was presented to city authorities by its sponsors. While it is true we have come to consider playgrounds as the natural and most desirable gathering place for the youth of the city, we have done so largely because of the opportunity for safety which is offered. Certainly if we are going to practice safety and the careful handling of fireworks we should prohibit their use where children are gathered in large numbers. It is purely a parental responsibility as to whether or not children are subjected to the dangers of carelessness and improper handling of such customary observances of our independence.

Promotion of a safe and sane July Fourth is most desirable in a determined effort to reduce the tragedies which annually take place. The entire elimination and prohibition of fireworks and firecrackers can only be accomplished through the gradual change in the methods by which we celebrate the birth of this nation. It will take years, perhaps a generation or two—it cannot be done overnight. Meanwhile as parents we should not only accept the responsibility for our own children but should also protect the rights and desires of our neighbors. This is one task we cannot turn over to the community in which we live until we first change the method of celebration.

## A FAITHFUL PUBLIC SERVANT

For the past fifteen years the late George Kellar served as secretary of the Newton School Committee with a faithfulness and integrity expected of all public officials, but seldom appreciated. As a public official in this capacity, and also as a member of the Playground Commission for several years, he continually kept the public interests as the motive which decided his action. And in so doing George Kellar earned the respect and friendship of the many with whom he came in contact. Newton has lost a valued public servant.

## BE PREPARED

The closing of school, the opening of summer camps, and the real arrival of summer weather also heralds the opening of lifesaving and swimming classes under the direction of the local Red Cross Chapter. Continual warnings are issued to the public giving valuable hints and information as to when and where dangers are apt to be encountered while swimming. No person should risk his safety or that of any other person thoughtlessly or needlessly. Every person who desires to go near, in or upon the water should first know how to take care of himself and if he frequents such places should know how to take care of others. The opportunity to save one's own life or that of another may come at any moment and without warning. Be prepared. Learn to swim.

## Two Fined \$50 for Assaulting Man

Edward Dorsey, 21, of 25 Green st., Nonantum, was fined \$25 for assault and battery and \$5 for drunkenness by Judge Mayberry in the Newton court on Saturday and Bernard McGrath, 21, of 44 North st., Newton Centre, was fined \$20 for assault and battery. McGrath appealed. The two were found guilty of having assaulted Norman Koffman, 22, of 39 Boyd st., Newton. Koffman testified that while he was in a drug store at Newtonville with a young woman, three young men entered the place and one of them made an insulting remark. When Koffman started to leave the store the three attacked him in the doorway, and when he defended himself, they fled. Police who were summoned to the scene arrested Dorsey shortly afterward. McGrath was later identified by Koffman as one of his assailants. Carl Alfredson of 40 North st. was charged with having been a member of the trio who assaulted Koffman. The charge against him was dismissed when Koffman was unable to identify him.

Since the European war started ten months ago repeated polls taken by the efficient Gallup organization have consistently shown that from 92 to 94 per cent of the people of the U. S. A. are opposed to this country becoming involved in that war, which to date has been a series of victories for Germany. Despite this fact President Roosevelt has been repeatedly accused of following a policy that has been bringing this country nearer and nearer to war, and that he is war-minded notwithstanding the overwhelming sentiment of this country to the contrary. It is shown by the appointment of Henry L. Stimson, an avowed interventionist. That this country is quite unprepared to wage war has been repeatedly asserted by our military leaders, and this fact is common knowledge not only to intelligent Americans, but also to the Nazis, Fascists and Japanese. Yet a fatuous few here seem determined to have the U. S. A. hurled into the maelstrom of destruction.

In his address to the House of Commons the other day Winston Churchill told of the tragic conference he had with the French leaders in that country before it capitulated to Germany, and of the statement made by Premier Reynaud that because of an unsatisfactory reply from President Roosevelt to Reynaud's last minute appeal for assistance from the U. S. A., that France would have to surrender. The French leaders must have known that our President did not have the authority to order the armed forces of this country into the war, and even had he this power, the U. S. A. is utterly unprepared to participate effectively in the war. In April 1917 we declared war on Germany. It was in July, 1918, before the A. E. F. started to fight independently as a huge army.

In this column four weeks ago we criticized those who accuse King Leopold of cowardice and treachery because he capitulated to the Germans. We stated that if the Nazis reached Paris, the French might cease being heroic, and would capitulate. They did.

EDWARD H.

## Powers' Paragraphs

Newton boys of past generations became friendly with boys from the Oak Square and Brighton Centre districts by swimming with them at the old swimming hole between Newton and Faneuil, and by skating with them on Strong and Chandler ponds off Kendrick st. The Oak Square and Brighton boys in those days were wholesome youngsters. But, for some years past a considerable number of youths from those sections have been arrested annually in Newton for stealing automobiles, and to a lesser degree for burglarizing homes in this city. A year or more ago Judge Mayberry of the Newton district court, in imposing sentences on Brighton youths, commented that he would break up the gang from that district which has been committing crimes in Newton, if it was the last thing he did. Apparently, a boys' club is needed in Brighton as a corrective influence.

Last week in this column we commented on the annual nuisance of firecrackers and other small explosive devices being set off for a period of three or more weeks before July 4th, causing torture to sick persons, and annoyance to well persons in Newton and elsewhere. We suggested that a State law be passed forbidding the sale of fireworks to the public except for a period of three days preceding July 4th. We also suggested that the money being wasted on the premature and illegal use of firecrackers and other fireworks, might better be used for the war refugees in Europe.

Last Monday night as we sat at the press table in the Aldermanic chamber at City Hall we heard a petition read. It was signed by about a dozen Newton women. This petition asked that the Aldermen restrict the use of firecrackers and other fireworks to public playgrounds in this city between the hours of 7 a. m. and 10 p. m. July 4th, and that a policeman supervise the discharge of said fireworks at each of the playgrounds. We at once entered a protest against this petition, although we believed the Aldermen would not give it serious consideration. We reside about a half mile distant from a playground in a thickly settled part of Newton, and we certainly would not favor hundreds of children and youths from other neighborhoods coming near our residence on July 4th to produce an inferno of noise in our immediate neighborhood. Neither would people residing in the vicinity of the other playgrounds in the Newtons.

Those of us who live near playgrounds have to listen to the noise of children and young folks who use these recreation places for ordinary purposes, at least six months each year. So, we should not be too exacting in our demands for fireworks racket on July 4th. There are sick persons in neighborhoods near playgrounds as well as in other parts of the city, and those of us in a playground neighborhood have nerves even as persons who do not live near playgrounds. Some persons are quite considerate of their own comfort, but not so considerate of the comfort of others. Most parents whose children desire to legally discharge fireworks on July 4th will reasonably want to personally guard their youngsters. Instead of transferring this duty to some policeman on a playground, and we would not care to be the policeman saddled with the task of supervising scores or hundreds of children setting off firecrackers and other fireworks in proximity to each other. There certainly would be much liability of children getting injured by exploding fireworks under such conditions.

Arthur Beck, 38, formerly of Newton, was sentenced to serve 6 months in Billerica prison by Judge Crafts in the Newton court on Monday. He was found guilty of not supporting his wife and four children, who have been on welfare. He was also found guilty of larceny of a \$15 check which the city sent to his father in 1938, and on this charge was also sentenced to 6 months, but this sentence will be suspended for 6 months. Beck was arrested Saturday in Woburn by Lieut. Crowley and Serg. Bannan of the Newton police at a house where he was employed as a houseman and also as a chauffeur. He had obtained employment thereby appearing with a young woman and the couple posing as man and wife.

The report that a large part of the United States navy is en route from the Pacific to the Atlantic comes with the report that the Japanese are sending many of their naval vessels to French Indo-China, which is conveniently admitted that Japan is in a position now to do about as it pleases in Eastern Asia and the East Indies. But, Japan would not now be in the saddle in the East were it not for the fact that for the past 3 or more years the United States and Great Britain have been providing her with war supplies to carry on the conquest of China. And both these countries were repeatedly warned that what is happening might happen because of the material aid they were giving to Japan.

In the death of General Smedley Butler this country lost one of its fighting men, and one whose knowledge of war gave authority to his powerful opposition to attempts to again embroil this country in the recurring carnage between foreign empires for attempted world domination.

Any fairminded man will agree with Senator Lodge in his opposition to the use of the CCC for military purposes, and his contention that such action would make cannon-fodder of poor youths, while exempting those youths in more prosperous circumstances. In the meanwhile, lack of moral courage on the part of our government at Washington is preventing definite action in instituting compulsory military training for all physically qualified youth of the U. S. A., regardless of social or financial standing.

Harry W. Fitts, during his 30 years' residence in Newton, was a distinct asset to this city. He had selected it as his home and he gave freely of his time in the interest of his civic affairs. He served six years as an Alderman and later served as a member of the Consensus Fund. Conscientious, considerate, courteous, he won and retained the esteem and friendship of many. We regret his passing.

## Jail Term for Man For Non-Support

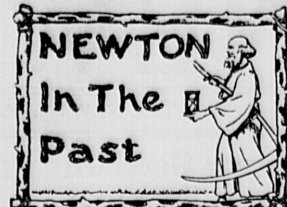

Arthur Beck, 38, formerly of Newton, was sentenced to serve 6 months in Billerica prison by Judge Crafts in the Newton court on Monday. He was found guilty of not supporting his wife and four children, who have been on welfare. He was also found guilty of larceny of a \$15 check which the city sent to his father in 1938, and on this charge was also sentenced to 6 months, but this sentence will be suspended for 6 months. Beck was arrested Saturday in Woburn by Lieut. Crowley and Serg. Bannan of the Newton police at a house where he was employed as a houseman and also as a chauffeur. He had obtained employment thereby appearing with a young woman and the couple posing as man and wife.

## Sunbeam Chats

Am I excited! We're going for a picnic Sunday to the beach where I can play in the sand and water. I just love to dig. Mother was telling the District Nurse we'd take lots of food to give me plenty of energy so I could dig right to China if I wanted to. She said she couldn't have me getting sick on hot dogs, pickles and taters like lots of kids do and anyhow she didn't think much of hot dogs, especially since she'd read so much 'bout a disease people got from eating pork that isn't well cooked—can't remember the name but it sounds awful and lots of people have it. But I can have an ice-cream cone, though, after I eat the lunch Mother brings for me. Hooray!

Sunbeam Chats are sponsored by the Newton District Nursing Association.

The work on the tunnel for pedestrians under the Boston & Albany tracks opposite Channing st. is progressing slowly but thoroughly.

The Eliot Church choir on Sunday sang some of their old favorites; an improvement on some of their recent selections. Mrs. Goodrich sang two very pretty solos.

Large crowds nightly attend the Sagwa Bitter shows given by the Kickapoo Indian Medicine Company on Centre st. at Boyd st. Pipes and awfully poor tobacco prevail in the audience.

The Newton Lawn Tennis Club courts on Richardson st. present an attractive appearance every pleasant afternoon. Two of the courts were occupied by good "doubles" last Saturday.

While playing ball last Wednesday Mr. Edward Pike failed to catch the ball and it hit him squarely in one eye. He says he could not count all the stars he saw, but he can see well enough with the other eye to sharpen any kind of lawn mower.

The annual prize drill of the Newton High School military battalion takes place next Saturday afternoon on Eliot Lawn, West Newton. It promises to be a brilliant occasion, enlivened by the Salem Cadet Band, and 2000 or 3000 guests invited to witness the contests of tactics and arms before competent military judges. The boys have hosts of female admirers.

There was a very pleasant gathering at the Church of Our Lady, Help of Christians, on Wednesday evening. About 800 of the parishioners attended and partook of a fine collation set on the vestry tables. The evening was made further pleasurable by music provided by the church choir under the lead of Mrs. Harkins. A delegation of students from Brighton Ecclesiastical Seminary was present. A considerable sum was added to the church fund.

By the enterprise of our esteemed fellow citizen, Mr. James T. Allen, all the people of this city may now enjoy the supreme luxury of bathing and swimming right in our midst; as handy as the Frog Pond on Boston Common would be to the people of Boston if they were allowed to bathe in it. No need of going down to the beach and cutting your feet on the rocks, or becoming nauseated by salt water, when by going to Mr. Allen's pond at West Newton you can find all the facilities of the best bathing places at a nominal cost.

Assistant Chief Randlett of the fire department has received his new outfit, horse and wagon and uniform and is listening eagerly to hear the first click of a fire alarm.

The 40 acres which surround the buildings of the Newton Theological Institution have been leased to Deacon Dwight Chester for several years, and are now under a high state of cultivation. One can see there a field of rye which would do credit to the Mass. Agricultural College.

Undertakers will hereafter be required to give the maiden name of the mother of a deceased person in making their returns. This is required by a new law which went into effect this month.

An effort is being made to raise a general fund for fireworks at Nonantum sq., Newton, on the evening of July 4th. Residents of the vicinity are to unite in the celebration and a subscription paper is meeting with good success.

Thomas Ackroyd of Upper Falls was severely injured on Monday. He was learning to ride his new bicycle, an \$85 one which he had just purchased, and in coming out of the alley near Eliot and Chestnut st. corner, he ran into a team just turning the corner. The horse stumbled and fell upon Ackroyd, breaking one rib and his collar-bone. Dr. Thompson was summoned. The bicycle was a total wreck.

The third grand sale of house lots at Waban Village (on the Circuit) by James F. C. Hyde and Elliott J. Hyde, auctioneers, will be held on Saturday, June 14, at 3:15 o'clock. Owing to the great success attending the two previous sales and the increasing demand for moderate priced lots, we shall sell 50 choice house lots well located on fine, new streets on the high, healthy, tableland with a fine view for miles, and in a spot conceded to be the healthiest of Boston's suburbs. The lots are located on Varick, White Oak, Nesbome and Agawam rds., Washington and Beacon sts. They vary in size from 10,000 to 20,000 feet and all the streets have been built at great expense under the supervision of the eminent landscape engineer, E. W. Bowditch. Terms—10 per cent down, balance at 5 per cent in two years. Free tickets both ways on day of sale from auctioneers.—Advertisement.

## Red Cross Still Working For Quota

The Newton Chapter of American Red Cross has still nearly \$3,000 to secure before July 1 to reach its goal of \$24,000, the quota asked by the National Organization, if desolation overseas is to be in any way alleviated. "The American Red Cross intends to continue its efforts to extend all possible relief to the refugees and wounded in France after cessation of hostilities, if it is granted liberty of action in getting help to those for whom it is intended," Chairman Norman Davis announced this week.

Nearly \$4,000,000 in cash or in purchased supplies have either been shipped or designated for France up to June 21, besides Chapter-produced garments and dressings, it is stated. A staff in Bordeaux is planning in advance the distribution of the cargo of the S.S. McKeesport, the Red Cross "Mercy Ship," previous to its arrival, in order that the \$1,000,000 worth of supplies may be handled speedily.

In London, the creation of an American Red Cross Committee is carrying forward the new emergency assistance. Prior to June 21, a total of \$377,687 had been expended for such relief in Great Britain, and now an additional appropriation of \$1,000,000 will be expended. Add to these countries, Finland, Poland, Belgium, and all the war-stricken areas, and it is understandable how great is the task of the Red Cross, and what it means to these suffering people to be clothed, fed, cared for by hospitalization, by surgical check, penicillin, and by security from infection, and by security from poverty and devastation. One may imagine somewhat the relief of these victims who find help has come, to add them.

It has been greatly appreciated that the spirit in Newton has been so generous, understanding, and cooperative. Not the least admirable has been the spirit of the children in their sympathetic eagerness to contribute to the Children's Fund. Societies, clubs, churches, schools, public and private, in groups, business establishments, have found added to their list the Boy and Girl Scouts, and groups of children, such as the Girls' Biology Class at Newton High School, and those who have staged plays and public entertainments, and while enjoying the amusement and talent of such affairs, added their bit to the Children's Fund of the local Chapter which now amounts to \$892.90. Seven girls, led by Betty MacNeil, under 11 years of age, in Newtonville, staged an entertainment including tap dancing, toe dancing, ad short skits, in the gardens of Mrs. Lester J. Lisbon, 54 Sheffield rd., by which they raised \$36 for this fund. In Waban, Nancy Monroe, of 1784 Beacon st., and 8 Monroe, of 1784 Beacon st., which netted \$82 for the fund. Boys and girls have come to Headquarters with contributions, and even with their weekly allowances; a generosity that touches the heart.

July 1 is nearly here, and with the people of Newton and its vicinity rests the success of the securing of Newton's quota. Any who wish to make contributions may do so at 12 Austin st., Newtonville, or with any local branch of the Newton Trust Co.

## Newton Lower Falls Forms Red Cross Chapter

Under the general chairmanship of Mrs. A. Douglas Cook of 136 Pine Grove ave., the women of Newton Lower Falls have organized a local Red Cross Chapter to meet until further notice on Mondays, Wednesdays and Fridays from 10 a.m. to 5 p.m. at Enrich Hall.

Mrs. Norman Wright will be in charge of sewing, assisted by Mrs. Everett Brooks.

Mrs. Melbourne Hemen, Jr., will direct the knitting work, and Mrs. Cook will personally supervise the making of surgical dressings.

The committee urgently requests every woman in the community to aid this worthwhile enterprise.

## Boys Burglarize West Newton Home

The residence of Blythe Jones at 38 Lodge rd., West Newton was broken into and ransacked on Monday, apparently by three boys about 14 years of age, who were observed loitering about the house. Police investigated and found that a cellar window had been broken. Then the intruders apparently used a hatchet to break open a door leading from the cellar to the first floor. Because of the absence of the Jones family, it is not known what was taken from the house.

## Fined \$35 For Drunken Driving

Chester Smith of River st., Hyde Park was fined \$35 by Judge Weston in the Newton court on Tuesday for driving a car while under the influence of liquor, and \$10 for drunkenness. He appealed. Smith was found allegedly drunk and asleep in his parked automobile on Hammond st., Chestnut Hill at 3:30 a.m. on June 18. The motor of the car was running.

## THE AS WE LIKE IT CLUB

The June Meeting of The As We Like It Club was held in the parish house of The Second Church, because of unfavorable weather. Elizabeth Kilburn and Hazel Holmes chairman, gave the club members a grand time. Roasted hot-dogs and steaming coffee was served, a scavenger hunt and games followed. Good Night Ladies' ended the festivities of the club for the season.

## Asks Aid for British Soldiers

Stoney Thorpe Hall,  
Southam, Warwickshire,  
England.

To the Mayor, Newton, Mass.

Dear Sir:

Because I am American born I perhaps know better than many others in this country the great kindness and generosity of heart which the people of the United States have when they are asked for definite assistance in a necessary and worthy cause. So I am taking the liberty of writing to cities and towns which bear Warwickshire names to see if they will answer a call for help for the men of this county who are serving with His Majesty's Forces.

Our committee has been set up in cooperation with the Royal Warwickshire Regiment to supply woolen comforts, such things as scarves, socks, mittens, gloves, sweaters, things which the government does not issue or the Red Cross supply, things which are absolutely essential to those men who have to face all weathers, and if funds permit, certain amenities, games, footballs and once in a while the hire of films for special isolated units, for all the men of the Royal Warwickshire Regiment and other units raised in the county.

Needless to say in a country facing the sort of war that we are today the question of money is one of the hardest propositions which we have to meet. Some of my classmates of Wellesley 1907 have had a concert to help my work, but we need such a tremendous lot of money that no one person's personal friends will be able to do it all. So I am wondering if the people of some of the places which bear good old Warwickshire names, and who may have a lurking affection for England, would give a helping hand in raising funds for this special work here. There are plenty of willing hands to knit if only we can find enough wool. I am adding a list of people who, if asked, will I am sure vouch for my personal honesty and for the work which we are doing.

Hoping so very much that you will give your valued support to this appeal for assistance, I am

Very sincerely yours,

MRS. GORDON CAMPBELL,  
Chairman War Activities Committee.  
Acting Chairman Comforts Fund.

If any citizens of Newton would like to send contributions in response to this appeal, they will be received at the Mayor's office.

PAUL M. GODDARD, Mayor.  
June 25, 1940.

## UPPER FALLS PARISH HOLDS VARIED PROGRAM ON FIELD DAY

A varied program for the Garden party of the parish of the Mary Immaculate of Lourdes Church, Upper Falls, was held on the grounds of the St. Mary's Church on Saturday, June 22, from 12 o'clock to 11 p. m.

The Boy Scout troop of the Parish had charge of the Ponies. Mrs. Marie Jaggard was in charge of the doll carriage parade. Mr. George Brace-land and Mr. Joseph Warren in charge of sports. Supper was served at 5 p. m. under the direction of Mrs. William Melea, Mrs. Marie Jaggard, Mrs. Nora Mahoney, Mrs. Edward Shaugnessy, Mrs. William Warren, Mrs. John Springham and Mrs. Margaret Smith.

A Hot Dog Stand was conducted by Mrs. John Oberland and Mrs. Raymond Capobianco assisted by the following: Girl Scouts, Florence Verochi, Nancy Nyren of Newton Highlands, and Francis Dowick, Mary MacDonald, Virginia Manning and Mary Anastasia of the Upper Falls girl scout troop. The ice-cream table was presided over by the Misses Agnes, Cella and Loretta Bellefleur.

The candy and fancy work table was supervised by Mrs. Wm. Hurley, Mrs. Nina Herman, Mrs. Edward Foley and Mrs. Michael Higgins. Mr. Joseph Warren was chairman of the evening musical program which featured specialty numbers by Henry DeRusho with his electric guitar, Neil McCallon and Walter Wallace with accordion selections, and a well known band. Leonard and Genevieve Tocci presented a specialty dancing number.

The Midway was under the direction of Elliot Hutchinson, Edward Fahy, James Lacey and Gus Polseili. The men of the parish under the direction of Edward Daly and John Kerrivan, assisted in the erection of the booths and care of the grounds.

## Automobile Accidents

Cars driven by Albert Chandler of Dedham and Lester Bamford of Watertown collided last Friday at Greenwood st., Oak Hill. The car driven by Chandler was badly damaged and he reported that he had been injured. The car driven by Bamford went a considerable distance after the collision.

A car driven by John Boates of Robbins st., Waltham, hit a pole on Florence st., Newton Centre, at 1:30 a. m. Saturday morning. He received cuts on his face and head and was taken to Newton Hospital in a police ambulance.

A bicycle ridden by Marcia Ray, 12, of 53 Central ave., Newtonville, and a car operated by Jean Archibald of Endicott st., Newton Highlands, collided opposite 289 Walnut st., last Friday. The girl was taken to the Newton Hospital for treatment. Mrs. Archibald reported that she had backed the car out of a parking space and had stopped it when the collision occurred.

Paul Cavanaugh of 20 Lewis ter., Newton was cut on his left hand and right arm on Monday evening while riding on the left running-board of a car driven by Hugh Grant of Forsyth st., Boston. The car collided at Newtonville ave. and Lewis st. with a car driven by Walter Rallsback of 174 Mount Vernon st., West Newton.

## Recent Weddings

QUINN—KERR

Miss Louise Allison Kerr, daughter of Mr. and Mrs. George Franklin Kerr of 110 Woodward st., Newton Highlands, was married to Theodore Kingett Quinn, Jr., son of Mr. and Mrs. Theodore Kingett Quinn of Darien, Conn., on Saturday afternoon, June 22, in the Newton Highlands Congregational Church. The ceremony was performed at four-thirty by Rev. Ben Roberts and was followed by a reception in the garden of the home of the bride's parents.

The bride wore an old fashioned gown of ivory satin with short sleeves, full skirt and heart shaped neckline. Her veil of ivory tulle fell from a coronet of lace and she carried a bouquet of white orchids and lilies of the valley. Miss Jean S. Quinn, sister of the bridegroom, and a classmate of the bride, wore a gown of aqua marine marquisette with matching halo and carried a bouquet of mixed flowers. The bridesmaids were Miss Janet Brown of Newton Highlands, Mrs. Frederick Grosbeck of New York, Mrs. William Triplett of St. Mary's, W. Virginia, Miss Mary Elizabeth White of East Orange, New Jersey, Miss Anne M. Calder of Bristol, Conn., and Miss Madelyn Smith of Middletown, Conn. They wore gowns of pink marquisette with matching halo hats and carried bouquets of mixed flowers with blue as the predominating color.

Robert G. McCreary of Cleveland, Ohio, was the best man. The ushers were Richard P. Kerr, brother of the bride, James G. Chapman of Wilton, Conn., cousin of the groom, Arthur E. Gramse of Holyoke, John H. Becker, Jr. of St. Louis, Mo., Albert Kaup, Jr. of Bronxville, New York and Robert E. Lee of East Orange, New Jersey.

Mr. and Mrs. Quinn will make their home on Long Island, New York.

The bride was graduated from Mt. Holyoke College in 1935 and received her master's degree from Northwestern University. She is a member of Zeta Phi Eta. The groom was graduated this month from Amherst. He is a member of Psi Upsilon fraternity.

KEVILLE—O'CONNELL

Miss Moira O'Connell, daughter of Mr. and Mrs. Joseph E. O'Connell of 363 Waverley ave., Newton, was married to William J. Keville, Jr., son of Colonel and Mrs. William J. Keville of Belmont at 10 o'clock, on Thursday morning, June 20, in St. Clement's Church, Boston. The bride is a grandniece of William Cardinal O'Connell, Archbishop of Boston, who performed the ceremony. Rt. Rev. Jeremiah F. Minihan celebrated the nuptial mass. A reception followed at the home of the bride's parents where large standards of delphinium, white and pink peonies and gladioli formed the decorations.

The bride wore a Vionnet model of candlelight satin with a tulle veil which fell from a cap of heirloom rosepoint lace with coronet of orange blossoms, and carried a cascade bouquet of white orchids and stephanotis. She was attended by her two sisters, Miss Catherine O'Connell and Miss Eileen O'Connell, as maids of honor. They wore gowns of heavenly blue crisp marquisette with matching lace gloves and hats trimmed with shocking pink. They carried shower bou-

quets of bella donna delphinium and pink gerbera. The bridesmaids were Miss Catherine Ryan, Miss Anna Ryan, Miss Priscilla Phelan of Brookline and Mrs. Douglas Cairns. They wore petal pink starched marquisette with matching lace gloves and hats trimmed with shocking pink and carried bouquets similar to those of the maids of honor. The bride's mother wore orchid pink lace over taffeta with corsage of pink orchids and a matching horseshoe hat. The groom's mother wore blue chiffon with an orchid corsage.

Edmund Keville, brother of the groom, was the best man. The ushers were Robert Haley of Washington, Conn., Frederick Drake of Bath, Me., Francis Bacon and Thomas Kimball of Belmont, Kenneth Cady of Waban, Melville Hughes, Jr., of Jamaica Plain, James H. Hook, Jr., of Woonsocket, Rhode Island, Douglas Cairns of Portland, Maine, and Edwin Parker of Wellesley.

Following their wedding trip Mr. and Mrs. Keville will reside at 17 Montrose st., Newton, where they will be at home after September 15.

The bride is a graduate of the Sacred Heart Academy, Norton-on-the-Sound, Conn. The groom attended Bowdoin College.

LIGHTBODY—CALKINS

Miss Patricia Calkins, daughter of Mr. and Mrs. Grosvenor Calkins of 49 Farlow rd., Newton, was married to James Davies Lightbody, Jr., son of Mr. and Mrs. James D. Lightbody of Glenview, Illinois, at four o'clock on Friday afternoon, June 21, in Grace Church, Newton. Rev. Raymond Calkins, uncle of the bride, of Cambridge, performed the ceremony. Grosvenor Calkins, Jr., brother of the bride, played the organ and bells! The church was decorated with candles along the aisle, ferns and white flowers. A reception followed at the home of the bride's parents.

The bride was given in marriage by her father. She wore her grandmother's wedding gown of stiff white taffeta trimmed with rosepoint lace, her mother's wedding veil, which was caught to a cap of rosepoint, short tulle mitts, and carried a bouquet of lilies of the valley. Miss Anne Calkins, sister of the bride, was the maid of honor. The bridesmaids were Miss Marguerite Dewey of Cambridge, Miss Katherine Jane Lightbody, sister of the groom, Miss Louise Risley of Newton, and five classmates of the bride at Vassar College. Miss Edith Farwell of Lake Forest, Ill., Miss Mary Dykema of Grosse Point, Michigan, Miss Lois Glover of Scarsdale, New York, Miss Virginia Shafroth of Denver, Colorado, and Miss Patricia Morris of Washington, D. C. All of the attendants wore embroidered blue organdie with full skirts, scalloped square necklines and short puffed sleeves, short mitts and white straw hats, that of the maid of honor being trimmed with coral ribbon and those of the bridesmaids with blue ribbon.

Mrs. Calkins wore beige lace and chiffon with a brown hat and carried gardenias. Mrs. Lightbody wore flowered chiffon with orchid corsage and a white hat.

Arnold Grinnell Cook of Attleboro was the best man. The ushers were Evan Calkins and Hugh Calkins, brothers of the bride; H. Rushton Harwood, Jr., of Springfield, Everett Paine Walkley of Marblehead, Luther H. Barber, Jr., of Barrington, Illinois, John Bird Lloyd of Winnetka, Illinois, Garret Wilson McClung of Kentucky, and John C. Kendrick of Winnetka, Illinois.

On their return from a three weeks' wedding trip, Mr. and Mrs. Lightbody will reside in Beverly where the groom will be associated with the United Shoe Machinery Company.

The bride was graduated from the Winsor School in 1937, is a member of the class of 1941 at Vassar and is completing her junior year as a transfer student at Radcliffe. The groom, who has been captain of the Harvard Track team, prepared at the Trier School in Glencoe, Ill. He was graduated last week from Harvard where he was a member of the student council and the class day committee.

## Arrested For Assaulting Woman

Gertrude Langonia of Zamora street, Jamaica Plain stopped a police car on Boylston street, near Circuit avenue at 3:45 Sunday morning and told Sergeant Sheridan that three men had beaten her in a house at 16 Richardson road, Newton Upper Falls. Her face was bruised. The sergeant and Patrolmen Rogers and McMullen made an investigation and later on complaints obtained by the woman arrested Edward Seidlick, 23, of 16 Richardson rd.; John O'Neil, 27, of Fisher ave., Roxbury; and Ralph Collins, 23, of 460 Washington street, Brighton. They were arraigned in the Newton court on Monday and their cases continued until Friday.

## Burglary At Girl Scouts Office

The office of the Newton Girl Scouts at 297 Walnut street, Newtonville was entered on Saturday evening and 55 cents stolen from a tray on a desk. Patrolman Purcell found the door open. It was the second time in two weeks that the office had been entered. Someone entered the fruit store of Ninos Marks at 1397 Washington street, West Newton on Saturday night and stole fruit and two cartons of cigarettes.

### Newton Gives \$355 In Tag Day Sales

Newton men and women gave \$355 to the Salvation Army War Work Fund during the Tag Day doings of last Saturday. The money is already on its way to war-torn Europe to help homeless folk—to take cheer to wounded and sick soldiers and give some relaxation to men on leave from the fiery scenes of war fronts.

Other Tag Days on the same day returned \$184 in Watertown and \$139 in Waltham.

Colonel Edmund C. Hoffman, in charge of Salvation Army doings in New England extends his thanks to Newton folk.

Eight tag day programs have been set for next Saturday. They will be held in Cambridge, Somerville, Brookline, Arlington, Melrose, Everett, Chelsea and Salem.

### City Sells Land At West Newton

At the meeting of the Board of Aldermen on Monday night it was voted to sell to the Kenmore Realty Company, of which Bennet Rockman is the head, a strip of land 103 feet wide and 25 feet deep between Cherry and Elm sts., West Newton, for \$1500. This is part of the land owned by the city and which has been leased by the purchaser and used as a parking space. The purchaser offered \$10,000 for the entire parcel, but the Aldermen declined to sell the whole lot. On the strip sold the purchaser plans to erect a super market.

As conditions of the sale, the purchaser agreed to fill in and grade the cellar hole at the corner of Washington and Cherry sts., and allow it to be used for parking purposes until built upon. The purchaser also deeded to the city a strip of land 123 wide and 11 feet deep, located behind the court house and police headquarters. This will be graded by the city as a WPA project, and used for parking purposes. The city will also extend the lease of the large parking area between Elm and Cherry sts. to the purchaser for 5 years, after the present 2 year lease will have expired.

### Arrested For Drunken Driving

Ernest Byork of Dudley rd., Brookline, was arrested at 1:30 this morning by Patrolmen Whelan and Salenne on charges of drunkenness and driving a car while under the influence of liquor. The arrest was made after the car driven by Byork had collided with a police car near the intersection of Washington and Chestnut sts.

### Day Jr. High School

The Tennis Team won its final match from the Bigelow Tennis Team on Thursday, June 13th, by a four to nothing score. Richard Pierce and Nelson Evans won the singles matches 6-1 and 6-3 respectively while Burton Corcoran and Dudley Brown, and Walter MacDonald and Frank Clark won the doubles matches by scores of 6-1 and 6-3. Together with Richard Seeley, Douglas Teschner, and Matthew Hurley the above boys have won four matches and tied one to finish a most successful season.

Each year one of the projects of the Red Cross is to send a remembrance to each of the veterans of the World War who are in the Chelsea Hospital. For help on this project they come to this school. For the past several years the F. A. Day Junior High School has been asked to see that fifty of the men have some little gift.

This year fifty attractive little packages of candy tied in dainty red, white and blue papers decorated with tiny flags were prepared. The following ninth grade girls assisted by the girls in Division 7G made the candy: Shirley Bennett, Nanette Bondi, Agnes Hingston, Elaine Boule, Rita Anicelli, Julia Battista, Rose Forte, and Alice Pescosolido.

The Ninth Grade Play Day was held at Bigelow Junior High School on Wednesday, June 12th. The Day Tennis team, consisting of Helen Duff, Katharine Hill, Phyllis Wright, and Marie Salvucci won with the Warren team taking second place. The Green team won the baseball competition. The baseball teams were not representing individual schools but girls from each of the schools played on the different teams.

**Lakes of Switzerland**  
Aside from 13,000 ponds, not counting "the pond" between America and Europe that you must cross to get there, Switzerland has 1,484 lakes; and yet it is only about half the size of the state of South Carolina, and is usually thought to be full of mountains.

### Gethsemane Comm. Elects Officers

Gethsemane Commandery, K. T., held their Annual Meeting and Election of Officers last evening. A lobster dinner was served at 6:30. Immediately after the election, these officers were installed into their respective offices by Em. Sir Franklin E. Welch, Deputy Grand Warden, assisted by Em. Sir Victor W. McKinstry.

The newly elected Eminent Commander detailed plans and program for the coming year, and received the congratulations of the many members present and their pledges of loyal support.

### Files Answer In Suit for Slander

In the suit for slander recently filed against Grace Chandler of 26 Page rd., Newtonville, by Mrs. Venita Mason of 9 Kingswood rd., Auburndale, and in which Mrs. Mason claimed \$100,000 damage, an answer was filed on Wednesday in the Newton court by Donald Donaldson, attorney for Mrs. Chandler. The answer states in part:

"1. The defendant denies that she ever spoke of the plaintiff the words contained in said first allegation and denies so much of said declaration, as amended, as applies to said first allegation.

"2. If the defendant spoke of the plaintiff the words contained in said first allegation, which the defendant denies, said words were spoken without malice and were true.

"3. If the defendant spoke of the plaintiff the words contained in said first allegation, which the defendant denies, said words were spoken without malice and under circumstances rendering them privileged.

"4. The cause of action on which the plaintiff relies in said first allegation did not accrue within two years prior to the commencement of this action."

### Tardy In Making Accident Report

Daniel Hamilton of 85 Hyde ave. was found not guilty by Judge Mayberry in the Newton court on Thursday of leaving the scene of an accident without making himself known. On June 20 at 8 p. m. a car driven by him hit a post at the intersection of Centre and Sargent sts., Newton, and knocked over the post which supported a police signal box and a fire alarm box. The car also knocked down a "Stop and Enter" sign. Witnesses gave police the registration numbers of the car. The following morning at 9 o'clock, Hamilton reported the accident. Hamilton testified that he was adjusting the radio in his car when the crash occurred. He said he went to his home after the crash and did not report it that night because his wife became hysterical when he told her about it and he was exhausted after a trip to Connecticut. Judge Mayberry commented that although the defendant had not reported the accident as quickly as he should, he had not, strictly speaking, broken the law.

### Auburndale Youth Passed Fake Checks

Wendell Meredith, 19, of 7 Robinhood st., Auburndale, was in the Newton court on Thursday charged with four counts of larceny by passing worthless checks by which he obtained \$59. He was held in \$400 bail and his case continued until July 3. He is wanted by Waltham and Boston police on like charges.

### Fined \$20 For Trespassing

Benjamin Botolino, 22, of Rindge ave., Cambridge, was fined \$20 by Judge Mayberry in the Newton court on Saturday for trespassing on the grounds of the Commonwealth Country Club. He was arrested the preceding afternoon by Patrolmen Cummings, Charlton and Maguire and gave a fictitious name and address when booked.

## Hit Car, Pushed It 105 Feet; Not Guilty Of Bad Driving

In the Newton court yesterday  
Judge Sherman of Somerville found  
Anthony Noll, Jr., of 1889 Beacon st.,  
Waban, not guilty of driving a car so  
as to endanger the safety of the pub-  
lic. On the evening of June 17, in  
daylight at 6:30 o'clock a car driven  
by Noll, according to police testi-  
mony, hit a car parked opposite 375  
Lowell ave. In the parked car were  
Erwin Hession of Bancroft st., Wat-  
ertown, and a friend. The impact  
of the collision pushed the hit car  
105 feet and Noll's car skidded 61  
feet and 7 inches. The police stated  
that Noll said he saw the parked car  
50 yards away. Judge Sherman  
stated that the evidence showed no  
gross negligence. The occupants of  
the car hit were reported as having  
been injured.

### RECENT DEATHS

#### GEORGE KELLAR

George Kellar of 19 Maple st., Auburndale, died on June 25, following a long illness. He was born in Dorchester 59 years ago, attended Mechanics Arts High School and came to Newton to reside 33 years ago. He was associated with his father, John Kellar, in the building business. In 1922 Mr. Kellar was appointed an inspector in the Newton Public Buildings Department, and in 1925 he was appointed Secretary of the School Committee and assistant

to the Superintendent of Schools. In this position he had charge of all janitors and engineers in the public schools, purchasing of supplies and care of the buildings, in addition to his other duties.

In 1937 Mr. Kellar was appointed a member of the Playground Commission. He resigned from the commission early this year because of his health. He was a Past Master of Fraternity Lodge of Masons, a member of Aleppo Temple, Mystic Shrine and other Masonic bodies.

He is survived by his widow, Mrs. Rebecca (Forte) Kellar; one son, John M. Kellar; his mother, Mrs. Sarah Kellar, and a sister, Mrs. Harry A. Harlow, all of Auburndale.

Mr. Kellar's funeral services were held on Tuesday at the Auburndale Congregational Church, Rev. Ralph Rogers officiated. Among those in the large gathering were Mayor Goddard and department heads, all the janitors and engineers of Newton public schools and many of the teachers, and a delegation of Recreation Department employees. Burial was in Newton Cemetery.

In the passing from this life of George Kellar on last Saturday the city has lost a most valuable citizen, his friends a wise counselor and his family a tender and strong protector.

As Secretary of the Newton School Committee he filled the positions with great ability and a sympathetic understanding of school problems in all its human relations. As a member of

the Recreation Commission until his resignation in March because of ill health, he was a friend to every worker in the department, a friend to every progressive movement for the betterment of the recreation system, and deeply appreciated by the members of the Recreation Commission for his tireless efforts for improvements, his deep earnestness and enthusiasm and his high-hearted integrity. Everything that made for a better city, for a better and more abundant life for all had his unswerving support. Particularly was he interested in those whose lines had not been cast in pleasant places, who through no fault of their own had failed in their hopes.

He loved life, he loved flowers and birds and running brooks, and especially he loved and was loved by his friends.

He bore his illness and suffering gallantly, and faced the end with the same high courage with which he faced life. Indeed, we are all richer for his living.

"Sought by the greatest and the least as friend,

He gave himself unsparring to the end;

He even kept death waiting at the door

"Till he could do a friend one kindness more."

TERESE G. MARSHALL.

#### JOSEPH B. SARGENT

Joseph B. Sargent of 15 Claffin pl., Newtonville died on June 25. He was born in Leicester 81 years ago and had resided in Newtonville for about 25 years. He is survived by two daughters, Mrs. Alfred N. Miner of Newtonville, Mrs. Samuel Hooper of Boston, and a son, J. Bartford Sargent, Jr., of Englewood, New Jersey. Mr. Sargent's funeral service was held at the Gregg chapel on Thursday; Rev. Herbert Hitchen officiated. Burial was at Leicester.

#### LAWRENCE COSTELLO

Lawrence Costello of 329 River st., West Newton, died on June 23. He was born in West Newton 76 years ago. Mr. Costello was formerly employed for many years at the Stanley Steam Car Company factory in Newton. He is survived by two sisters, Mrs. Timothy O'Connell and Miss Mary Costello, both of West Newton. His funeral service was held on Wednesday at St. Bernard's Church, West Newton, and burial was in Calvary Cemetery, Waltham. The celebrant of the solemn requiem mass was Rev. Edward O'Connell of Greenwood, a nephew of the deceased.

#### MARY A. McLAUGHLIN

Mrs. Mary A. McLaughlin of 37 George st., Newton died on June 25. She was the widow of James H. McLaughlin and the mother of Rev. Edward J. McLaughlin of Presentation Church, Oak Square, Brighton. Mrs. McLaughlin was born in Boston. She had formerly resided in Dorchester. Besides Father McLaughlin she is survived by a daughter, Mrs. Katherine Barron of Cape Elizabeth, Maine; a sister, Mrs. Joseph Edwards of Dorchester; and five grandchildren. Her funeral service was held on Friday morning at Our Lady's Church, Newton and burial was in Calvary cemetery, Roslindale.

#### CARD OF THANKS

The family of the late Levinka Stickney wish to thank her many friends and classmates for their kindness to her during her long illness.

### Rotary Club

The Newton Rotary Club meeting of June 24th, 1940, was a very important event marking the end of the Rotary year, the old officers retiring and turning over their duties to the new officers.

The various committee reports were given. These included a report by Paul Ellicker on the Boys' Work Fund which showed that outstanding work had been accomplished. Members expressed regret in losing Paul from membership in the club, but wish him all kinds of luck in his new work in Washington. In addition to losing Paul from this committee, two other outstanding members of the committee were lost this year, Harry Bascom by retiring as an active member of Rotary, and Horace Orr, who died earlier in the year.

The Classifications Committee report by Orville Clapper was given with some suggestions which will be valuable for next year. Lyseom Bruce substituted for Lee Nesbit on the Community Service committee, and gave an excellent talk. Eugene Campbell gave his usually excellent story of the Vocational Service work of the past year.

The report of the publications committee was given briefly.

The Treasurer, Win Brainerd, gave a brief report which showed finances to be in good shape. Cecil Clark gave some very newsworthy items from the country and what Rotary does mean to the country and in the international picture. Harry Hansen, with his usual dry humor, made a speech of presentation to the outgoing President, Bud Needy, and gave him his past President's badge.

John Cahill, the incoming president, will report next week on the Havana Convention from which he returned recently.

### Aldermen Argue Over Bill for Sand

An appropriation of \$1367.44 for sand purchased in 1939 from the Riverside Sand & Gravel Company caused considerable discussion at the meeting of the Newton Board of Aldermen on Monday night. After a number of the Aldermen had argued pro and con, the Board by a vote of 10 to 8 voted in favor of the appropriation. The company had the contract for furnishing sand to the city during 1938 at a price of \$1.17 a cubic yard, and also the option of continuing this contract until April 1, 1939. The bill was for sand furnished after April 1, 1939, and before a new contract was entered into by the city. The lowest bid then received was 97c and the Riverside company's bid was \$1.

When the Riverside company presented its bill at the \$1.17 price, Comptroller of Accounts White refused to O. K. it, and contended that the prevailing price for sand should have been charged. Subsequently, Mayor Goddard, with the advice of City Solicitor Bartlett, recommended that the bill be paid. The Claims & Rules Committee of the Aldermen, however, was split on the matter of reporting favorably for the payment of the bill. Chairman Rawson of the committee, presenting the majority report, stated that the Riverside Sand & Gravel Company believed it was entitled to the contract price until a new contract was entered into by the city.

Alderman Inches contended that the matter of this sand purchasing showed the outrageous method of purchasing sand and gravel under the preceding city administration, and of the difficulty of the city in drawing up sand and gravel contracts. He said the situation demonstrated the need of a purchasing department. Alderman Hoffman agreed with Inches, however, voted to pay the bill.

Alderman Lee opposed the payment of the bill. He said that Comptroller White is the finder of facts on payment of city bills, that White had stated the bill presented for the sand in question was above the market price for that period, and that White's ruling should be followed, even though the Riverside company had been led by someone to assume it would continue to receive the old contract price.

Alderman Colby said he did not agree with the City Solicitor's ruling that the firm was entitled to charge the old contract price four months after the optional contract term had ended. Alderman Schipper said that he doubted if the city is liable for a price in excess of the prevailing market price. The Aldermen who voted against paying the bill were—Colby, Eaton, Fahy, Hoffman, Jamieson, Lee, Lockwood and Schipper.

### Epworth League Conference At Lasell

Lasell Junior College will be the gathering place of more than 200 Epworth League's and other representatives of youth groups of the New England Conference of the Methodist Church.

This gathering of young people is known as the Lasell Young Peoples' (Epworth League) Institute, which this year marks its twenty-sixth session. The dean will be Rev. H. Newton Clay, pastor of the Methodist church at Leominster who will attend the institute for his twenty-fourth time and will act as dean for the fourth year. The dean of women will be Mrs. Francis D. Taylor, wife of Rev. Francis D. Taylor, pastor of St. John's Methodist Church, Watertown. The institute begins Sunday afternoon, June 30, with the registering of delegates at three o'clock. Each week-day morning will be devoted to religious education. There will be a Bible period in which there will be classes on the Old and New Testaments, the parables of Jesus, and how the Bible came into being. There will be a projects period during which time an orchestra, a choir, a public speaking group, a class in parliamentary law, a dramatics club, and a class in journalism which will issue a daily paper, the Yodel, which will offer the young people a chance to express themselves through some hobby or project. Another period will be the chapel period and another will be an out-of-door sing.

The afternoons will be free. Each evening there will be a special program for the "institutes." Monday night will find delegates in Winslow Auditorium for an evening of fun and frolic. Tuesday evening there will be a musical program. Wednesday night will find the faculty doffing their clerical collars and providing a good deal of fun for the student body. Wednesday night is also alumni night. Thursday night will offer the chance to students to "show their stuff" at a Home Talent Night. Friday evening there will be a camp fire which will be for delegates only who are attending the institute. Again on Saturday night there will be a social.

Sunday, July 7, will be the final day of the institute. In the morning delegates will be present at a special church service at the Auburndale Methodist Church on Central st. with the Rev. W. Henry Shillington as their Pastor-Host. In the afternoon, certificates and diplomas will be awarded for work completed at the institute during the week's sessions.

### Legion Junior Nine Schedules Games

The Newton Legion Junior Baseball Team will play the Sanford Maine Juniors at Norumbega Park on July 4th at 3 p.m. The Sanford team won the 1939 Maine State Championship.

The Newton Juniors will play Lexington Juniors at the Newton High School Field on Friday June 28, at 6 p.m.; Natick Juniors at Natick on Saturday June 29 at 3 p.m. and Medford Juniors at Medford on Tuesday July 2nd.

**Father-Son Graduation**  
Sheriff Ralph E. Elser was graduated from Youngstown college, Youngstown, Ohio, along with his youngest son, Galen. "It's been 20 years since I finished high school," the sheriff said. "I've spent my spare time working toward a college degree."

### Vacation Music Classes Offered

Special music classes for Newton children are again offered this summer by the American Institute of Normal Methods at Lasell Junior College, Auburndale, from July 10-31. Boys and girls of high school age may register for morning classes in band, orchestra, instrument study, rudiments of music, conducting, chorus, and organized recreation for a special tuition fee of \$10 for the three weeks. Afternoon classes may be elected for a nominal additional fee. This Summer Clinic for Young Musicians is under the direction of Mr. C. P. Herfurth, Director of Instrumental Music, East Orange, New Jersey, who is well known throughout New England as judge of band and orchestra contests. The registration is in charge of Mr. Warren S. Freeman, Director of Instrumental Music of Belmont.

In cooperation with the Board of Education and the School Department of the city of Newton, the American Institute will conduct special music classes for children of elementary and junior high school age for two weeks beginning Monday, July 15th, in the Williams School, Auburndale. There is no charge for these classes. Students who register for the classes will come to the Williams School, Friday, July 12th, for assignments to rooms. In recent years requests for admission have been in excess of room accommodations. The classes include singing, dancing, music appreciation, and instrument study. This year the boys and girls will close their session by cooperating with the students of the American Institute of Normal Methods in a patriotic folk festival on the campus of Lasell Junior College, Saturday afternoon, July 27th.

The American Institute is celebrating the 37th session this year. The special division for high school boys and girls is offered for the sixth season. Mrs. Frances Settle, of Craigie Circle, Cambridge, is associate Director of the Institute and the allied schools. Advance registrations indicate a larger session than the successful 1939.

### Newton Table Tennis Tournament Wide Open

This year for the first time the winner of the Annual Summer Tournament at the Newton Table Tennis Club cannot be picked. The defending champion of the past five years, Les Lowry, is in Chicago and will be unable to defend his title. The possible winner this year will probably be one of the higher state ranking players among whom are Larry Smith, former New England champion; Lloyd Shephardson, senior champion; Bill Holden and Arthur Sweeney.

The Newton Tournament will be held Friday and Saturday evenings, June 28th and 29th at the Newton Table Tennis Club on Washington st., Newton. There will be a prize for the "B" player or the unranked player who goes furthest in the men's singles. There will also be men's doubles, mixed doubles and women's singles. The women's field is also wide open to contestants this year as many of the better women players of former years will be unable to compete. The possible finalists are Mrs. Dolly Butterfield and Miss Margaret Haberstroh, both of Newton.

Matches will start at 8 p.m. Friday evening and all semi-final and final matches will take place Saturday evening, starting at 8:30 p.m.

### Sales Course

(Continued from page 1)

He graduated from the State Normal School at Gorham, Me., in 1928, received a B.S.S. degree from Rutgers in 1932; an A.M. degree from Columbia Teachers College in 1936, and a Ed.D. degree from New York University this year. Miss Kennedy has recently been residing at 55 Highland avenue, Newtonville. She graduated from Salem Teachers College in 1937 and taught at Rockland.

The following transfers of teachers were approved: Ida Scheib, English teacher, from Bigelow to Warren junior high; Mildred Bourdon, Mason school to Bigelow junior high; Agnes Stone, Angier school to Mason; Hazel Stimson, from special to regular classroom teacher at Stearns school; Catherine Tobin from special class at Stearns to special class at Davis school; Morris Brown from part time printing instructor at Day junior high to full time special teacher at Day junior high to full time at Weeks junior high.

The Committee voted to establish a course in retail store salesmanship for girls at the Cabot school, Newtonville. This course will be open to girls between the ages of 18 and 21 who are high school graduates. The salary of the teacher will be \$2000, of which one-half will be paid by the Federal government, one-quarter by the State and one-quarter by the city. Supt. of Schools Warren explained that the course is to obtain part-time employment for the students, to long range, full time opportunities, and also to provide a reservoir of trained personnel on which merchants may draw. The students will match hour for hour of time spent in the school with remunerative training in stores in Newton, Boston, Waltham, and Wellesley. A minimum of 15 hours of school work is to be matched with 15 clock hours of store experience paid for on the basis of minimum wage law requirements. The class will not exceed 20 pupils, and the teacher will select them. An advisory committee will be appointed to aid in the conduct of the course.

Supt. of Schools Warren also told the school committee that the Federal government may make funds available for the operation of the Newton Trade School in training men in skilled trades. The school is in conjunction with the National Defense program; he had received a letter so stating from John Sruedaker, Federal Commissioner of Education.

On motion of Committee Member Frazier, it was voted to close the schools on September 24 to permit the pupils to witness the parade of the American Legion in Boston. The committee voted to recommend to Mayor Goddard that the new school on Pearl street, Newton be named the Lincoln Elliot School. This name will perpetuate the names of the two old schools which this school replaces, and it meets with the approval of a majority of the residents of the district who expressed themselves on this matter. A relative of the late John E. Bristol who served as an alderman from Ward 1 over 40 years ago, requested that the school bear his name. The committee voted to send a letter to the widow of George Kellar in which his character, faithful and efficient service were praised.

Supt. of Schools Warren stated that progress is being made in the study of teachers' salaries, and that data is being gathered from other cities and towns. He said that the process of tabulating this data is tremendous, but that by September the committee will be able to draw inferences from this mass of data. Questionnaires have been sent to all Newton teachers to obtain information regarding their economic status and living costs.

### Walker To Run As County Commr.

Frank D. Walker, City Auditor of Marlborough, today announced his candidacy as a Republican for County Commissioner of Middlesex County. Mr. Walker is a native of Marlborough, and was educated at Marlborough High School, The Bentley School of Accounting and Finance, and Boston University. For several years, he was a teacher in the Marlborough High School also at the Framingham Business College, and was later principal of two grammar schools in Marlborough. On February 20, 1939, he was appointed City Auditor, which office he now holds.

He is a member of the Marlborough Rotary Club, past master of the Marlborough Grange, is a leader in the 4th Club in Middlesex County, and is treasurer of the Young Men's Republican Club, who have endorsed him as their candidate for County Commissioner.

Upon issuing the statement, Mr. Walker said: "I pledge myself to give unstintingly of my time and effort in the interests of the taxpayers of Middlesex County, and to improve the administration of its government."

### Newton Has Best Safety Record

Newton had the best highway safety record in May for cities in Mass., between 50,000 and 100,000 population. Its accident percentage rate per 100,000 population was 48.3. The seven other cities in this class and their rates for the month of May are—Lawrence, 58.1; Brockton, 59.2; Quincy, 72.8; Holyoke, 83.7; Brookline, 95.9; Malden 95.7; Medford, 96.1. In Newton during May there were 32 automobile collisions and 53 persons were injured, or claimed to be injured. There were no fatalities in Newton during May. In Mass. during May 4199 persons claimed injuries in automobile accidents.

### Brain Surgery Reveals Real 'Dual-Personalities'

Surgery on brain cancers disclosing existence and location of two personalities in every human brain were reported recently to the International Cancer congress.

The operations, described by Dr. Stookey, of the Neurological Institute, New York, removed entire prefrontal lobes of four patients and partly removed those of four others. All are alive today.

The prefrontal lobes, one on each side of the head, fill the entire forward half of the brain cavity. One of these lobes is usually dominant over the other, a fact believed to explain why some persons are left-handed.

These lobes have long been considered the seat of memory, thinking, personality, and the imagination which distinguishes man above animals. They receive, simultaneously but separately, impulses from all the rest of the brain.

Dr. Stookey's operations showed that either prefrontal lobe, whether or not it is the dominant one, is able to produce a mentally complete and normal personality. They showed that ordinarily the two synchronize to share this personality work, but that if one lobe is damaged and the other remains intact, the very character of a human being changes.

In that case one lobe fights the other. In Dr. Stookey's words, there is "static" in the damaged lobe, which interferes with smooth operations in the other.

In two of the operations, Dr. Stookey said that the complete loss of one lobe resulted in reported mental improvement. One of these was a man in charge of sending out trucks for a motor firm. His employees asserted that the man's work improved. The other persons reported ability to learn more easily.

A woman reported that frigidity resulted from loss of one of her prefrontal lobes, and that marital relations became merely a duty. One general change noted in those losing a whole prefrontal lobe was ability to make decisions more quickly and persistence in carrying them to completion.

### Geodetic Crew Locates Under-Water Mountains

The United States now owns two brand new 9,000-foot mountain peaks.

Announcement of the discovery of these two new peaks was made in San Francisco by Capt. E. W. Eikelberg and Ensign H. G. Conerly of the U. S. geodetic ship Guide, which has returned after seven months of exploration off the Alaska coast.

The fact that the two mountain peaks are at the bottom of the Pacific and that their tips are 2,000 feet beneath the surface of the sea in no way detracts from their importance, Eikelberg said.

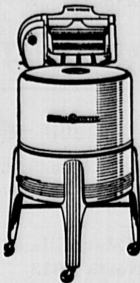

The peaks were discovered a few weeks after that portion of the ocean's bottom had been the center of a huge earthquake. It was believed that they were thrust upwards by the quake itself.

The "possessions," never before known to mariners, are situated about 350 miles west of Cape Flattery in a little explored part of the ocean. The larger one is approximately 9,800 feet tall. It would rear 2,000 feet higher than Mount Olympus if it were on land.

There still remain about 100,000 square miles of the area unexplored, but Eikelberg reported that the discovery of new peaks will give mariners in that part of the world a landmark from which they can reckon their position when the sun or stars are invisible.

### Life Saving

(Continued from page 1)

have restored thousands of drowning persons to life. The purpose of instruction in First Aid to the Injured is to train men and women to administer first-aid treatment promptly and intelligently when emergency demands it, so preventing many a tragic sorrow to families, due to ignorance and loss of precious time in aiding accident victims.

Newton is only one of the many places in the United States given such valuable instruction through the wise helpfulness of the American Red Cross. One is prone to take for granted their great service to mankind. So that sometimes cold facts bring it home strikingly. Such an opportunity to learn facts, and also to learn what to do in emergency is being offered by the National Organization to all who wish to avail themselves of it, by listening to a broadcast every Sunday, from 1 to 1:15 p. m., daylight saving time, over Station WBZ.

This series, arranged under the supervision of the National director of First Aid, Life Saving, and Accident Prevention, has been given each week since June 2, and will continue through July 21. Entitled "Listen and Live," this series gives invaluable information, dramatizing actual cases from Red Cross files, and as a climax, men and women from various walks of life are questioned as to what they would do to help the victims in the case being enacted. Their answers, right or wrong, representing how all react at such moments, correct and inform the hearers with priceless knowledge which may save a precious life quite unexpectedly. All will do well to avail themselves of this opportunity.

### CAMP WAMPANOAG OPENS

July 1st marks the opening of Camp Wampanoag at Buzzards Bay, for its 35th season. During all these years the camp has been owned and operated by residents of Newton Centre. Opened in 1907 by Dr. and Mrs. Hemenway and their son, Russell, and purchased in 1912 by Mrs. B. E. Taylor, who, with her son and daughter, managed it for many years. Camp Wampanoag has been instrumental in the successful development of many Newton boys. Wampanoag boys come from all over the country and sons of former campers are now enjoying its benefits.

Miss Dorothy Taylor, who has been a co-director since the camp was opened, and took over the management five years ago, will again direct the camp.

### Letters To The Editor

NEW ROUTE 128

To the Editor:

It may be of interest to those who are thinking about the continuation of Route 128 to know that the general project is not dead. The following note is from the Planning Bulletin Vol. 2, No. 3 issued May-June 1940 by the Commonwealth of Massachusetts, Division of Metropolitan Planning, 20 Somerset st., Boston.

"The department of Public Works has called for bids on a section of the Circumferential Route 128, from Salem st., Wakefield, to the Newburyport Turnpike in Lynnfield."

This section is a long way from Newton where we hoped to see some action before long. If the route were acquired and the location settled then there would be something definite to plan the City of Newton's development of open lands.

Possibly there may be some legal restriction against securing the land before construction but it would seem that this was not a reasonable excuse. For instance there are portions of the Metropolitan District Commission's Parkways that were acquired years ago and have not been constructed as yet.

Every effort to remove the circumferential traffic from the heart of Newton, should be made by all the citizens of Newton.

HERBERT J. KELLAWAY.

### Want Lifeguards At Newton Beaches

The bathing beach at Crystal Lake was opened last week with Gilbert Champagne as supervisor. He is assisted by the following lifeguards—John Higgins, Robert Roos, Oliver Cavanaugh, Frank Light, Philip Walsh, Arthur McManus, Claire McCarthy. Tickets for admission to Crystal Lake beach may be obtained from the Recreation Department office at City Hall.

It is planned to erect a bathhouse at Allison Playground beach on the Charles River at Nonantum, to replace the building which was burned. This beach has been closed in past summers because of pollution in the river there, but at present the water is sufficiently clean to permit bathing.

On Tuesday the State Civil Service Commission announced that because the list of prospective lifeguards for Newton public bathing places had been exhausted, residents of the city might file applications with Andrew Prior at Newton City Hall. Applicants must be 18 years of age, have resided in Newton at least 6 months, and pass a rigid physical examination.
